Morality Play Norton Paperback Fiction:

Morality Play Barry Unsworth, 2017-08-29 A New York Times Notable Book In medieval England a runaway scholar priest named Nicholas Barber has joined a traveling theater troupe as they make their way toward their liege lord's castle. In need of money they decide to perform at a village en route. When their traditional morality plays fail to garner them an audience they begin to stage the play of Thomas Wells, their own depiction of the real life drama unfolding within the village around the murder of a young boy. The villagers believe they have already identified the killer and the troupe believes their play will be a straightforward depiction of justice served. But soon the players soon learn that the details of the crime are elusive and the lines between performance and reality become blurred as they discover scene by scene line by line what really happened. Thought provoking and unforgettable *Morality Play* is at once a masterful work of historical fiction, a gripping murder mystery and a literary work of the first order.

Fictions of Home Martin Mühlheim, 2018-04-23 This study aims to counter right wing discourses of belonging. It discusses key theoretical concepts for the study of home focusing in particular on Marxist feminist postcolonial and psychoanalytic contributions. The book also maintains that postmodern celebrations of nomadism and exile tend to be incapable of providing an alternative to conservative xenophobic appropriations of home. In detailed readings of one film and six novels a view is developed according to which home as a spatio-temporal imaginary is rooted in our species being and as such constitutes the inevitable starting point for any progressive politics.

The Rage of the Vulture Barry Unsworth, 1995 In 1908 Englishman Robert Markham is appointed to the British legation in Turkey.

Mooncranker's Gift Barry Unsworth, 1996-06-17 In this edgy and masterfully written novel Booker Prize winning author Barry Unsworth explores the themes of the corruption of innocence and the complications of lust. Farnaby, a young Englishman in Istanbul researching a thesis on Ottoman fiscal policy, is nervous at his reunion with the celebrated Mooncranker who once so fatefully influenced and disturbed his life. Mooncranker, a famous intellectual, is now a pitiful alcoholic deserted by his secretary and lover Miranda, the woman Farnaby secretly loved with the violence of youth. Mooncranker sends him to find Miranda at a notorious Turkish spa on the grounds of an ancient city where sex is known to come along with the price of the room. There Farnaby tries to understand Mooncranker's gift to him as a boy of thirteen which has tainted his life ever since as he finds himself a pivotal figure in the eccentric destinies of the other residents of the spa.

Stone Virgin Barry Unsworth, 1995 As Simon Raikes restores a fifteenth century Venetian masterpiece he becomes obsessed with the sculpture, becoming involved in a crime as he reconstructs the past and is drawn into the mysteries of love, betrayal and violence.

Pascali's Island Barry Unsworth, 2025-04-25 A masterful tale of treachery and duplicity. Spellbinding New York Times. The year is 1908, the place a small Greek island in the declining days of the crumbling Ottoman Empire.
