## **Mormonism A Latter Day Deception:**

**Mormonism** Martin Wishnatsky,2003      The Mormon Deception John Ankerberg,John Weldon,2012-01-11 The Mormon Deception examines the LDS claim to be the only true church of Jesus Christ on the earth It shows how Mormon teaching on salvation conflicts with biblical teaching It also explains why Mormonism does not believe in the biblical Jesus Christ It further documents that Joseph Smith was a false prophet something that Mormonism agrees would undermine the very foundation of Mormonism      *Deception by Design* Allen F. Harrod,2011-11-08 Deception by Design provides a comprehensive study of Mormonism exposes the surprising source of Joseph Smiths conversion story reveals the immense influence of others on Smiths beliefs equips evangelical Christians with principals for witnessing to Mormons Allen Harrod has written a wonderfully helpful and insightful book on Mormonism It is both original in its research as well as in its offering helpful conclusions and applications regarding the nature and history of the Church of Jesus Christ of Latter day Saints Dr R Philip Roberts president Midwestern Baptist Theological Seminary Deception by Design represents the best book I have seen in terms of explicating the beliefs and theology of Mormonism and at the same time providing superb approaches to presenting the claims of Christ to Mormons Dr Paige Patterson Southwestern Baptist Theological Seminary      **Convicting the Mormons** Janiece Johnson,2023-04-06 On September 11 1857 a small band of Mormons led by John D Lee massacred an emigrant train of men women and children heading west at Mountain Meadows Utah News of the Mountain Meadows Massacre as it became known sent shockwaves through the western frontier of the United States reaching the nation s capital and eventually crossing the Atlantic In the years prior to the massacre Americans dubbed the Church of Jesus Christ of Latter day Saints the Mormon problem as it garnered national attention for its unusual theocracy and practice of polygamy In the aftermath of the massacre many Americans viewed Mormonism as a real religious and physical threat to white civilization Putting the Mormon Church on trial for its crimes against American purity became more important than prosecuting those responsible for the slaughter Religious historian Janiece Johnson analyzes how sensational media attention used the story of the Mountain Meadows Massacre to enflame public sentiment and provoke legal action against Latter day Saints Ministers novelists entertainers cartoonists and federal officials followed suit spreading anti Mormon sentiment to collectively convict the Mormon religion itself This troubling episode in American religious history sheds important light on the role of media and popular culture in provoking religious intolerance that continues to resonate in the present      *The Mormon Mirage* Latayne C. Scott,2010-08-03 In the first edition of *The Mormon Mirage* Latayne C Scott shared her remarkable journey out of Mormonism as she uncovered shocking inaccuracies inconsistencies and contradictions in the faith she had loved and lived Thirty years later Mormonism and Mormon scholarship have evolved with the times In this third revised and updated edition of her well known book Scott keeps pace with changes and advances in Mormonism and reveals formidable new challenges to its claims and teachings *The Mormon Mirage* provides fascinating carefully documented

Bracht, 2010-07-11 Serious efforts to understand Mormonism in a non confrontational non polemical way are few and far between In this book the author John Bracht has drawn together a multitude of LDS sources in order to demonstrate differences between Mormonism and traditional Christian views on the nature of God and the Godhead **The Truth about Mormonism** Dennis Higley, Rauni Higley, 2012-04-01 The Berean Call is privileged to offer this revised and expanded edition of Dennis and Rauni Higley's concise but revealing investigation of their former faith the Church of Jesus Christ of Latter Day Saints Dennis was a sixth generation Mormon who became an Elder's Quorum president while still in his early twenties About a decade later he was ordained a High Priest and called to serve on the Stake High Council Rauni worked as a translator and language coordinator for the LDS Church for more than fourteen years and held teaching positions in both Sunday school and the Relief Society Her privileged position allowed her to study Mormon history from many books not generally available to LDS membership which eventually led her to share with her husband her growing concerns about discrepancies hidden by the Church Together they launched an intensive private study of the facts of Mormonism with guidance from God and His Word This ultimately led Dennis and Rauni out of the darkness and into the light Twelve chapters include Historical Beginnings Difficulties in the Book of Mormon Troubles in the Family Tree Archaeological Dilemmas

students and non academics alike can see the thoughts and beliefs of Americans who came before us [Good News for Latter-Day Saints \(Mormons\)](#) Robert James,2021-01-14 It is no exaggeration to say that the Mormons the Latter day Saints are a fascinating people Since 1830 they have been a part of the great mosaic of America Persecuted by mobs driven from place to place their incredible courage in the face of unrelenting hostility has wielded them into a formidable presence especially in the State of Utah Founded in New York State by the charismatic Joseph Smith Jr he said he was personally commissioned by God to restore pure Christianity to the world The Book of Mormon this most perfect book was his initial written binding revelation to his church Joseph Smith was a controversial figure in his day accused of being a fraud a racist a womanizer a disrupter of good morals and a dictator One thing he did do well was to gather people into his church make them believe in themselves and strengthen them into being a formidable force for Mormonism Smith led them through armed conflict against hostile neighbors even against government militias Gun battles and extreme violence were commonplace Eventually Joseph Smith was captured and assassinated all this by age forty Nobody was convicted of his murder Smith is perhaps the most understudied under estimated and misunderstood character in American history He was no ordinary man When his successor Brigham Young led the Latter day Saints to a place of sanctuary today s Salt Lake City Utah it was one of the most epic unifying journeys in American history In the past some of their unusual practices were total obedience to the leadership blood atonement and especially polygamy Some of these were discarded 1890 so today most Mormons are good neighbors However there are Mormon outlaws who still practice such unsavory things hoping to resume them all One goal of the early saints was to conquer Missouri next the entire country then the world Today the Mormon Church is one of the wealthiest and most powerful organizations on the planet Its influence and missionary outreach is worldwide As possibly the fastest growing faith in the world maybe someday they will succeed Then what will be next **The Mormons, Or Latter Day Saints, in the Valley of the Great Salt Lake: a History, Etc** J.
