Mormon Rivals The Romneys The Huntsmans And The Pursuit Of Power:

Mormon Rivals Matt Canham, Thomas Burr, 2015-05 Distant relatives whose ties extend back to the founding of the Mormon church Mitt Romney and Jon Huntsman Jr became political allies as governors Before that their fathers were chummy Mitt's sister and Jon's mom were college roommates So when Romney was preparing his first presidential run he assumed he had Huntsman in his corner He was wrong Their split in 2006 created a bitter rivalry that led to a contentious 2012 presidential showdown This book by Salt Lake Tribune reporters Matt Canham and Thomas Burr tells the story of these dynamic and dynastic families who have found themselves driven together by chance business politics and piety It starts with the rise of George Romney and Jon Huntsman Sr men who escaped poverty to become wealthy and influential Their sons responded to their powerful fathers in different ways but they ultimately ended up in the same places vying to run the 2002 Winter Olympics campaigning for governor and then for the White House While both Romney and Huntsman have fallen short of the ultimate political prize their successes on the national stage have become a turning point for the LDS Church which yearns for broader acceptance from the American people As their fathers expected much from them Romney and Huntsman expect much for their children and that means we may not have seen the last clash between the Mormon version of the Hatfields and the McCoys

The Mormon Quest for the Presidency Newell G. Bringhurst, Craig L.

Foster, 2011-09-01 Discusses eleven Mormons who ran for president including Joseph Smith George Romney Morris Mo Udall Orrin Hatch and Mitt Romney and Jon Huntsman Jr

Can Mitt Romney Serve Two Masters? Tricia Erickson, 2011 Mitt Romney is both a participant and victim of the Mormon Religion Mormonism is a well masked cult that enslaves the minds of those raised in it Did you know that Mitt Romney truly believes when he leaves this earth he will become a literal God equal to Jesus Christ and be awarded his own planet to Lord over Mitt will call his wife Ann onto his planet in order to have continuous celestial sex to populate it with spirit babies who will then pop down be reborn to earthly mothers in order to walk out their own eternal progression to Mormon Godhood This is not a joke How can we trust the judgment of someone who truly believes these things And it's important for you to know that Senator Romney MUST follow the false prophet of the Mormon Church first above all else and blindly obey him In addition Part 2 of this book reveals the astounding truth of Mitt Romney's liberal political record and why his background is better suited to the Democrat Party Romney will be a thorn in President Trump's side for the duration of his Presidency Mitt will do everything he can to destroy Trump from within while elevating himself at every turn all the while planning another future run for the OFFICE OF THE PRESIDENCY OF THE UNITED STATES OF AMERICA

Mitt Romney, Mormonism, and the 2012 Election L. Perry, 2014-08-07 This book seeks to address the question of how we should understand the impact of Mitt Romney's faith in the 2012 election As the first Mormon to earn a presidential nomination from a major party the book provides a comprehensive study of Romney's historic candidacy

A Different God? Craig L. Foster, 2008

Just Too Weird Webster Griffin Tarpley, 2012 Presidential

candidate Mitt Romney's Mormon tradition is revealed as no real religion but a cult invented by a charlatan a disguise for a subversive ideology opposing all that is best in the American tradition. The British recruited Mormon leaders into their 19th century plot to break up the US leading to the cult's strategic occupation of Utah territory. Mormonism has never abandoned its secrecy and its enmity to America. Mitt Romney is the hoped for figure who will fulfill Mormon prophecy and take over the United States. This book provides warning insights into a possible Romney presidency by exploring over 182 years of Latter-day Saints tradition. As Romney is a notorious liar and flip flopper it is useless to examine his political positions at any given moment. He attempts to pose as an ultra patriot but his family considered the barbaric Mormon practice of polygamy more important than loyalty to the United States. Romney spent years attempting to recruit for the cult in which black Americans were regarded as inferior. Although Romney demands an aggressive foreign policy nobody in his family ever served this country in uniform although at least one ancestor fought against the Union in the attempted 1857 Mormon secession of Utah. As president Romney would rely on and build up the Mormon Mafia in the intelligence community. He might try to carry out Mormon Prophet Joseph Smith's apocalyptic White Horse Prophecy which calls for a Mormon takeover of the United States followed by a campaign to conquer the world for their theocracy. Every voter needs to read this book.
