Passionate Uprisings Pardis Mahdavi, 2019-10-08 There is perhaps no place in the world today where the stakes of partying and having sex are higher than in present day Iran Drinking and dancing can lead to arrest by the morality police and a punishment of up to 70 lashes Consequences for sex outside of marriage can be even more severe up to 84 lashes or even public execution But even under the threat of such harsh punishment a sexual revolution is taking place Iranian youth continually risk personal safety to meet friends date and ultimately to have sex In the absence of any option for overt political dissent young people have become part of a self proclaimed revolution in which they are using their bodies to make social and political statements Sex has become both a source of freedom and an act of political rebellion With unprecedented access inside turn of the century Iran Pardis Mahdavi offers a firsthand look at the daily lives of Iranian youth They are given a voice as she tells the stories of their intertwined quests for sexual freedom political reform and a better future but not a future without risk The sexual revolution is also leading to increased levels of abortion HIV AIDS sexually transmitted diseases and ongoing emotional troubles and mental illnesses with worrying implications for Iranian youth and Iranian society at large **Passionate Uprisings** is a fascinating ground breaking and personal look into a society that is poorly understood if it is understood at all by the majority of Westerners today Mahdavi s narrative provides not only an invaluable insight into the real lives of much of Iran s population but shows how sexual politics and the youth culture could even destabilize the current regime and change the course of Iranian politics **Passionate Uprisings** Pardis Mahdavi, 2006

Sexual Politics in Modern Iran Janet Afary, 2009-04-09 Janet Afary is a native of Iran and a leading historian Her work focuses on gender and sexuality and draws on her experience of growing up in Iran and her involvement with Iranian women of different ages and social strata These observations and a wealth of historical documents form the kernel of this book which charts the history of the nation s sexual revolution from the nineteenth century to today What comes across is the extraordinary resilience of the Iranian people who have drawn on a rich social and cultural heritage to defy the repression and hardship of the Islamist state and its predecessors It is this resilience the author concludes which forms the basis of a sexual revolution taking place in Iran today one that is promoting reforms in marriage and family laws and demanding more egalitarian gender and sexual relations Women and Revolution in Iran Guity Nashat, 1983
