Monsters And Mormons:

The Mormon Monster Edgar Estes Folk, 1901 **Mormons and Popular Culture** J. Michael Hunter, 2012-12-05 Many people are unaware of how influential Mormons have been on American popular culture. This book parts the curtain and looks behind the scenes at the little known but important influence Mormons have had on popular culture in the United States and beyond. **Mormons and Popular Culture: The Global Influence of an American Phenomenon** provides an unprecedented comprehensive treatment of Mormons and popular culture. Authored by a Mormon studies librarian and author of numerous writings regarding Mormon folklore, culture, and history, this book provides students, scholars, and interested readers with an introduction and wide-ranging overview of the topic that can serve as a key reference book on the topic. The work contains fascinating coverage on the most influential Mormon actors, musicians, fashion designers, writers, artists, media personalities, and athletes. Some topics, such as the Mormon influence at Disney and how Mormon inventors have assisted in transforming American popular culture through the inventions of television, stereophonic sound, video games, and computer-generated animation, represent largely unknown information. The broad overview of Mormons and American popular culture offered can be used as a launching pad for further investigation; researchers will find the references within the book's well-documented chapters helpful.

Wandering Realities Steven L. Peck, *Wandering Realities* gathers together much of the Mormon-themed short fiction of perhaps Mormondom's best living writer, says Michael Austin. The collection is strange, wonderful, eye-opening, and amazing. It is a book of revelations and spiritual gifts from an immensely talented author to his religious community, which has long needed somebody to show us how strange and wonderful and strange we can actually be. *Wandering Realities* is perfectly satisfying, a treat from beginning to end, says Steven Evans. It is alternatively touching and funny and poignant, with horrors and wonders. Steven Peck is a gift to Mormon literature, and any opportunity to read his stories is not to be missed. This collection is one of the freshest, most engaging, and most entertaining contributions to Mormon literature that I've seen in a long while, says Jonathan Langford. Steve Peck is an alien. That's the only explanation I can come up with for how, in this set of 16 stories, he so consistently manages to provide such startlingly different yet at the same time deeply insightful perspectives on the culture and religion he has adopted for his own. Peck's highly imaginative stories run the gamut from Mormons reverting to a medieval society on Mars to a bishop who is killing the neighborhood dogs. These stories not only entertain and delight but they challenge and provoke as well. This collection includes several award-winning stories, including *Two Dog Dose*, best short story of 2014 Association for Mormon Letters; *A Strange Report* from the Church Archives; second place *Irreantum*, fiction contest; *Avek*, Who Is Distributed, first place Four Centuries of Mormon Fiction Contest 2012; *When the Bishop Started Killing Dogs*, second place Four Centuries of Mormon Fiction Contest 2012. Every story Steven L. Peck writes seems to lead Mormon fiction in exciting and innovative new directions, says Scott Hales. I hate hyperbole, but Peck might be the Moses of Mormon letters in the twenty-first century. *Wandering Realities* may

be the book of the year says Andrew Hall Peck is perhaps the most interesting contemporary author of Mormon fiction Peck is the best LDS science fiction writer currently out there says Steven Evans Wandering Realities is an immensely enjoyable and powerful collection of short fiction one that highlights both the possibilities and inevitabilities of Mormonism *The Rocky Mountain Saints: a Full and Complete History of the Mormons, from the First Vision of Joseph Smith to the Last Courtship of Brigham Young* T.B.H. Stenhouse,1873 *Utah and the Mormons* Benjamin G.
