Mosby's Raiders Return, 2013 *Mosby's Rangers* Jeffry D. Wert, 2015-05-26 No single battalion was more feared during the Civil War than the 43rd Battalion of Virginia Cavalry As one contemporary said They had all the glamour of Robin Hood all the courage and bravery of the ancient crusaders Better known as Mosby's Rangers they were an elite guerrilla unit that operated with stunning success in northern Virginia and Maryland from 1863 to the last days of the war In this vivid account of the famous command of John Singleton Mosby Jeffry D Wert explores the personality of this iron willed commander and brilliant tactician and gives us colorful profiles of the officers who served under him Drawing on contemporary documents including letters and diaries this is the most complete and vivid account to date of the fighting unit that was so hated by General Ulysses S Grant that he ordered any captured Ranger to be summarily executed without trial

Mosby's Rangers James J. Williamson, 1909 This book is about a soldier's life serving under Colonel Mosby from the first muster up to the surrender and disbandment **Partisan Life with Mosby's Rangers (Abridged, Annotated)** Major John Scott, John Singleton Mosby's Rangers bedeviled the Union army for four long years The Rangers were what we would today call guerillas units that could make fast raids and get away before the enemy could react This highly successful unit became legendary during the war and continues to be an object of fascination by scholars and enthusiasts of the period into the 21st century This is the official memoir of Mosby's command written with his cooperation after the war The author of this work John Scott wrote the Partisan Ranger Law in 1862 John Singleton Mosby was a remarkable individual Highly intelligent educated and modest he held the respect of many on both sides of the war After the Civil War he became a Republican and a supporter of Ulysses S Grant Every memoir of the American Civil War provides us with another view of the catastrophe that changed the country forever For the first time this long out of print volume is available as an affordable well formatted book for e readers and smartphones Be sure to LOOK INSIDE by clicking the cover above or download a sample *Mosby's*

The Unvanquished Patrick K. O'Donnell,2024-05-07 From the bestselling author of The Indispensables the unknown and dramatic story of irregular guerrilla warfare that altered the course of the Civil War and inspired the origins of America s modern special operations forces The Civil War is most remembered for the grand battles that have come to define

it Gettysburg Antietam Shiloh among others However as bestselling author Patrick K O Donnell reveals in *The Unvanquished* a vital shadow war raged amid and away from the major battlefields that was in many ways equally consequential to the conflict's outcome At the heart of this groundbreaking narrative is the epic story of Lincoln's special forces the Jessie Scouts told in its entirety for the first time In a contest fought between irregular units the Scouts hunted John Singleton Mosby's Confederate Rangers from the middle of 1863 up to war's end at Appomattox With both sides employing pioneering tradecraft they engaged in dozens of raids and spy missions often perilously wearing the other's uniform risking penalty of death if captured Clashing violently on horseback the unconventional units attacked critical supply lines often capturing or killing high value targets North and South deployed special operations that could have changed the war's direction in 1864 and crucially during the Appomattox Campaign Jessie Scouts led the Union Army to a final victory They later engaged in a history altering proxy war against France in Mexico earning seven Medals of Honor many Scouts mysteriously disappeared during that conflict taking their stories to their graves An expert on special operations O Donnell transports readers into the action immersing them in vivid battle scenes from previously unpublished firsthand accounts He introduces indelible characters such as Scout Archibald Rowand Scout leader Richard Blazer Mosby the master of guerrilla warfare and enslaved spy Thomas Laws O Donnell also brings to light the Confederate Secret Service's covert efforts to deliver the 1864 election to Peace Democrats through ballot fraud election interference and attempts to destabilize a population fatigued by a seemingly forever war Most audaciously the Secret Service and Mosby's Rangers planned to kidnap Abraham Lincoln in order to maintain the South's independence A little known chronicle of the shadow war between North and South rich in action and offering original perspective on history *The Unvanquished* is a dynamic and essential addition to the literature of the Civil War

The Divided Heart Evan Rhodes, 2003-03 The tumultuous epic of *The American Palace Series* continues in *The Divided Heart* a tale of the most cataclysmic time in American history a time when there were two White Houses in the nation In 1860 the nation is hopelessly divided over the issues of States Rights and Slavery and verges on Civil War Nowhere is that division more evident than in the hearts of Rebecca Brand and her family Rebecca a Southerner who believes fervently in the Union tries vainly to mediate the deadly battle between her sons Gunning and Bravo a battle that began decades before when Rebecca gave birth to Bravo her love child Gunning brutally handsome is involved in the Confederate Secret Service and engages John Wilkes Booth to kidnap Lincoln thus hoping to negotiate an end to the Civil War Bravo the inventor is an advisor to President Lincoln As always the Brands will be opposed by their mortal enemies the Connaughts Veronique Sean Carleton and the blazingly beautiful but mad Romance Connaught Gunning's mistress Rebecca's grandchildren Forrest Geary Sharon and especially Becky traumatized and raped years before will find their fate and salvation in the horror of war as will Rebecca Praise for previous books of the *American Palace Series* Bless This House A captivating novel that creatively meshes fact and fiction Publishers Weekly Valiant Hearts Superbly researched as informative as it is entertaining
