Mormonism 101 Bill McKeever, Eric Johnson, 2015-04-14 Mormonism is one of the fastest growing religions in the world For those who have wondered in what specific ways Mormonism differs from the Christian faith Mormonism 101 provides definitive answers examining the major tenets of Mormon theology and comparing them with orthodox Christian beliefs Perfect for students of religion and anyone who wants to have answers when Mormons come calling Mormonism 101; the Mormon Church and Their Web of Deception Robert E. Bryant, 2004-12 Mormonism 101 is a true personal testimony of how Robert's life was turned upside down by being involved with a Mormon and the Mormon Church It is about the clever way the church portrays their beliefs leading one to think that they are really a Christian church Robert shares the information that they present to a potential convert He follows up each section with true information that he has learned through self study If he had known this information he would not have joined the church and would not have been deceived Six of the ten chapters in this book are in order with the six discussions that these DECEIVERS use to lure people into their religion He lays out exactly what was discussed to him and then follow up with things he have found out on his own that they will not talk about *Mormonism 101* Bill McKeever, Eric Johnson, 2000-05 Is Mormonism a Protestant denomination This handbook details Mormon belief and reveals how it diverges significantly from Christian orthodoxy

**Mormonism 101 for Teens**, 2016-05-01 Taking a look at the religion of The Church of Jesus Christ of Latter day Saints from an Evangelical Christian position Meant to simplify the religion that would allow those with little to no understanding to comprehend the basics

*Introducing Christianity to Mormons* Eric Johnson, 2022-09-13 Share Jesus with Your LDS Friends and Family One of our greatest challenges as Christians is sharing the truth with those who believe they've already found it When witnessing to current or former members of The Church of Jesus Christ of Latter day Saints it's essential that you can compassionately delineate biblical teachings from Mormon doctrine while tactfully advocating for Christ For every believer who prays for loved ones in the LDS Church or loved ones who gave up on religion after leaving Mormonism *Introducing Christianity to Mormons* is the guidebook you need to witness to them Inside you'll find real life conversations that give you helpful ideas for what to say in your discussions contrast points between Mormonism and Christianity that illuminate God's truth biblical apologetics that allow you to minister to former LDS members wounded by their experience with the Church Get ready to present the case for Christianity with confidence and grace This book will empower you to share your faith and give you the language to do so effectively with people in the Mormon community The Wide Divide D. Gonzales, 2018-01-09 Most people are not aware of the wide divide that exists between Mormonism and Christianity Members of the LDS Church are taught not to question the teachings of the church despite the leaders being instructed to manipulate the facts and hide the truth whenever it is deemed useful to do so *The Wide Divide* is a comprehensive and chronological study of Mormonism rendered in a holistic rather than a topical approach It covers the panorama of early Mormon history with a comprehensive

analysis of its doctrine The major premise of the book is Are Mormons Christian If you are a Mormon it is very critical that you answer this question correctly before you meet Jesus in eternity Please do so      **Sharing the Good News with**

Johnson,1983 The Church of Jesus Christ of Latter Day Saints currently boasts millions of members thousands of missionaries and congregations on every continent as well as in the vast majority of the world s countries It s clear that their influence is still growing in our communities places of business and in the political arena It s also clear that Christians need to be prepared to answer questions from Mormon friends neighbors co workers and from fellow believers as well In this updated and expanded edition of McKeever s popular and practical book authors Bill McKeever and Eric Johnson provide ready responses to the common questions Mormons ask With more than six decades of combined experience the authors tackle such tough questions as Why don t you accept Mormons as Christians Do you believe Mormonism is a cult If the LDS church is not true which church is How can you explain the many contradictions found throughout the Bible After offering analysis and responses to these and other questions McKeever and Johnson provide helpful appendices that summarize Mormon beliefs provide 101 Bible references to use in conversation and expose common logical fallacies Originally published in the 1980s this volume has been and will continue to be a classic resource to help Christians become more successful in sharing their faith with Mormons     The Palgrave Handbook of Global Mormonism R. Gordon Shepherd,A. Gary Shepherd,Ryan T. Cragun,2020-11-12 This handbook explores contemporary Mormonism within a global context The authors provide a nuanced picture of a historically American religion in the throes of the same kinds of global change that virtually every conservative faith tradition faces today They explain where and how the Church of Jesus Christ of Latter day Saints has penetrated national and cultural boundaries in Latin America Oceania Europe Asia and Africa as well as in North America beyond the borders of Mormon Utah They also address numerous concerns within a multinational multicultural church What does it mean to be a Latter day Saint in different world regions What is the faith s appeal to converts in these places What are the peculiar problems for members who must manage Mormon identities in conjunction with their different national cultural and ethnic identities How are leaders dealing with such issues as the status of women in a patriarchal church the treatment of LGBTQ members increasing disaffiliation of young people and decreasing growth rates in North and Latin America while sustaining increasing growth in parts of Asia and Africa     Cult Shock Mark Stengler,2017-07-04 Two Christian Bible scholars outline arguments anyone can use to counter and evangelize to Jehovah s Witnesses and Mormons when they come knocking Cult Shock is an easy to follow resource of Christian apologetics that teaches you how to defend your Christian faith against the claims of Jehovah s Witness and Mormon missionaries Mark Stengler Jr and Mark Stengler Sr a father and son team of Christian scholars explain the beliefs of these groups and demonstrate through scripture and logic how Biblical Christianity refutes their worldview Readers will gain confidence witnessing to these groups based on the Stengler s recommended engagement techniques from their years of experience Cult Shock provides all the tools you need to proclaim the real Jesus with fearless confidence     Talking Doctrine Richard J. Mouw,Robert L. Millet,2015-07-09 A group of Mormon and evangelical scholars undertook a remarkable journey over fifteen years to discuss differences and investigate possible

common ground in their beliefs With both candor and generosity these essays reflect the thoughtful respectful and nuanced engagements on some of the most controversial topics that have inflamed passions in the past

**Male Life Among the Mormons** Austin N. Ward, 1859 Mormonism William John Conybeare, 1863 Seeking the Promised Land David E. Campbell, John C. Green, J. Quin Monson, 2014-09-29

Mormons have long had an outsized presence in American culture and politics but they remain largely unknown to most Americans Recent years have seen the political prominence of Mormons taken to a new level including the presidential candidacy of Republican Mitt Romney the prominent involvement of Mormons in the campaign for California's Proposition 8 anti gay marriage and the ascendancy of Democrat Harry Reid to the position of Senate Majority Leader This book provides the most thorough examination ever written of Mormons place in the American political landscape what Mormons are like politically and how non Mormons respond to Mormon candidates However this is a book about more than Mormons As a religious subculture in a pluralistic society Mormons are a case study of how a religious group balances distinctiveness and assimilation a question faced by all faiths

A Foreign Kingdom Christine Talbot, 2013-12-30 The years from 1852 to 1890 marked a controversial period in Mormonism when the church's official embrace of polygamy put it at odds with wider American culture In this study Christine Talbot explores the controversial era discussing how plural marriage generated decades of cultural and political conflict over competing definitions of legitimate marriage family structure and American identity In particular Talbot examines the Mormon question with attention to how it constructed ideas about American citizenship around the presumed separation of the public and private spheres Contrary to the prevailing notion of man as political actor woman as domestic keeper and religious conscience as entirely private Mormons enfranchised women and framed religious practice as a political act The way Mormonism undermined the public private divide led white middle class Americans to respond by attacking not just Mormon sexual and marital norms but also Mormons very fitness as American citizens Poised at the intersection of the history of the American West Mormonism and nineteenth century culture and politics this carefully researched exploration considers the ways in which Mormons and anti Mormons both questioned and constructed ideas of the national body politic citizenship gender the family and American culture at large

**The Saints and the Union** Everette Beach Long, 1981 Long noted Civil War historian and long time research assistant to the late Bruce Catton reveals a neglected but fascinating chapter in American frontier Mormon Indian and Civil War history His lively portrayal of two volatile personalities Mormon leader Brigham Young and U S military commander General Patrick Connor depicts events which helped shape the opening up of the West While the Civil War raged in the East the Mormons in Utah zealously continued to guard their cultural identity and church practices from federal control At the same time however they lobbied hard for statehood but were continually thwarted by a series of inept or antagonistic federal authorities Drawing upon seldom used archival material from the Mormon Church Long's astute study depicts the earnest nature of this Mormon federal conflict by focusing upon the battle of wills and words between Young and

Connor Jacket flap      **Is Mormonism Now Christian?** Steven A. Crane, 2010-01-01 For years Mormonism has taught that all the creeds of Christianity were an abomination and all other churches were corrupt Pearl of Great Price Joseph Smith 1 19 Joseph Smith was told not to join with any of them but to help lead in what would be a restoration of the true church In the same way Christianity has never accepted Mormons among their ranks considering them teachers of a different gospel Galatians 1 6 But a new ecumenical spirit of openness might suggest that the doctrinal distance between these two groups is shrinking Are the two sides actually moving closer together Is there significant change within the ranks of Mormonism If so is the change widespread Does this new direction reflect the views of the leadership or is it simply the belief of a few Worse yet is it a deceptive media ploy on behalf of the Church of Jesus Christ of Latter day Saints LDS to appear to be something it is not This work is a fresh new look at the distinctives between Christianity and Mormonism in an attempt to answer the question Is Mormonism Now Christian      *The Oxford Handbook of Mormonism* Terryl Givens, Philip L. Barlow, 2015 For this handbook Terryl Givens and Philip Barlow two leading scholars of Mormonism have brought together other top people in the field to construct a collection of essays that offers a comprehensive overview of scholarship on Mormons
