Izurieta, 2014-03-04 Superior education can only be obtained by acquiring information Laws are fundamental parts of our lives Knowing them should be a requisite of basic knowledge and indispensable for each individual who lives in the United States The primary objective of this book is to make a bilingual legal book available to all who enjoy learning and need information about the legal world judges lawyers legal secretaries law students paralegals students in the political sciences employees of the court and any individual who is interested in understanding the rights and laws of a citizen of the United States As you know the vocabulary used in law books whether it is written in Spanish or English is very technical and therefore difficult to understand Learning law terminology can be compared to learning a foreign language As a knowledgeable professional I encountered these problems when I was reading various law books and it is one of the reasons that I was motivated to write this book When I worked at the Norwalk Superior Court in Norwalk California under the supervision of Mr Edward Hinz I was privileged to become acquainted with the various judges district attorneys paralegals clerks legal secretaries and officers Although I realized that most were well acquainted with English legal terminology I also observed that many people who came to court to represent themselves in propria persona didnt know or understand the correct legal terminology to be able to present their simple cases nor could they understand how to fill out the technical forms required I am confident that this book will be a useful resource and that it can be easily used by all who want to become familiar with legal terms in English and Spanish This book covers nine areas of law alternative dispute resolutions bankruptcy business law criminal law family law juvenile procedures probate real estate law landlord and tenant and wills and trusts The terms are presented in

English and Spanish It is organized in such a manner that every term can be easily translated and understood Each division contains the terms that are necessary for each area of law Obviously individuals who are already bilingual will have an advantage Nevertheless those who are not bilingual but who are interested in learning legal terms in Spanish or English for one reason or another will benefit from this book as well

Elkins, Chad M Elkins Cpa, Tim M. Elkins, Tim M Elkins Cpa, 2014-11-05 NOTE ON DEC 16 2014 CONGRESS APPROVED THE RETROACTIVE EXTENSION OF ALL OF THE TAX BREAKS REFERRED TO AS TAX EXTENDERS IN THIS GUIDE THE TAX EXTENDERS SEE CHAPTER ONE WERE ONLY EXTENDED THROUGH THE END OF THE 2014 TAX YEAR This is only the second year that the Elkins Comprehensive Tax Guide has been offered and the 2015 Edition is considerably improved over last year's edition First it includes a new Index and second the contents are entirely cross referenced to other pages in the Guide making it more user friendly Also the 2015 Edition has been expanded over 175 pages have been added by including more subject matter as well as more and clearer explanations and examples However with all these improvements the authors goal to make this Guide the easiest to use most understandable tax reference available to anyone including tax professionals was not lost The authors believe that the vast majority of the content meets the understandable goal for all readers The Guide includes all of the hot tax topics from the Affordable Care Act and the New Tangible Property and Repair Regulations to the Foreign Account Tax Compliance Act FATCA The Guide follows the flow of a tax return from filing status and requirements through tax credits It contains detailed clear discussions and examples on taxable income income exclusions deductions in determining adjusted gross income itemized deductions employee travel and entertainment expenses depreciation and carrying on a trade or business as a sole proprietor farmer partnership or S Corporation The Guide also provides discussions and examples needed to understand estate and trust income the estate and gift tax and the alternative minimum tax AMT It clearly explains how both the regular and refundable AMT tax credits work together and differences between the two credits All tax and compliance aspects of the Affordable Care Act ACA are discussed in easy to understand language including the 0.9% Medicare surtax the 3.8% net investment income surtax and the small business health care tax credit All aspects of both the individual and employer mandates are discussed including the shared responsibility payments penalties exemptions from having to have insurance coverage premium tax credits how to prove you have health insurance how to figure the number of full time equivalent employees FTEs and the ACA reporting requirements The New Tangible Property and Repair Regulations which were finalized and went into effect on Jan 1 2014 are also included in the Guide This law is very complex and has been interpreted in different ways However the discussions and examples included in this Guide clearly explain a complex law in a way that can be understood by most readers Reporting foreign financial accounts and assets as set forth in FATCA is America's new global initiative to fight offshore tax evasion by U S citizens The Guide discusses how the law's agreements with foreign countries and registrations of foreign financial

institutions have made the law a success by getting Americans with foreign bank accounts to come forward like never before The IRS s Offshore Voluntary Disclosure Program OVDP and the Streamlined Program are both discussed as key provisions in getting taxpayers with offshore accounts to comply with reporting requirements Other important information is provided regarding misclassifying workers as independent contractors instead of employees and reasonable salaries of S corporation shareholder employees both of which the IRS is currently focusing on The authors experience and knowledge of tax laws were used in compiling this Guide Even though some IRS regulations and court cases are referred to in this Guide the aim was to keep these references to a minimum instead focusing on clear and understandable examples and explanations in plain language The Wall Street Journal Guide to Understanding Your Taxes Scott R.
