# Party System Change In Legislatures Worldwide Moving Outside The Electoral Arena

**Antoine Yoshinaka**

## **Party System Change In Legislatures Worldwide Moving Outside The Electoral Arena:**

**Party System Change in Legislatures Worldwide** Carol Mershon, 2013 How much autonomy do elected politicians have to shape and reshape the party system on their own without the direct involvement of voters in elections **Party System Change in Legislatures Worldwide** Carol Mershon, Olga Shvetsova, 2013-10-07 How much autonomy do elected politicians have to shape and reshape the party system on their own without the direct involvement of voters in elections

**Party System Change, the European Crisis and the State of Democracy** Marco Lisi, 2018-08-06 Party systems are crucial elements for the functioning of political systems and representative democracies With several European countries experiencing significant changes recently it is necessary to update our knowledge This volume analyses party system changes in Europe in the 21st century by considering several dimensions such as interparty competition the cleavage structure electoral volatility and the emergence of new actors The book describes the principal continuities and changes in party systems in Europe analyzes the main explanations for these trends and assesses the impact of the crisis on the patterns observed By considering a wide range of Western and Eastern European countries and focusing on the parameters of party system change this book seeks to fill an important gap in the literature through a comparative analysis of the evolution of party systems in Europe over the last decades This book will be of key interest to scholars and students of political parties party systems and politics electoral behavior as well as more broadly to European politics comparative politics political representation and the quality of democracies **Exploring Party Switching in East-Central European Legislatures** Andrzej Antoszewski, Przemysław Żukiewicz, 2024-09-06 This book challenges the approach of relying on election outcomes to analyse party systems contending that changes can be also identified and documented beyond the scope of parliamentary elections through legislative party switching It argues that significant party system changes occur often within parliamentary terms and legislative party switching is not a pathological feature of democracy but rather an integral component of democratic party systems Offering a comprehensive and specific theoretical framework for party switching and based on a novel and exhaustive database from Czech Republic Lithuania and Poland this book examines the determinants for and implications of legislative party switching in Central and Eastern Europe This book will be of key interest to scholars and students of legislative studies party politics Central and East European politics and more broadly comparative politics and government The Open Access version of this book available at [www.taylorfrancis.com](http://www.taylorfrancis.com) has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license Any third party material in this book is not included in the OA Creative Commons license unless indicated otherwise in a credit line to the material Please direct any permissions enquiries to the original rightsholder **The Oxford Handbook of Italian Politics** Erik Jones, Gianfranco Pasquino, 2015-11-05 The Oxford Handbook of Italian Politics provides a comprehensive look at the political life of one of Europe's most exciting and turbulent democracies Under the hegemonic influence of Christian Democracy in

the early post World War II decades Italy went through a period of rapid growth and political transformation In part this resulted in tumult and a crisis of governability however it also gave rise to innovation in the form of Eurocommunism and new forms of political accommodation The great strength of Italy lay in its constitution its great weakness lay in certain legacies of the past Organized crime popularly but not exclusively associated with the mafia is one example A self contained and well entrenched caste of political and economic elites is another These weaknesses became apparent in the breakdown of political order in the late 1980s and early 1990s This ushered in a combination of populist political mobilization and experimentation with electoral systems design and the result has been more evolutionary than transformative Italian politics today is different from what it was during the immediate post World War II period but it still shows many of the influences of the past

**The Oxford Handbook of Legislative Studies** Shane Martin, Thomas Saalfeld, Kaare W. Strøm, 2014-06-19 Legislatures are political bodies essential to democracy and the rule of law They present social scientists with numerous intriguing puzzles with far reaching implications for our understanding of political institutions Why and how have these ancient assemblies established in pre democratic times survived the transition to mass democracies How have they adapted How do they structure such processes as budgeting legislation and executive oversight How do their members get selected and what consequences flow from differences in these rules What roles do committees and political parties play in contemporary legislatures What functions do legislatures perform in autocratic semi democratic or recently democratized societies What explains the similarities and differences in legislative rules powers and recruitment What are the policy and other consequences of variation in how legislatures are organized and function The 33 chapters in The Oxford Handbook of Legislative Studies written by 47 of the most distinguished legislative scholars provide a comprehensive and up to date description and assessment of the state of the art in legislative studies Key themes explored include theoretical paradigms and methodological approaches to the study of legislatures representation and legislative careers internal organization the role of parties within legislatures and the role of legislatures in policy making and accountability The Handbook also explores the emergence of parliaments in historical and contemporary contexts including new democracies and trans national institutions

**Crossing the Aisle** Antoine Yoshinaka, 2015-11-24 Switching parties is arguably the most important decision a politician will ever make This book is the first ever systematic study of the causes and consequences of legislative party switching in the United States The author argues that re election alone does not explain party switching He proposes an ambition based theory that accounts for multiple goals including higher office aspirations and the desire for influence in the legislature with a focus on the electoral costs and the institutional benefits of the decision The book combines the statistical analysis of electoral data and legislative careers in the US Congress and state legislatures with elite interviews of party switchers non switchers and a party leader The case study of a party switcher s decision in real time documents the complexity of the decision in a politician s own words prior to and following the switch The book raises important questions

regarding the meaning of a party label      Gender and LGBTQ Issues in Election Processes Paulina Barczyszyn-Madziarz, Przemysław Żukiewicz, 2022-04-19 This book looks at issues on Gender and LGBTQ matters in political elections in both institutional and communication contexts Examining wins and losses in elections and assessing accountabilities in those results this broad and international collection analyses how the issue of gender and LGBTQ identity is both factored into and determines electoral success not only in consolidated democracies such as the United States New Zealand and Norway but also in a country facing an undemocratic turn such as Poland Does raising the subject of gender and LGBTQ issues affect electoral processes Are there countries where gender and LGBTQ issues are more likely to be instrumentalised in the electoral process Can common patterns between countries be detected This book seeks to answer these questions and center gendered issues through a range of topics including party loyalty voter participation gendered media coverage and discourses on electoral defeat and leadership This book is suitable for students and scholars in LGBTQ Studies Politics Social Sciences and Gender Studies      *From Party Politics to Personalized Politics?* Gideon Rahat, Ofer Kenig, 2018-06-04 What do Beppe Grillo Silvio Berlusconi Emmanuel Macron and also Donald Trump have in common They are prime examples of the personalization of politics and the decline of political parties This volume systematically examines these two prominent developments in contemporary democratic politics and the relationship between them It presents a cross national comparative comparison that covers around 50 years in 26 democracies through the use of more than 20 indicators It offers the most comprehensive comparative cross national estimation of the variance in the levels and patterns of party change and political personalization among countries to date using existing works as well injecting fresh cross national comparative data In the case of party change it offers an analysis that extends beyond the dichotomous debate of party decline versus party adaptation In the matter of political personalization the emphasis on variance helps in bridging between the high theoretical expectations and disappointing empirical findings As for the theoretically sound linkage between the two phenomena not only is this the first study to comprise a comprehensive cross national examination but it also proposes a more nuanced understanding of this relationship Comparative Politics is a series for researchers teachers and students of political science that deals with contemporary government and politics Global in scope books in the series are characterised by a stress on comparative analysis and strong methodological rigour The series is published in association with the European Consortium for Political Research For more information visit [www.ecprnet.eu](http://www.ecprnet.eu) The series is edited by Emilie van Haute Professor of Political Science Universit libre de Bruxelles Ferdinand Müller Rommel Director of the Center for the Study of Democracy Leuphana University and Susan Scarrow John and Rebecca Moores Professor of Political Science University of Houston      Israel's Governability Crisis Maoz Rosenthal, 2016-11-22 This book examines the governability crisis faced by Israeli governmental institutions For a long period of time observers of Israel's government have reported the same phenomena instability in most political positions not allowing for proper policy design enhanced control of the

bureaucracy over the policy making process and complete uncertainty regarding the implementation of policies by the bureaucracy However while one expects that with such a toxic combination of all the wrong policy making components Israel would collapse Israel has been able to achieve quite impressive landmarks in its overall performance During the first decade of the 21st century Israel became an OECD member and enjoyed high growth when the world was facing stagnation and economic collapse Israel's government which regularly faces quandaries in a variety of policy fields is able to initiate large scale policies when needed Yet this same government refrains from initiating large scale reforms in institutional structures Hence for analysts of political institutions the Israeli state of affairs is one of choice while initiating changes to reform and overhaul the Israeli institutional system is possible it is also perilous To cope with that duality Israeli political leadership on all sides has developed a variety of mechanisms that allow them to provide the policy output needed so as to maintain the status quo This book examines these mechanisms as they exist in different facets of government work and explains their output and persistence Examples include coalitional making and breaking the ways in which ruling coalitions maneuver in parliament and policy design and implementation The book also explores the problem that exists in Israel's governability the lack of a strategic high order far sighted decision making Finally it offers a method of electoral reform that can address both of these systemic maladies

**The Value of Comparative Federalism** Nico Steytler, Balveer Arora, Rekha

Saxena, 2020-11-12 This book explores new avenues of international research in comparative federal studies It re-examines the conceptual tools and methodologies for understanding federal systems and the role of comparative federalism in the dissemination and implementation of federal concepts It highlights the influence of comparative federalism on constitution making as well as constitutional reforms The volume provides innovative and pragmatic perspectives from both the Global North and the Global South with case studies drawn from established federations such as India Canada Australia and Austria and emerging federal systems such as Italy and South Africa Advocating a combined approach that integrates modern and traditional theoretical routes with practical insights and contemporary analyses it discusses the issues of multilevel elections and federal governance coalition governments and multiparty democracy in parliamentary federal systems such as India minority empowerment gender budgeting self governance multinational federalism unitary states the nation state and degenerating federalism It also breaks new ground by looking at federalism from a gender perspective and deals with tools for measuring fiscal responsibility and a social and cultural index A tribute to the intellectual legacy of Ronald L Watts this volume will be useful to scholars and researchers of political science federalism comparative federal studies political studies comparative politics governance public administration and law development studies South Asian studies and Global South and North studies as well policymakers international government bodies research institutes development experts and other organisations working in the area

Why Regional Parties? Adam Ziegfeld, 2016-02-19 The first major study of India's regional parties which discusses why when and where they are electorally successful

**Formal Modeling in Social**

**Science** Carol Mershon, Olga Shvetsova, 2019-09-03 A formal model in the social sciences builds explanations when it structures the reasoning underlying a theoretical argument opens venues for controlled experimentation and can lead to hypotheses Yet more importantly models evaluate theory build theory and enhance conjectures Formal Modeling in Social Science addresses the varied helpful roles of formal models and goes further to take up more fundamental considerations of epistemology and methodology The authors integrate the exposition of the epistemology and the methodology of modeling and argue that these two reinforce each other They illustrate the process of designing an original model suited to the puzzle at hand using multiple methods in diverse substantive areas of inquiry The authors also emphasize the crucial though underappreciated role of a narrative in the progression from theory to model Transparency of assumptions and steps in a model means that any analyst will reach equivalent predictions whenever she replicates the argument Hence models enable theoretical replication essential in the accumulation of knowledge Formal Modeling in Social Science speaks to scholars in different career stages and disciplines and with varying expertise in modeling *The Political Economy of Social Choices* Maria Gallego, Norman Schofield, 2016-09-02 This book presents state of the art research in political economy dealing with the decision making process under different political institutions It focuses on the role that states and governments have on political outcomes and on the well being of individuals taking into account the differences that arise across autocracies and democracies and within political regimes The research in this book is embedded with the political economy and social choice traditions and uses the rigorous frameworks of economics political science and social choice theory to show how institutional settings shape social choices of a group of individuals or a nation The contributions in this volume use a variety of cutting edge game theory and mathematical tools as well as data and simulations that coupled with statistical techniques help us gain greater insights into these issues Italian Democracy Gianfranco Pasquino, 2019-11-08 This textbook from one of Italy's most eminent scholars provides broad coverage and critique of Italian politics and society Providing the readers with the knowledge necessary to understand the working of the Italian political system it also offers answers to some of the most important challenges facing the country and other contemporary democracies today such as populism anti politics and corruption Critical but underpinned by thorough data and analysis it presents alternative views alongside the author's interpretation Crucially the book uses a comparative framework to explain Italy's transformation and evaluate its performance Comparing the rules institutions parties and actors at work in the most important European political systems France Germany Great Britain with those in Italy the Italian context is better understood and assessed in contrast This text will be essential reading for students and scholars of Italian politics and European politics and more broadly for comparative politics and democracy **El corazón de las legislaturas: causas y consecuencias de la profesionalización en los congresos locales de México** Fernando Patrón Sánchez, Oscar Medina Llanos, Sergio Arturo Bárcena Juárez, 2024-09-12 El corazón de las legislaturas causas y consecuencias de la profesionalización en congresos locales de México es una obra

esencial que explora la profesionalización legislativa un tema crucial para el fortalecimiento de la democracia en México A través de una investigación meticulosa Sergio Arturo Brcena Juárez Fernando Patrón Sánchez y Oscar Medina Llanos ofrecen un análisis profundo y riguroso de las dinámicas internas de los congresos locales mexicanos El libro proporciona una visión integral de los procesos políticos en el ámbito local empleando una metodología mixta que combina análisis cuantitativo y entrevistas con legisladoras y ex legisladoras La obra destaca por su enfoque innovador en la construcción de un índice Compuesto de Profesionalización Legislativa ICPL diseñado para medir la profesionalización legislativa a nivel local Con datos recopilados que abarcan del 2014 al 2021 los autores examinan las características biográficas la actividad parlamentaria y las estructuras operativas de los congresos aportando un nuevo entendimiento sobre las causas de la profesionalización y sus consecuencias en la política local Este libro es distintivo por su contribución al campo de los estudios legislativos en México ofreciendo un marco teórico y metodológico novedoso que permite una comprensión más completa de las causas y consecuencias de la profesionalización legislativa Representa una referencia indispensable para académicos políticos y para cualquier interesado en la evolución y profesionalización de las legislaturas locales en México sentando las bases para futuras investigaciones en esta área vital DOI <https://doi.org/10.52501/cc.199>

### **Party System Change In Legislatures Worldwide Moving Outside The Electoral Arena Introduction**

In today's digital age, the availability of Party System Change In Legislatures Worldwide Moving Outside The Electoral Arena books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Party System Change In Legislatures Worldwide Moving Outside The Electoral Arena books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Party System Change In Legislatures Worldwide Moving Outside The Electoral Arena books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Party System Change In Legislatures Worldwide Moving Outside The Electoral Arena versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Party System Change In Legislatures Worldwide Moving Outside The Electoral Arena books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Party System Change In Legislatures

Worldwide Moving Outside The Electoral Arena books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Party System Change In Legislatures Worldwide Moving Outside The Electoral Arena books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Party System Change In Legislatures Worldwide Moving Outside The Electoral Arena books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Party System Change In Legislatures Worldwide Moving Outside The Electoral Arena books and manuals for download and embark on your journey of knowledge?

### **FAQs About Party System Change In Legislatures Worldwide Moving Outside The Electoral Arena Books**

1. Where can I buy Party System Change In Legislatures Worldwide Moving Outside The Electoral Arena books?  
Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.

3. How do I choose a Party System Change In Legislatures Worldwide Moving Outside The Electoral Arena book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Party System Change In Legislatures Worldwide Moving Outside The Electoral Arena books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
