Mormons Are Bible Christians:

Is Mormonism Christian? Jacob O. Gurley, Ernest E. Dean, 2013 A familiar sight in America today is seeing two young men wearing ties white shirts with name tags and black pants pedaling their bicycles through towns and neighborhoods Most recognize the uniform of young Mormon missionaries on their two year mission seeking to promote and convert anyone willing to listen to their story What is becoming increasingly familiar is the rise of entertainment and political figures also identifying themselves as practicing Mormons What is difficult for many Americans is deciding whether the gospel the LDS Church has promoted over the past two centuries is the same gospel proclaimed by traditional Christian churches over the past two millennia Are they sincere Christians a non Christian cult or something else altogether This book seeks to provide an understanding of the history and basic beliefs of traditional Christianity and compare them to the history and beliefs of Mormonism

What Do Mormons Really Believe? John Ankerberg, John Weldon, 2002-01-01 Mormons say they are Christians but are their claims true Are the differences minimal Authors Ankerberg and Weldon go beyond the seeming similarities to look candidly at the Mormon teachings that are clearly incompatible with orthodox Christianity asking questions such as Was God ever a man Were Jesus and Lucifer brothers Is Scripture still being written Are we saved by what we do Are there levels of heavenly glory In clarifying the meanings of terms Mormons use and their views on the Bible Ankerberg and Weldon reveal the chasm between Mormonism and traditional Christianity This clear well written guide equips readers to use the truths of God s Word to defend the faith

Mormons and the Bible Philip L. Barlow, 2013-05-09 Philip L Barlow offers an in depth analysis of the approaches taken to the Bible by major Mormon leaders from its beginnings to the present He shows that Mormon attitudes toward the Bible comprise an extraordinary mix of conservative liberal and radical ingredients an almost fundamentalist adherence to the King James Version co exists with belief in the possibility of new revelation and surprising ideas about the limits of human language Barlow s exploration takes important steps toward unraveling the mystery of this quintessential American religious phenomenon This updated edition of *Mormons and the Bible* includes an extended bibliography and a new preface casting Joseph Smith s mission into a new frame and treating evolutions in Mormonism s biblical usage in recent decades

Are Christians Mormon? David L. Paulsen, Hal R. Boyd, 2017-05-08 In the past scholars and others have asked whether Mormons are Christian This work reverses the question by asking are Christians Mormon By identifying Mormon doctrines formerly considered heretical and documenting how these doctrines have gained increasing acceptance within mainstream Christian theologies the work presents some surprising insights In chapters focusing on subjects such as deification the divine feminine and the reopening of the scriptural canon among others the book sets out Joseph Smith s teachings on these ideas summarizes the criticisms of those positions and examines trends in contemporary Christian theology that significantly converge in Joseph s direction Exploring the convergence of contemporary Christian theology with Mormon doctrines this book will appeal to a broad range of students

and readers exploring Christian theology and the Latter day Saint tradition *Understanding the Book of Mormon* Ross J. Anderson, 2009 Former Mormon Anderson explores the Book of Mormon and offers a Christian response to its teaching

sides actually moving closer together Is there significant change within the ranks of Mormonism If so is the change widespread Does this new direction reflect the views of the leadership or is it simply the belief of a few Worse yet is it a deceptive media ploy on behalf of the Church of Jesus Christ of Latter day Saints LDS to appear to be something it is not This work is a fresh new look at the distinctives between Christianity and Mormonism in an attempt to answer the question Is Mormonism Now Christian *Introducing Christianity to Mormons* Eric Johnson,2022-09-13 Share Jesus with Your LDS Friends and Family One of our greatest challenges as Christians is sharing the truth with those who believe they ve already found it When witnessing to current or former members of The Church of Jesus Christ of Latter day Saints it s essential that you can compassionately delineate biblical teachings from Mormon doctrine while tactfully advocating for Christ For every believer who prays for loved ones in the LDS Church or loved ones who gave up on religion after leaving Mormonism *Introducing Christianity to Mormons* is the guidebook you need to witness to them Inside you ll find real life conversations that give you helpful ideas for what to say in your discussions contrast points between Mormonism and Christianity that illuminate God s truth biblical apologetics that allow you to minister to former LDS members wounded by their experience with the Church Get ready to present the case for Christianity with confidence and grace This book will empower you to share your faith and give you the language to do so effectively with people in the Mormon community **Mormons Answered Verse by Verse** John R. I Love Mormons David L. Rowe,2005-08-01 David L Rowe asserts that many Mormons view Christian witnessing as Bible bashing What Christians need to understand he suggests is that Latter day Saints are an entirely separate ethnic group with their own history values and customs Evangelizing Mormons can be so much more effective if Christians first

know understand and respect Mormon heritage With helpful illustrations and discussions of Mormon values and theology Rowe calls Christians away from confrontational evangelism and instead suggests active listening and respect as a way to bridge Christian beliefs and Mormon culture A glossary in the back of the book and discussion questions at the end of each chapter will help readers apply these concepts in their own witnessing experiences In the end Christians will be more approachable representatives of Christ
