Passionate Uprisings Pardis Mahdavi, 2019-10-08 There is perhaps no place in the world today where the stakes of partying and having sex are higher than in present day Iran Drinking and dancing can lead to arrest by the morality police and a punishment of up to 70 lashes Consequences for sex outside of marriage can be even more severe up to 84 lashes or even public execution But even under the threat of such harsh punishment a sexual revolution is taking place Iranian youth continually risk personal safety to meet friends date and ultimately to have sex In the absence of any option for overt political dissent young people have become part of a self proclaimed revolution in which they are using their bodies to make social and political statements Sex has become both a source of freedom and an act of political rebellion With unprecedented access inside turn of the century Iran Pardis Mahdavi offers a firsthand look at the daily lives of Iranian youth They are given a voice as she tells the stories of their intertwined quests for sexual freedom political reform and a better future but not a future without risk The sexual revolution is also leading to increased levels of abortion HIV AIDS sexually transmitted diseases and ongoing emotional troubles and mental illnesses with worrying implications for Iranian youth and Iranian society at large **Passionate Uprisings** is a fascinating ground breaking and personal look into a society that is poorly understood if it is understood at all by the majority of Westerners today Mahdavi's narrative provides not only an invaluable insight into the real lives of much of Iran's population but shows how sexual politics and the youth culture could even destabilize the current regime and change the course of Iranian politics

Hyphen Pardis Mahdavi, 2021-06-03 **Object Lessons** is a series of short beautifully designed books about the hidden lives of ordinary things To hyphenate or not to hyphenate has been a central point of controversy since before the imprinting of the first Gutenberg Bible And yet the hyphen has persisted bringing and bridging new words and concepts **Hyphen** follows the story of the hyphen from antiquity **Hyphen** is derived from an ancient Greek word meaning to tie together to the present but also uncovers the politics of the hyphen and the role it plays in creating identities The journey of this humble piece of connective punctuation reveals the quiet power of an orthographic concept to speak to the travails of hyphenated individuals all over the world **Hyphen** is ultimately a compelling story about the powerful ways that language and identity intertwine Mahdavi herself a hyphenated Iranian American weaves in her own experiences struggling to find a sense of self amidst feelings of betwixt and between Through stories of the author and three other individuals **Hyphen** collectively considers how to navigate articulate and empower new identities **Object Lessons** is published in partnership with an essay series in *The Atlantic*

Sexual Politics in Modern Iran Janet Afary, 2009-04-09 Janet Afary is a native of Iran and a leading historian Her work focuses on gender and sexuality and draws on her experience of growing up in Iran and her involvement with Iranian women of different ages and social strata These observations and a wealth of historical documents form the kernel of this book which charts the history of the nation's sexual revolution from the nineteenth century to today

What comes across is the extraordinary resilience of the Iranian people who have drawn on a rich social and cultural heritage to defy the repression and hardship of the Islamist state and its predecessors. It is this resilience the author concludes which forms the basis of a sexual revolution taking place in Iran today, one that is promoting reforms in marriage and family laws and demanding more egalitarian gender and sexual relations.
