Partridge Peartree Patricia Kiyono:

The Partridge and the Peartree Patricia Kiyono, 2015-11-30 Phillip Peartree Duke of Bartlett dreamed of a peaceful life with a suitable mate until a hunting accident left him scarred and nearly deaf Resigned to spending the rest of his days alone Phillip has devoted himself to rebuilding his family estate But a chance encounter with a lovely young woman in a dusty bookstore rekindles his almost forgotten hopes and dreams Lady Amelia Partridge has no time for the frivolity of the London social scene In addition to her work with the Ladies Literary Society she has a mission educating poor children in the city She also has a secret life one she fears might drive away the young duke who has become increasingly important to her

Christmas Wishes Patricia Kiyono, 2014-02-28 Photographer Mitch Carson is tired of big city life He just wants to settle down in a quiet town with his daughter Angie Even that doesn't quell his fear of losing his daughter to his scheming mother in law Sophie Gardner wants to be a screenwriter She's ready to leave small town Zutphen Michigan and go to Hollywood With a theater degree under her belt she's busy writing scripts while helping out her sister Joanie who's bedridden with a difficult pregnancy Unfortunately Joanie has somehow coerced Sophie into directing the Christmas pageant at Zutphen Community Church When Sophie and Mitch meet the attraction is instant and mutual But each wants what the other is trying to get away from Can they deny their feelings and pursue their dreams Or will the holiday prove to them that their true wishes might not be what they'd thought
