Theology in Search of Foundations Randal Rauser, 2009-08-20 In the history of Western thought Christian theology was once considered to be the Queen of Sciences Today it has been marginalised by a prevailing scepticism Randal Rauser confronts the problem of developing a public voice for the theologian as engaged in true theological science while not compromising the commitment to the Christian community of faith This book posits a viable account of theological rationality justification and knowledge that avoids the twin pitfalls of modern rationalism and postmodern irrationalism Theology is freshly understood as a rigorous and rational truth seeking discipline that seeks theoretical understanding of divine reality Throughout the modern era the predominant epistemological position has been classical foundationalism a position now widely rejected by philosophers and theologians alike Philosophers recognize that it fails to achieve a plausible account of rationality justification or knowledge while theologians recognize the extent to which classical foundationalist strictures have distorted Christian doctrine In its place many philosophers and theologians alike have adopted a nonfoundationalist epistemology which is in turn often associated with a problematic alethic and metaphysical antirealism Engaging with the ideas of key thinkers from Descartes Locke and Kant to Bruce Marshall and Alvin Plantinga Rauser provides an accessible and provocative survey of the theological terrain of the modern and

postmodern era arguing in favour of a return to a moderate foundationalism **Boundless** Bryan Bishop,2015-06-09 In his many travels as a researcher for Youth With A Mission Bryan Bishop discovered a startling phenomenon hidden movements of Muslims Hindus and Buddhists who are experiencing and following Jesus outside the boundaries of traditional Western Christianity And they have plenty to teach Christians in the West who feel spiritually stagnant or disillusioned Through colorful firsthand accounts Bishop unveils fresh expressions of faith that can revitalize our own Those who have left or are feeling the pull to leave the church along with those who chafe against Christianity s European American cultural box will welcome this expansive view of what it looks like to follow Christ **God's an Artist and You're a Masterpiece** Lorraine Peterson,2004 The best selling author of If God Loves Me Why Can t I Get My Locker Open uses believe it or not facts of science and the life experiences of teens to paint the portrait of God s love forgiveness and purpose in our lives **The Mysterious Epigenome** Thomas Woodward,James P.
