Dale Roach, 2015-08-28 Exhaustion and burnout are nothing new It is not uncommon to hear of someone simply throwing in the towel and walking away from what looked like a good situation Why does this happen The answer to this question can be found in the advice that Jethro gave to Moses Regardless of our role and responsibility as a leader team member and church member the Creator never intended for any person to carry the load of life work or responsibilities by him or herself Jethro knew this One of the most interesting bits of advice that Jethro gave to Moses was when he told Moses If you continue to do this you will surely wear yourself and these people out Exodus 18 18 A major call of any good leader is to seek out the talents of those they are leading This search for

talent was the advice of Jethro to Moses When we seek out the skills of other people it will not always be easy It will call us to take the time to find those who have untapped abilities and put them to work It will encourage us to pace ourselves as leaders and not become frustrated when it takes a little more time to find help Here is the key principle of The Jethro Ministry You cannot do it by yourself **Old Testament Activity Bible** Faith Kids,2000-05 These two books are packed with brain teasing puzzles quizzes and other fun exercises that make learning about the Bible engaging exciting and entertaining *Teaching Torah* Sorel Goldberg Loeb,1997 A teacher s bible for teaching the Five Books of Moses This invaluable guide for preparing to teach or study the weekly Torah portion provides a precise synopsis of each of the 54 parashiyot as well as overviews of commentaries and sources capsule biographies of Torah interpreters and provocative questions Over 1 000 unusual strategies help readers analyze extend and personalize the text A bibliography and a thematic index make this an especially useful resource for Bar Bat Mitzvah preparation sermon D var Torah ideas and Havurah discussions **God's Great Book** Judy Kampia,2007-11-02 GOD S GREAT BOOK uses classic biblical stories questions and activities to relate its 282 Bible lessons including Epistles to children It is adaptable for ages 3 13 and flexible for use in the classroom home school retreats VBS and other group settings or may be read alone by a middle school child How to Become a Creative Church Leader John Nelson,2008-02-28 A companion to the popular Creative Church Leadership this co publication with MODEM focuses on the practical skills necessary for dynamic leadership in the local church A wide range of experienced church leaders and management gurus reflect on key components of successful contemporary church leadership including part one which discusses people leading a team choosing and mentoring assistants leading lay ministers and volunteers how to delegate how to resolve conflict part two which describes organisation leading churches of different sizes leading multiple congregations relating to the local community initiating and completing projects how to chair meetings and part three which discusses up close and personal what kind of a leader are you getting your work life balance right thinking strategically preaching with a purpose and much more Founding God's Nation Leon R Kass,2021-01-05 In this long awaited follow up to his 2003 book on Genesis humanist scholar Leon Kass explores how Exodus raises and then answers the central political questions of what defines a nation and how a nation should govern itself Considered by some the most important book in the Hebrew Bible Exodus tells the story of the Jewish people from their enslavement in Egypt through their liberation under Moses s leadership to their covenantal founding at Sinai and the building of the Tabernacle In Kass s analysis these events begin the slow process of learning how to stop thinking like slaves and become an independent people The Israelites ultimately found their nation on three elements a shared narrative that instills empathy for the poor and the suffering the uplifting rule of a moral law and devotion to a higher common purpose These elements Kass argues remain the essential principles for any freedom loving nation today Journeying Life with God/living God's Love 4 Tm' 2002 Ed. , **Congressional Record** United States.
