Plays from Romania: Dramaturgies of Subversion Mihaela Panainte, Matéi Visniec, György Dragomán, András Visky, Giuvlipen Theatre Company, 2021-09-23 Plays from Romania Dramaturgies of Subversion reflects the diversity of dramatic writing exploring the past and present of Romania and takes stock thirty years after the collapse of communism In addition to plays originally written in Romanian the collection includes work by German Hungarian and Roma authors born and or working in Romania and brings together plays written during the communist period and its aftermath The plays included in the collection edited and translated by Jozefina Komporal and fully published for the first time in English demonstrate broad variety in terms of form and content ranging from family dramas to allegories and absurdist experiments to modular texts rooted in open dramaturgy and are the work of both individual playwrights and the results of collective creation These works

share a preoccupation with critically reflecting urgent concerns rooted in Romanian realities and are notable dramaturgical experiments that push the boundaries of the genre In addition these plays also seek novel ways to examine universal experiences of the human condition such as love loss abuse betrayal grief violence manipulation and despair This unique anthology celebrates the renewed vitality and variety of writing for the stage after 1990 and endeavours to place Romanian theatre in a forward looking transnational context

Lowlands Niederungen by Herta Müller adapted for the stage by Mihaela Panainte German This stage adaptation is based on a volume of short stories by Herta Müller written in German in 1982 and focuses on the perspective of a child narrator by way of a series of episodes that centre on mundane aspects of daily life in a remote village against the backdrop of the oppressive atmosphere of mid twentieth century Romania

The Spectator Sentenced to Death Spectatorul condamnat la moarte by Marius Visniec Romanian This play is a bitter parody of the Stalinist justice system which totally disregards the fundamental question whether the accused is actually guilty or not

The Passport Kalucsni by György Dragomir Hungarian This play is set pre 1989 in a typical small town in the Transylvanian province of Romania in which the lives of the various social classes and the fate of the persecuted and that of those who persecute are closely intertwined

The Man Who Had His Inner Evil Removed Omul din care a fost extras răul by Marius Visniec Romanian This topical play is a sharp reflection on the voluntary servitude in which we place ourselves often unawares in conditions of our contemporary consumer culture and a fierce critique of increasingly dominant tendencies to abandon moral criteria in political life

Stories of the Body Artemisia Eva Lina Teresa A test t rt netei by András Visky Hungarian The cycle *Stories of the Body* comprises four plays based on real life stories as experienced by remarkable women including Mother Teresa and Italian Renaissance painter Artemisia Gentileschi and are connected to various cities including Budapest Cluj Kolozsvár Kolkata and Rome from the 17th to the 21st century

Sexodrom by Giuvlipen Theatre Company Mihaela Dragan Antonella Lerca Duda Nicoleta Ghita Zita Moldovan Bety Pisica Oana Rusu Raj Alexandru Udrea based on a concept by Bogdan Georgescu Roma This is a work of collective creation by members of the Roma Theatre company Giuvlipen aiming to bring to public attention taboo subjects to enhance the visibility of Roma performers and to experiment with new forms of theatre making in a Romanian context

delighted with their purchase Our staff has thoroughly reviewed every page of all the books in the collection repairing or if necessary rejecting titles that are not of the highest quality This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original and to the maximum degree possible gives them the experience of owning the original work We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers Generally Trieste books are purchased singly on demand however they may also be purchased in bulk Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates The American Passport United States. Congress. House. Committee on Un-American Activities, 1959 The Passport Juanita Bynum, 2017-10-17 **The Passport Book** Philipp Hontschik, 2017 For frequent flyers and armchair travelers alike this pocket sized guide to the passports of the world is as informative as it is fun to peruse This highly entertaining fact filled book reproduces the passport covers of every single

country that issues its own travel document It clearly illustrates how varied passports can be despite the guidelines established by the International Civil Aviation Organization Arranged by continent each country s entry includes a full color reproduction of its passport cover as well as brief information including its location on the world map flag population population density political status GDP and per capita income official languages and visa index In an increasingly globalized world in which a passport has become one of the most important credentials we possess this compendium conveys the symbolic power of these documents and the fascinating stories behind their designs and development *The Passport* Martin Lloyd,2005-01-01 The passport is one of the most widespread documents in worldwide use and yet paradoxically it has no basis in law one state cannot demand another to do something give access simply by issuing a document Yet by insisting on the requirement of holding a passport the state has provided itself with a neat self financing data collection and surveillance system This well illustrated book tells for the first time the story of the passport from earliest times to the present day only do so with the authority of the king or emperor The passport s power to facilitate passage was then embodied in it from the beginning But the passport is also connected with territorial and population control by the State Today the machine readable passport enables swift checks against lists of names enabling customs control to sift out undesirables and the question of identity cards used throughout continental Europe is again an issue in British politics and revealing the mechanism of the passport system including the secrets of the machine readable passport as well as looking at special diplomatic and royal passports this book provides an accessible and engaging history of this most widespread of documents The passport report William G Hill,1992 **Passport #2: Forgotten Days** Kate Mueller,1992 *Pasaporte* Dulce Festin Baybay,2010
