The Wedding Planner Playbook Shannon Stults, 2021-06-01 May the best wedding planner win After spending years making a name for herself as one of Atlanta's top wedding planners Tori Schaefer moved to the small coastal town of Bedland Shores Georgia to take over her mother's wedding planning business While attending a wedding to assess the local competition Tori meets a charming camera wielding stranger with a smile that leaves her heart stuttering Wyatt Rhodes has always loved helping couples celebrate their special day and created Narrative Weddings to do just that When he runs into a gorgeous woman at one of his weddings he's completely smitten until he learns she's his competition for the most influential wedding the town has ever seen They have two weeks to find the perfect venue and pitch their ideas to the bride Tori is willing to do whatever it takes to land the gig that'll put her business on the map Can she find the balance between attraction and rivalry or will her determination to win lose her a chance at her own happy ever after *The Ravine* Paul Quarrington, 2009-03-10 One morning in Don Mills Phil and his brother Jay agree to let their friend Norman Kitchen tag along on an adventure down into a ravine and what happens there at the hands of two pitiless teenagers changes all their lives forever Years later the horrifying details are still unclear smothered in layers of deliberate forgetting Phil doesn't even remember the names Ted and Terry Tom and Tony It's only when he descends into a crisis of his own that he comes to realize that perhaps as he drunkenly tells a crisis line counsellor I went down into a ravine and never really came back out The Ravine is Phil's book we read it as he types it in the basement apartment he's called home since his wife kicked him out for having an affair with a make up girl As he writes and then corrects what he's written we hear how he went from promising young playwright to successful self hating TV producer We listen in on his disastrous late night phone calls and watch his brother once a brilliant classical pianist weep to himself as he plays Ravel and Waltzing Matilda in a desolate bar The Ravine tells us all about the influence of The Twilight Zone on Phil's work and his life how it helped him meet his wife Veronica and then lose her and how it led to the bizarre death of his friend TV star Edward Milligan Sometimes when Phil's drunk a friend will look at what he's written so far and call him on it like when Jay tells Phil that he's remembered it all wrong that he was just as good as Phil at tying knots back when they were in the cubs Phil's ravine is his attempt to make sense of things to try to understand how everything went so wrong just as it seemed to be going so right But The Ravine is also a Paul Quarrington novel meaning that it's hilarious and ingenious quietly working its magic until the reader is at once heartbroken and hopeful

A darkly funny story about loss and redemption The Ravine is also about how stories are made how they can pull us out of disasters that seem too much for anyone to bear and about how sometimes what we need to forgive ourselves for is not what we think it is at all
