Paul Durand Ruel Memoir Of The First Impressionist Art Dealer 1831 19:

Paul Durand-Ruel Flavie Durand-Ruel, Paul-Louis Durand-Ruel, 2014-11-11 Paul Durand Ruel redefined the role of the art dealer An exceptional entrepreneur and precursor of the international art market scene he established a network of galleries between Paris London Brussels and New York and organized international traveling exhibitions The first to recognize the talent of the Barbizon School artists and the Impressionists and confident in his role championing their art Paul Durand Ruel was able to establish the careers of ground breaking artists including Renoir Monet Sisley Berthe Morisot and Mary Cassatt Paul Durand Ruel Memoirs of the First Impressionist Art Dealer 1831 1922 is a unique and indispensable reference work for those who wish to understand the artistic life and the art market of the nineteenth century It is a testament to Durand Ruel s passion as a friend and patron of the artists the promoting the Barbizon School and later Impressionism Retracing his life from 1831 to 1922 the book features more than sixty illustrations including archival documents and reproduction of works of art a selection of articles and letters a list of the principal exhibitions and artworks he displayed as well as a biographical timeline and family tree *Théodore Rousseau and the Rise of the Modern Art Market* Simon Kelly, 2021-03-25 The 19th century in France witnessed the emergence of the structures of the modern art market that remain until this day This book examines the relationship between the avant garde Barbizon landscape painter Th odore Rousseau 1812 1867 and this market exploring the constellation of patrons art dealers and critics who surrounded the artist It argues for the pioneering role of Rousseau his patrons and his public in the origins of the modern art market and in so doing shifts attention away from the more traditional focus on the novel careers of the Impressionists and their supporters Drawing on extensive archival research the book provides new insight into the role of the modern artist as professional It provides a new understanding of the complex iconographical and formal choices within Rousseau s work rediscovering the original radical charge that once surrounded the artist s work and led to extensive and peculiarly modern tensions with the market place *The Emergence of the Antique and Curiosity Dealer in Britain 1815-1850* Mark Westgarth, 2020-04-07 Rather than the customary focus on the activities of individual collectors The Emergence of the Antique and Curiosity Dealer in Britain 1815 1850 The Commodification of Historical Objects illuminates the less studied roles played by dealers in the nineteenth century antique and curiosity markets Set against the recent art market turn in scholarly literature this volume examines the role activities agency and influence of antique and curiosity dealers as they emerged in the opening decades of the nineteenth century This study begins at the end of the Napoleonic Wars when dealers began their wholesale importations of historical objects it closes during the 1850s after which the trade became increasingly specialised reflecting the rise of historical museums such as the South Kensington Museum V A Focusing on the archive of the early nineteenth century London dealer John Coleman Isaac c 1803 1887 as well as drawing on a wide range of other archival and contextual material Mark Westgarth considers the emergence of the dealer in relation to a broad historical and cultural landscape The emergence of the antique and

curiosity dealer was part of the rapid economic social political and cultural change of early nineteenth century Britain centred around ideas of antiquarianism the commercialisation of culture and a distinctive and evolving interest in historical objects This book will be of interest to scholars in art history histories of collecting museum and heritage studies and nineteenth century culture

Mary Cassatt Between Paris and New York Ruth E. Iskin, 2025-01-28 The first comprehensive study of Cassatt's life work and legacy through the prism of a transatlantic framework This book re envisions Mary Cassatt in the context of her transatlantic network friendships exhibitions politics and legacy Rather than defining her as either an American artist or a French impressionist author Ruth E Iskin argues that we can best understand Cassatt through the complexity of her multiple identifications as an American patriot a committed French impressionist and a suffragist Contextualizing Cassatt's feminist outlook within the intense pro and anti suffrage debates in the United States Iskin shows how these impacted her artistic representations of motherhood fatherhood and older women Mary Cassatt between Paris and New York also argues for the historical importance of her work as an advisor to American collectors and demonstrates the role of museums in shaping her legacy highlighting the combined impact of gender national and transnational dynamics
