Path Golden Heart Conscious Unconscious:

Path of the Golden Heart Cindy Jarrett, 2015-11-05 Path Of The Golden Heart Conscious Dating In An Unconscious World the first book in Cindy Jarrett s Conscious Relationships Series is based on Cindy s pioneering work into the necessity for emotional maturity as the key for healthy and sustaining love relationships to succeed It is an in depth training that brings truth back into the dating process where single men and women can fully be their authentic selves while getting to know each other It brings an end to the suffering that has long been associated with dating It is a modern approach to dating that dispels the myths about the games in dating many authorities try to promote This training brings single people the necessary education as to why love has become so difficult to attain and what stands in the way of effortlessly entering into love relationships Readers are provided easy and accessible actions to take that makes Conscious Dating a welcomed relief Love what we all desire It matters most to us and drives us to do the most courageous to craziest of things Love is what gives us our supreme experiences and challenges It is our most powerful expression Love heals all things And love is our greatest teacher Yet love eludes us It is everywhere and missing in so many hearts We fear it We run from it We long for it We deserve it It is our birthright And it is this desire for love that brings us to the dating ritual again and again And love is not enough We need more than just love to build and sustain a healthy relationship We also need commitment clarity honesty character an inner life consistency maturity an open heart forgiveness training guidance consciousness more maturity healthy communications sensitivity have I said maturity yet and much much more We don t usually relate to love or love relationships with maturity in mind We don t necessarily declare that these elements are also what loving another requires

The Whole Person Roberta Vienneau, 2023-07-06 In a world where many are disillusioned with the highly drug dependent medical establishment integrative medicine is gaining popularity because of its more holistic approach Holism by definition implies greater than the sum of its parts and is a response to reductionism especially biological reductionism in medicine The holistic model widely accepted in integrative healthcare today is a biopsychosocial model that aims to treat the whole person It is a systems hierarchy model that includes the universe to a cell particle so one s understanding of holism will be reflected in what one considers relevant To a pulmonologist holism might mean the whole respiratory system to a geneticist holism might mean the whole family history but who is treating the whole person This groundbreaking book sheds light on the limitations of integrative healthcare in exploring the full potential of homeopathy in treating the whole person It argues that we don t need a new approach definition or understanding of holism We sometimes just need to step out of the systems hierarchy model of the reductionist paradigm itself to get a larger view and redefine the boundaries of what constitutes the wholeness of a person With a clear and engaging writing style the book takes readers on a journey through the history and evolution of the concept of whole and presents a compelling case for the adoption of an anthroposophic paradigm as a more comprehensive and effective approach to holism healing and homeopathy Whether you are a homeopath a healthcare

practitioner a patient or simply interested in holistic medicine this is a must read book that will challenge your assumptions and expand your understanding of what it means to treat the whole person **True and False Paths of Spiritual Research** Rudolf Steiner,2020-09-16 In these much valued lectures Rudolf Steiner begins by posing the question Why investigate the spiritual worlds at all He goes on to explore the contemporary need for spiritual knowledge and the authentic paths that can lead to it Speaking in Torquay England at the International Summer School organized by his friend and colleague D N Dunlop Steiner surveys the differences in various types of consciousness from ancient to modern times in waking and dreaming from space into time and the changes that have taken place in relation to knowledge and science in the course of history He goes on to discuss the Mystery nature of crystallized minerals and metals such as copper and silver and their relationship to the planets He also describes how the ages of life can become organs of perception In a dramatic conclusion Steiner explains the role of moon beings ahrimanic elemental beings and the true nature of mediumship ectoplasm and spiritual possession Presented here in a fresh translation that corrects many errors in previous editions the text is complemented with notes an introduction by Paul King and an index Lectures include Nature is the Great Illusion Know Thyself The Three Worlds and their Reflected Images Form and Substantiality of the Mineral Kingdom in relation to Human Levels of Consciousness The Secret of Research into other Realms through the Metamorphosis of Consciousness The Inner Enlivening of the Soul through the Qualities of Metals Initiation Science Star Knowledge Possible Aberrations in Spiritual Research **Wyrdcraft** Matthew Ash McKernan,2023-01-08 Weaving Germanic Paganism with mysticism magic and his background as a transpersonal therapist Matthew Ash McKernan introduces you to wyrd a mysterious web of being that connects everything Wyrd encompasses all organisms ecosystems matter phenomena purposes and possibilities It is destiny nature soul magic and mystery intertwined In Wyrdcraft McKernan guides you through a process of attuning to wyrd as it manifests within all the domains of your life teaching you how to sense and intuit the ways of wyrd more clearly than ever before Exploring the intersections of psychotherapy ecotherapy Heathenry and magic this contemplative and experiential book offers nearly fifty exercises to help you cultivate wyrd consciousness an awareness that is naturally revealing healing transformative and becoming Becoming what you may ask You will see as you align with the wisdom of wyrd heal yourself and our interconnected world and remember the nature of your Higher Self **Paths Between Head and Heart** Oliver C. Robinson,2018-08-31 Paths Between Head and Heart provides an accessible but comprehensive account of how science and spirituality relate not as enemies but as partners in the quest for a truth that is greater than either one can understand alone While many books have been written on science and religion not many have looked at how spirituality and science exist as complementary parts of a larger whole and how they relate specifically to the transitional challenges that define our era *Paths of Wisdom* John Michael Greer,2017-03-27 Acclaimed as an instant classic on its original publication and eagerly sought by students of magic ever since Paths of Wisdom is a comprehensive introduction to the theory and practice of the

magical Cabala as practiced in the Hermetic Order of the Golden Dawn and most other contemporary Western occult traditions Engaging and accessible yet packed with material found in few other books it illumines the Cabalist underpinnings of today s Hermetic magic as never before From the fundamentals of Cabalistic philosophy through a detailed examination of the Spheres and Paths of the Tree of Life to the magical disciplines that bring the symbolism to life as a potent toolkit for self knowledge and esoteric attainment Paths of Wisdom is your guide to the principles and practices of the magical Cabala

Bodies Phillip Moffitt,2017-09-05 This beautiful illustrated guide for meditation and yoga students of all spiritual traditions offers subtle and vast teachings on the mystery of the body and mind Jack Kornfield author of No Time Like the Present Based on meditation practices Phillip Moffitt learned twenty years ago from Himalayan yoga master Sri Swami Balyogi Premvarni this beautifully illustrated book is a guide to exploring the nature of mind and gaining a better understanding of experiences that arise during meditation The Nine Bodies teachings map out a journey that starts with consciousness that arises in the physical body and is directly observable and then travels through ever more subtle levels of consciousness to that which is not manifest and is only potential and therefore has to be inferred The book includes a series of mysterious illustrations that Balyogi created during his time of intense Samadhi explorations Each illustration is a rich composition of symbols that express aspects of inner experiences that are almost impossible to express with language Moffitt makes these

teachings available for meditation students from all spiritual traditions to use as gateways for exploring the nature of mind and as additional means for tracking and classifying meditative experiences Students of yoga will also find value in the teachings of the Nine Bodies as they provide a means for contextualizing and connecting with yogic teachings on chakras koshas gunas and the Three Bodies

Beyond the Horizon John Edmonds, 2013-02-12 Author John Edmonds was given something very few were given insight on the day he died For the twenty five minutes when his physical body was without a heartbeat his spiritual self soared to a great and profound epiphany On this impossible journey he was given a glimpse into a greater truth as he learned of his thirty three previous incarnations on this earth Among his past lives he was an Inuit kinsman a father a doctor a seafarer an ancient pagan chieftain and a monk He was allowed to revisit a former life in which he and Jesus Christ his dearest soul brother lived in a town called Bethany There they shared in His love and wisdom At night as the blazing winter fires burned they partook of the Divine John and his sisters clothed Him bathed Him and anointed His feet In return He saved them in every possible way Their hearts were torn to learn of His great suffering He was the One the Messiah He was Christ Jesus and He was Johns dearest friend These are Johns tales of a past life spent in the blessed company of Christ Jesus his brother his flesh and his blood his very personal recollection of an extraordinary friendship and love It chronicles an epic journey from ancient times to the present day a journey far beyond the realm of the living This is the story of his fascinating and compelling nonphysical experience and the instruction he received during his time on the other side His is an astonishing tale of survival courage revelation and inconceivable willpower
