Gathering of the Tribe: Mark Goodall, 2020-04-19. This is a fascinating overview of music's intriguing and enduring relationship with the dark side. Much of the music discussed in *Gathering of the Tribe* deals with the special power of sound and tone. Frank Zappa may have said that writing about music is like dancing about architecture, but this book explains how music can, for a moment, believe it could move mountains. It is a matter of record that over the centuries, composers and musicians have been consistently inspired by the occult. Few music lovers can fail to have been intrigued by the rumours of magick and mysticism that surround many of their favourite albums. In chapters that cover the different musical styles from jazz through folk, rock, pop, noise, and experimental forms, *Gathering of the Tribe* sketches a fascinating overview of this provocative and enduring relationship with heavy-conscious creation, offering en route a guide to the ultimate occult record collection ranging from the Beatles to the Stones, Led Zeppelin to Nick Cave, Captain Beefheart to the Wu-Tang Clan, Debussy to Throbbing Gristle, Charles Manson, Barbara the Gray Witch, Coven, and more.

Onstage with Martha Graham: Stuart Hodes, 2020-12-14. From bomber pilot to lifelong dancer, when World War II was over, a young bomber pilot with an itch for movement and action hung up his cap and learned another way to fly. *Onstage with Martha Graham* is the story of Stuart Hodes, a versatile and influential dancer who got his start with Martha Graham, an icon of modern dance. His memoir is a rare firsthand view of the dance world in the 1940s and through the end of the twentieth century. One of the few male dancers in Graham's company and in the New York dance scene at the time, Hodes offers a unique perspective and a one-of-a-kind narrative. He describes how he fell into the art by

chance happening to walk into Graham s studio one day He was soon hooked He documents his experiences travels passions and loves while learning from and performing with Graham during which time he saw most of the United States much of Europe and some of Asia Advancing quickly he eventually danced as Graham s partner in Appalachian Spring Deaths and Entrances Every Soul Is a Circus and Errand into the Maze In his portrait of Martha Graham who was the center of his dancing world Hodes recounts conversations revelations bouts of temper and creativity the daily ritual of deeply physical dancing and the never ending search for artistic validity Direct often humorous and always authentic Hodes shares his delight in dance as both hard work and a fantastic adventure
