*A Life Under False Pretenses*

The background of the cover features a faint, sepia-toned image of a large, ornate building with multiple spires, characteristic of a Mormon temple. In the foreground, two men are depicted from the chest up. The man on the left is wearing a dark suit and a white shirt with a dark bow tie. The man on the right is wearing a dark suit and a white shirt with a dark necktie. Both men are looking directly at the camera with neutral expressions.

Baker, 2010 The fundamental difference that sets the Mormon Church apart from all truly Christian churches is the sinister and self serving distortion of the very personality and character of the Lord Jesus Christ For Mormonism to be true Christ Himself must be corrupted into one who authorized horrible behaviour thus rendering the past Mormon Prophets completely blameless concerning the motivations for their unspeakable actions Within the formal teachings of the Mormon Church Jesus Christ Himself and not the Mormon Prophets is the author of polygamy polyandry and blood atonement Under His direction alone Joseph Smith Jr was commanded to take some thirty wives two as young as fourteen years of age Mormons are instructed that it was the Lord and no one else who required Joseph to take the wives of eleven other men as his own known

as polyandry as well as two sets of sisters and a mother and her daughter as his wives while at the same time attempting to become president of the United States of America Brigham Young as the living prophet of God taught through Divinely inspired revelation from the Lord Jesus Christ Himself the core values of blood atonement Reportedly under direction from the Lord Jesus Christ Himself Brigham instructed that some sins of this world require the neck of the sinner to be slit from ear to ear so that the sinner's blood could atone for certain violations of Mormon doctrine Mormons are taught that Brigham young also was commanded by the Lord to take fifty five wives including some previous wives of Joseph Smith Defense of these disgusting misrepresentations of the very nature and character of the Lord continues today within the walls of Mormon chapels and Mormon temples throughout the world This book examines real world examples of how these beliefs are covered up so that the church of Jesus Christ of Latter day Saints might better hide among true believers in the compassionate Savior of all mankind Christ Jesus He and His holy name have been disgracefully used so that self centered men might gain some measure of power prestige and perversion This book recounts the true life experiences of a Mormon Bishop who for thirty years was a High Priest Elders Quorum and a member of three High Counsels for the Church of Jesus Christ of Latter day Saints the Mormons He has participated in hundreds of Mormon Temple Endowments and witnessed firsthand the practices of ceremonial rituals in which the taking of human life was mimicked all in the name of Jesus Christ *Almost a Mormon* Adam Dommeyer, 2018-05-03 One family vacation to Utah back in 2002 changed Adams entire summer One Mormon girl in his 9th grade English class altered his path over the following year One book changed his outlook on faith One true church had him hooked Suddenly one unexpected dream from God transformed the course of his entire life Join Adam on his quest from Mormonism to the one true Faith Christianity and you'll soon realize your own story is about to unfold before your very eyes You're about to meet and encounter the One True God *The Youngest Bishop in England* Robert Bridgstock, 2014-01-01 Part memoir part analytical work this treatise details Robert Bridgstock's life as an active Mormon his struggles with his faith his submerging of such doubts for the sake of keeping peace with his devout family and his eventual departure from the Church due to the abuse he suffered After joining the Mormon Church at the age of 18 Bridgstock went on to become the youngest Mormon bishop in England and remained active in the Church for more than four decades serving it in many capacities and deeply studying Mormon scripture and history But after having and voicing doubts about Mormonism and because Church authorities and scripture never delivered satisfactory answers to his questions he left the Church and renounced the religion An enthralling read from a leading figure within the Church this account provides a unique day to day look into Mormon life **A Burnt Child** Jason Draper, 2021-11-10 Conspiring men have do and will continue to take advantage of each other because of our humanity and history shows the worst offenders are not those who claim to do us any harm but those who claim they are trying to do us good The solution is not to cancel our goodness The cure is not to have less of any of these good things The cure is to balance it with more knowledge and more truth Whatever

truth is given by our churches governments and the media can be measured by passing it through the fire If it survives we can accept it If it doesn't we can choose not to be burned again It doesn't deserve our humanity and can and ought to perish

**Sins of Christendom** Nathaniel Wiewora,2024-03-12 Evangelical criticism of the Church of Jesus Christ of Latter day Saints dates back to the earliest days of the Church Nathaniel Wiewora uses the diverse animus expressed by evangelicals to illuminate how they used an imaginary Church as a proxy to disagree attack compromise and settle differences among themselves As Wiewora shows the evangelical

practice to contrast itself with the emerging faith not only encompassed but also went beyond religious matters. If Joseph Smith was accused of muddling religious truth, he and his followers also faced accusations of immoral economic practices and a sinful regard for wealth that reflected worries within the evangelical world. Attacks on Latter-day Saints' emotional religious displays, the Book of Mormon's authenticity, and the dangerous ideas represented by Nauvoo paralleled similar conflicts. Wiewora traces how the failure to blunt the Church's success led evangelicals to change their own methods and pursue the religious education infrastructure that came to define parts of the movement.
