Party Politics in European Microstates Fernando Casal Bértoa, Patrick Dumont, 2022-11-30 This book represents the first comprehensive study of the evolution of parties and party systems in all nine democratic European states with less than one million inhabitants As small political units have for long been considered to be most conducive to stable democracy this volume analyses the actual role of political parties and partisan competition in the operation of modern democracy in those European microstates Drawing on the crucial contribution of leading country experts in the field it provides rich systematic contextualized knowledge on these lesser known cases It further contributes to the mainstreaming of small state research in social science studies by comparing the experience of party politics in European microstates with that of larger countries in the same region of the world This volume will be of key interest to scholars and students of party systems and political parties elections and democracy small states European politics and more broadly of comparative politics

Life after Dictatorship James Loxton, Scott Mainwaring, 2018-09-13 Life after Dictatorship launches a new research agenda on authoritarian successor parties worldwide Authoritarian successor parties are parties that emerge from authoritarian regimes but that operate after a transition to democracy They are one of the most common but overlooked features of the global democratic landscape They are major actors in Africa Asia Europe and Latin America and they have been voted back into office in over one half of all third wave democracies This book presents a new set of terms definitions and research questions designed to travel across regions and

presents new data on these parties prevalence and frequent return to power With chapters from leading Africanists Asianists Europeanists and Latin Americanists it asks why are authoritarian successor parties so common Why are some more successful than others And in what ways can they harm or help democracy *The Presidentialisation of Political Parties in the Western Balkans* Gianluca Passarelli, 2018-08-24 This book examines the process of presidentialisation of political parties in the Western Balkans The Western Balkan countries deserve to be analysed in a comparative perspective due to their distinctive features in terms of processes of democratization forms of government and institutional assets the presence of social cleavages religious linguistic ethnic and of course the nature of political parties which differs from other European cases especially in terms of origins organization and structure However Western Balkan political parties do show certain similarities with other West European cases where power is centralised and held by the parties leadership The book ultimately attempts to test whether and to what extent the influence of institutional variables affects the level of presidentialisation of political parties also considering the parties organization features

Young People Shaping Democratic Politics Ian Rivers, C. Laura Lovin, 2023-05-12 At a time when political mobilisation is a symptom of social dissatisfaction young people's participation in political decision making practice and ideological change make foregrounding and investigating their political practices a necessity The title of this book *Young People Shaping Democratic Politics* Interrogating Inclusion Mobilising Education clearly announces its intention subject and mission This collection has been inspired by topical youth mobilisations that aim to address injustices and inequalities which are rooted in poverty austerity violence increased surveillance climate change dislocation xenophobia the rise of authoritarian regimes and a global turn to the political right Whereas young people are politicised in moments of conflict and become symbolic conduits for the future of their nation they represent a category most often relegated to the apolitical sphere before and after such moments of crisis This edited collection seeks to expand our engagement with inclusion beyond educational institutions by situating young people at the centre of our inquiry as agents of political processes that promote problematise and re imagine inclusive societies The chapters engage in contemporary case studies which are mapped across a wide range of countries from Europe Serbia Spain and United Kingdom North Africa Egypt South Africa North America United States South Asia Bangladesh and West Asia Lebanon *Political Elites and Decentralization Reforms in the Post-Socialist Balkans* Alexander

Kleibrink, 2015-08-11 Across the globe more powers are being devolved to local and regional levels of government This book provides an innovative analysis of such decentralisation in transition states in the Balkans Using new and rich data it shows how political elites use decentralisation strategically to ensure their access to state resources **Populism and Key Concepts in Social and Political Theory**, 2023-07-31 This volume aims to generate a dialogue between scholarship on populism and social and political theory It focuses on citizenship class gender cleavages sovereignty accountability participation leadership and parties The volume explores how classical and current theorists developed these categories how

they were used by scholars of populism and what populism tells us about their heuristic advantages and limitations The authors of this book have studied populism in Europe the US and Latin America from distinct perspectives The chapters thus focus on experiences in both the Global North and South Contributors are Cecilia Biancalana Paula Diehl Reinhard Heinisch Klaudia Koxha Alfio Mastropaolo Oscar Mazzoleni Enrique Peruzzotti Kenneth M Roberts Luis Roniger and Carlos de la Torre Populism and Key Concepts in Social and Political Theory is now available in paperback for individual customers
