Power Broking In The Shade: Party Finances And Money Politics In Southeast Asia Wolfgang Sachsenroeder, 2018-06-04 The book offers a broad survey of political parties financing strategies in Southeast Asia Contemporary Southeast Asia Political activities the running of party organisations branches and headquarters and especially election campaigns are becoming increasingly costly and no party can survive without money Political power provides access to funding from public and private sources Political parties have become more and more like businesses including the temptation to maximise the income and the war chests thus opening the doors for vested interests and influence peddling As a result money politics is pervasive and the public is becoming increasingly critical of it Trust in political parties politicians governments and key state institutions has fallen to unprecedented levels In most countries in the

region general and political corruption graft and influence peddling are all too visible for the voters while good governance remains an ideal too often out of reach This book **Power Broking in the Shade Party Finances and Money Politics in Southeast Asia** provides an overview of the strategies for financial survival of the parties in the region and the importance of stable cash flows for their political success The book fills the void of a comparative approach towards party financing that covers the whole of ASEAN and offers accessible facts and understandable analysis for anyone interested in the politics of Southeast Asia

Encyclopedia of Asian Politics Alexander C. Tan,Dennis Quilala,2023-12-11 This state of the art Encyclopedia provides a detailed snapshot study of politics in Asia Curated by two internationally recognized scholars entries offer key insights and critical reference points in order to navigate the vastness diversity and dynamism of Asian politics

Party Politics in Southeast Asia Dirk Tomsa,Andreas Ufen,2013 Contributing to the growing discourse on political parties in Asia this book looks at parties in Southeast Asia s most competitive electoral democracies of Indonesia Thailand and the Philippines It highlights the diverse dynamics of party politics in the region and provides new insights into organizational structures mobilizational strategies and the multiple dimensions of linkages between political parties and their voters The book focuses on the prominence of clientelistic practices and strategies both within parties as well as between parties and their voters It demonstrates that clientelism is extremely versatile and can take many forms ranging from traditional personalized relationships between a patron and a client to the modern reincarnations of broker driven network clientelism that is often based on more anonymous relations The book also discusses how contemporary political parties often combine clientelistic practices with more formal patterns of organization and communication thus raising questions about neat analytical dichotomies Straddling the intersection between political science and area studies this book is of interest to students and scholars of contemporary Southeast Asian politics and political scientists and Asian Studies specialists with a broader research interest in comparative democratization studies

Women of Asia Mehrangiz Najafizadeh,Linda Lindsey,2018-07-11 With thirty two original chapters reflecting cutting edge content throughout developed and developing Asia **Women of Asia** Globalization Development and Gender Equity is a comprehensive anthology that contributes significantly to understanding globalization s transformative process and the resulting detrimental and beneficial consequences for women in the four major geographic regions of Asia East Asia Southeast Asia South Asia and Eurasia Central Asia as it gives voice to women and provides innovative ways through which salient understudied issues pertaining to Asian women s situation are brought to the forefront

Political Corruption and Organizational Crime Elizangela Valarini,Markus Pohlmann,Subrata Mitra,2021-10-01 Level of compliance one of the most important prerequisites of good governance varies widely across countries of the Global North and the less developed Global South Acts of non compliance such as electoral irregularities dubious deals between private and public sectors questionable role of the justice systems and financial scandals though they vary greatly across countries are an omnipresent reality of contemporary life This volume has

brought together a number of case studies of such deviant behavior in political juridical and corporate fields from several countries of Asia Europe and South America within a common framework Instead of a moral approach based exclusively on the legality and illegality of the act the authors of these essays dissect non compliance analytically taking culture and context into account They argue that while criminal and corrupt dealings deserve to be exposed by all means from an ethical point of view seen from an interdisciplinary angle one needs to probe deeper into the dynamic that leads to such non compliance with the law in the first place

Election Campaigning in East and Southeast Asia Christian Schafferer,2017-05-15 At the end of the last century political marketing appeared to have become a global phenomenon with an increasing number of electoral campaigns resembling those of the United States Comparative research has shown the existence of a so called Americanization of election campaign practices This book examines the nature of electoral campaigns in East and Southeast Asia Based on the analyses of developments in Japan Taiwan South Korea Malaysia and the Philippines it examines whether there is an Asian style of election campaigning Contributing to the fields of media studies and comparative politics the book offers an insight into the various changes in election campaigning that occurred in the East and Southeast Asia during the process of democratization and modernization It sheds new light on the causes and consequences of the worldwide proliferation of US election campaigning and provides the academic world with previously unpublished material on the electoral strategies of Asian political parties

Die politischen Systeme Südostasiens Aurel Croissant,2015-08-14 Aufgrund ihrer wachsenden wirtschaftlichen Bedeutung als Ort dramatischer Demokratisierungsprozesse und als Schauplatz im Kampf gegen den Terror ist das Interesse an Südostasien in den vergangenen Jahren stetig gewachsen Dieses Buch bietet eine Einführung in die vergleichende Analyse der politischen Systeme in der Region Die analytische Perspektive ist auf die politischen Strukturen Akteure und Prozesse in den elf Staaten gerichtet Es werden sowohl Demokratien als auch Autokratien untersucht Die Analyse der aktuellen Strukturen und Entwicklungen ist eingebettet in eine historisch informierte Betrachtung und Darstellung der wirtschaftlichen kulturellen sozialen und internationalen Rahmenbedingungen nationaler Politik Das Buch bietet Einzelfall und Vergleichsuntersuchungen greift den Forschungsstand auf und bietet eigenständige empirische Analysen Als gemeinsamer Fluchtpunkt der Ländereanalysen dient die Frage nach den Ursachen und Perspektiven demokratischer Transformation und autokratischer Persistenz in der Region Damit können große Teile dieses Buches auch als Beitrag zur vergleichenden Systemlehre gelesen werden

Sociology of Education with an Islamic Perspective Azam bin Othman,2021

Funding of Political Parties and Election Campaigns ,2014-04-01 All political parties need funding to play their part in the political process yet the role of money in politics is arguably the biggest threat to democracy today This global threat knows no boundaries and is evident across all continents from huge corporate campaign donations in

the United States and drug money seeping into politics in Latin America to corruption scandals throughout Asia and Europe Attempts to tackle these challenges through political finance laws and regulations are often undermined by a lack of political will or capacity as well as poorly designed and enforced measures This Handbook addresses the problems of money in politics by analysing political finance regulations around the world and providing guidance for reform The chapters are divided by region each assesses the current state of regulations in relation to its challenges and offers a series of recommendations to tackle the identified shortcomings This contextual approach has the benefit of revealing regional trends and patterns An additional chapter focuses on gender reflecting the reality that women remain grossly under represented in politics and how the increasing influence of money in politics perpetuates this inequality *The Political Economy of Capital Market Reforms in Southeast Asia* X. Zhang,2011-09-13 In this book Xiaoke Zhang addresses two fundamental political and policy questions why do politicians have heterogeneous incentives to pursue public regarding policies through capital market reforms and why do they differ in their abilities to initiate and implement market reform policies decisively and resolutely

Gangsters, Democracy, and the State in Southeast Asia Carl A. Trocki,2018-05-31 An essay collection that studies workaday regional politics in Southeast Asia and its implications for evolving democracies The contributors examine the electoral process conflicts between central and local governments conflicts between individual freedoms and state power and the roles charismatic opportunistic strongmen have played in Southeast Asian politics most notably in Thailand Burma and the Philippines

Pathways for Irregular Forces in Southeast Asia Atsushi Yasutomi,Rosalie Arcala Hall,Saya Kiba,2022-03-30 An exploration of the roles that pro and anti government militias private armed groups vigilantes and gangs play in local communities in the new democracies of Southeast Asia Scholars have typically characterized irregular forces as spoilers and infiltrators in post conflict peacebuilding processes The contributors to this book challenge this conventional understanding of irregular forces in Southeast Asia demonstrating that they often attract solid support from civilians and can be major contributors to the building of local security a process by which local residents in the absence of an effective police force develop partner or are at least included in the management of community crimes and other violence They analyze irregular forces dealings with political actors at the community level explaining why and how forces are incorporated in and collaborate with legitimate institutions without using violence against them Offering a new approach to dealing with irregular forces in Southeast Asia contributors explore new theoretical frameworks that are better suited for evaluating irregular forces relationship to different security providers and the political environments in the region Specifically they examine case studies from Indonesia Timor Leste the Philippines and Thailand A valuable resource for researchers students and practitioners in the areas of conflict resolution peacebuilding and security governance especially those with a focus on Southeast Asia This book will also be of great interest to scholars of the sociology and anthropology of the region

Building a Prosperous Southeast Asia Kunio Yoshihara,2013-01-11 Professor Yoshihara an international expert on the

Southeast Asian economies looks beyond the causes of the current crisis to discuss what can be done to build a dynamic economy in Asia to ensure prosperity for the future He takes the viewpoint that the only way to achieve this is to promote integration into the global economy through free trade and free capital movement He puts forward a convincing argument that government intervention is not the way forward and has in fact helped cause the present crisis But a prosperous future is possible he argues by renovating institutions and adapting new attitudes A most timely book with lessons for other parts of the world as well as for Southeast Asia *Political Finance Reforms* Yukihiro Hamada, Khushbu Agrawal, 2021-02-04 Money is a necessary component of any democracy it enables political participation campaigning and representation However if it is not effectively regulated it can undermine the integrity of political processes and institutions and jeopardize the quality of democracy Therefore regulations related to the funding of political parties and election campaigns commonly known as political finance are a critical way to promote integrity transparency and accountability in any democracy Political finance regulations must adapt and adjust to political economic and societal changes This report contributes to the discussion of the future of political finance by exploring the following trends opportunities and challenges related to money in politics that need to be taken into consideration when improving political finance systems mainstreaming political finance regulations into an overall anti corruption framework supporting the implementation of existing political finance regulations and monitoring their performance harnessing digital technologies to ensure transparency and accountability in political finance and designing targeted political finance measures to encourage the inclusion of underrepresented groups in politics

China's New Governing Party Paradigm Timothy R. Heath, 2016-05-23

For the first time since its founding in 1921 the Chinese Communist Party CCP has adopted a new paradigm for its role in China Abandoning its former identity as a revolutionary party the CCP now regards itself as a governing party committed to meeting the diverse needs of its people and realizing China's revitalization as a great power To enhance its ability to realize these aims the CCP has enacted extensive political and ideological reforms Central to that effort are changes to how the party develops and oversees strategy and policy Few studies are available on the CCP's adoption of this new identity and of its political implications This book remedies that oversight by explaining the historic context drivers and meaning of the governing party paradigm It explains how adoption of this paradigm is transforming the processes through which the CCP develops strategy and policy Furthermore it differs from many other books in that it is the first to derive its analysis primarily from the study of authoritative Chinese sources The book also provides an extensive array of helpful references including chronologies lists of major strategy documents a glossary and more Accurately understanding the CCP's new role as a governing party requires a firm grasp of how China's leadership formulates documents and implements strategies and policies to improve its governance and further the nation's rejuvenation This book provides such valuable information in one handy volume
