Paul The Spirit And The People Of God:

Paul, the Spirit, and the People of God Gordon D. Fee, 2023-01-24 This contemporary classic by renowned scholar Gordon Fee explores the Spirit's significant role in Pauline life and thought After Fee published his magisterial *God's Empowering Presence* he was asked to write a more accessible volume that would articulate Paul's priorities for experiencing the life of the Spirit in the church Fee's bestselling introduction to Paul and the Spirit *Paul the Spirit and the People of God* went on to sell over 70 000 copies This book by one of the greatest evangelical and Pentecostal New Testament interpreters of our time argues that the presence of the Spirit is for Paul and for us the crucial matter for the Christian life This repackaged edition features an updated design and packaging new study questions and a foreword by Dean Pinter who commends the book to a new generation of readers

Paul, the Spirit and the People of God Gordon D. Fee, 1997 **The Mind of the Spirit** Craig S. Keener, 2016-06-21 Leading Scholar Explores Paul's Teaching on the Mind This major work by a leading New Testament scholar explores an important but neglected area of Pauline theology Paul's teaching about the mind In discussing matters such as the corrupted mind the mind of Christ and the renewal of the mind Paul adapts language from popular intellectual thought in his day but he does so in a way distinctively focused on Christ and Christ's role in the believer's transformation Keener enables readers to understand this thought world so they can interpret Paul's language for contemporary Christian life The book helps overcome a false separation between following the Spirit and using human judgment and provides a new foundation for relating biblical studies and Christian counseling

The Holy Spirit and Ethics in Paul Volker Rabens, 2013 Volker Rabens answers the question of how according to the apostle Paul the Holy Spirit enables religious ethical life In the first part of the book the author discusses the established view that the Spirit is a material substance which transforms people ontologically by virtue of its physical nature In order to assess this Stoic reading of Paul the author examines all the passages from the Hebrew Bible early Judaism Hellenism and Paul that have been put forward in support of this concept of ethical enabling He concludes that there is no textual evidence in early Judaism or Paul that the Spirit was conceived as a material substance Furthermore none of these or any of the Graeco Roman writings show that ethical living derives from the transformation of the substance of the person that is imbued with a physical Spirit The second part of the study offers a fresh approach to the ethical work of the Spirit which is based on a relational concept of Paul's theology Rabens argues that it is primarily through initiating and sustaining an intimate relationship with God the Father Jesus Christ and with the community of faith that the Spirit transforms and empowers people for ethical living The author establishes this thesis on the basis of an exegetical study of a variety of passages from the Pauline corpus In addition he demonstrates that Paul lived in a context in which this dynamic of ethical empowering was part of the religious framework of various Jewish groups

Paul's 'Spirit of Adoption' in its Roman Imperial Context Robert Brian Lewis, 2016-01-28 Robert Lewis examines Paul's use of the phrase Spirit of Adoption in Romans 8 12 17 against the background of its Roman Imperial context in order to shed light on

interpretation of Paul's Letter to the Romans Whereas other scholars have explored what Paul may have meant when he uses the term adoption Lewis instead explores the reasons behind Paul's coupling of it with the term spirit Having examined theories for a possible Jewish antecedent for Paul's use of this phrase and found them less than persuasive Lewis unlocks the data within the term's Roman Imperial context that significantly clarifies what Paul means when he uses the phrase Spirit of adoption Lewis shows that when Paul wrote his letter to the Romans adoption had become a feature of Imperial succession Roman religion gave a great deal of prominence to the Roman family spirit the genius The Emperor's genius became identified as a deity in Roman religion and its veneration was widespread in Rome as well as the provinces When Romans 8 12 17 is read against this background a very different kind of exegetical picture emerges Galatians Nijay K. Fee,1995-07-14 Gordon Fee s study on Paul s letter to the Philippians is a contribution to The New International Commentary on the New Testament Prepared by some of the world s leading scholars the series provides an exposition of the New Testament books that is thorough and fully abreast of modern scholarship yet faithful to the Scriptures as the infallible Word of God The Epistle of Paul the Apostle to the Romans ,1888 *Paul's True Rhetoric* Mark Douglas Given,2001-01-01 Given argues that Paul s rhetorical strategies in Acts and in his letters display intentional ambiguity cunning and deception and make vulnerable to the charge that he perpetrates sophistries Spirit and Kingdom in the Writings of Luke and Paul Youngmo Cho,2007-01-01 The relationship between Spirit and Kingdom is a relatively unexplored area in Lukan or Pauline studies This book offers a fresh perspective of two different biblical writers on the subject It explores the difference between Luke and Paul s understanding of the Spirit by examining the specific question of the relationship of the concept of the Spirit to the concept of the Kingdom of God in each writer *A Commentary on St. Paul's Epistle to the Romans* Joseph Agar Beet,1882 Eavesdropping on Paul Mark G. Boyer,2025-05-27 If there were only one Paul in the Christian Bible New Testament it would not be so difficult to understand him However there are three faces and maybe more of Paul found in the Bible In biblical book order there is the Acts of the Apostles Paul this Paul is generated by the same author whoever he was who wrote Luke s Gospel Second there is genuine Paul the author of seven letters Third there are the multiple faces of second generation Paul these faces represent believers who updated Paul for their world long after Paul passed from recorded history This book is based on the seven undisputed Pauline letters It offers reflections on genuine Pauline theology with meditation journal questions for developing genuine Pauline understanding and spirituality The seven chapters in this book reflect upon the theological highlights in a genuine Pauline letter Modern readers of Paul s letters are eavesdropping since not a single letter in the stack of Pauline letters is addressed to them They are reading others biblical mail which requires knowledge of who the original addressees were where they lived when they lived their culture and the same about the sender of the letter This book supplies that information **Reimagining Spirit** Grace Ji-Sun Kim,2019-11-19 The Spirit presents itself to many as an enigma Its existence is mysterious and complex generating misunderstandings and unawareness of its true purpose The Spirit s ambiguous nature opens the opportunity for study to unearth the exciting truths that it holds The Spirit is present in our world in various forms This book aims to examine the

Spirit as experienced in light wind breath and vibration to help us uncover some of its aspects that invite us to work for climate justice racial justice and gender justice The Holy Spirit has always been a mover and shaker of ideas and action The Spirit's presence moves stirs and changes us to become aware of the social ills in our world The different ways in which we reimagine the Holy Spirit can challenge some traditional assumptions in Christianity and provide a liberative vision that allows us to work for social justice The work of the Holy Spirit stirs us to work toward new kinships with God that are sustainable just and whole

The Baptism of the Holy Spirit Don Hightower, 2015-05-06 Many books have been written on the baptism of the Holy Spirit but many write against it others are written by someone who has never experienced it and still others write about pet theories that are not even close to the truths of the Bible This book is honest and straightforward in revealing the simple truths about the Holy Spirit and the gifts It traces the early promises in the Bible to all believers then shows the early disciples receiving it and how they administered it to the Christians in their time Then the book shows how any believer can receive and go on the gifts of the Spirit This book is not new age or occultic but simple Bible understanding from one who has helped many people receive in the last 40 years
