Horace and the Classical Tradition Victoria Moul,2010-04-01 The influence of the Roman poet Horace on Ben Jonson has often been acknowledged but never fully explored Discussing Jonson's Horatianism in detail this study also places Jonson's densely intertextual relationship with Horace's Latin text within the broader context of his complex negotiations with a range of other rivals to the Horatian model including Pindar Seneca Juvenal and Martial The new reading of Jonson's classicism that emerges is one founded not upon static imitation but rather a lively dialogue between competing models an allusive mode that extends into the seventeenth century reception of Jonson himself as a latter day Horace In the course of this analysis the book provides fresh readings of many of Jonson's best known poems including Inviting a Friend to Dinner and To Penshurst as well as a new perspective on many lesser known pieces and a range of unpublished manuscript material
