Paths To Peace Domestic Coalition Shifts War Termination And The Korean War:

Paths to Peace Elizabeth A. Stanley, 2009-07-28 *Paths to Peace* begins by developing a theory about the domestic obstacles to making peace and the role played by shifts in states governing coalitions in overcoming these obstacles. In particular, it explains how the longer the war, the harder it is to end, because domestic obstacles to peace become institutionalized over time. Next, it tests this theory with a mixed methods approach through historical case studies and quantitative statistical analysis. Finally, it applies the theory to an in-depth analysis of the ending of the Korean War. By analyzing the domestic politics of the war's major combatants, the Soviet Union, the United States, China, and North and South Korea, it explains why the final armistice terms accepted in July 1953 were little different from those proposed at the start of negotiations in July 1951, some 294,000 additional battle deaths later.

Ending War Chiara De Franco, Anders Engberg-Pedersen, Martin Mennecke, 2021-11-29 *Ending War: A Dialogue across Disciplines* examines how wars end from a multidisciplinary perspective and includes enquiries into the politics of war, the laws of war, and the military and intellectual history of war. In recent years, the changes in the character of contemporary warfare have created uncertainties across different disciplines about how to identify and conceptualise the end of war. A whole constellation of questions arises from such uncertainties: How do philosophers define ethical responsibilities in bello and post bellum if the boundary between war and peace is ever so blurred? How do strategists define their objectives if the teleology of action becomes uncertain? How do historians bracket the known endings of war and delve into the arguments that preceded them? Which answers can international law provide for the ending of wars and which challenges remain or have recently arisen? This volume addresses these questions and enables both an understanding of how the end as a concept informs the understanding of war in international relations, in international law, and in history, as well as a reconsideration of the nature of scientific method in the field of war studies, as such. The chapters in this book were originally published as a special issue of *The Journal of Strategic Studies*.

Confrontation, Strategy and War Termination Christopher Tuck, 2016-05-23 At the heart of this book is the problem of war termination. Britain won an almost unbroken string of tactical military victories during an undeclared war against the Republic of Indonesia in the 1960s, yet it proved difficult to translate this into strategic success. Using conflict termination theories, this book argues that British strategy during Confrontation was both exemplary and flawed, both of which need not be mutually exclusive. The British experience in Indonesia represents an illuminating case study of the difficulties associated with strategy and the successful termination of conflicts. The value of this book lies in two areas: as a contribution to the literature on British counter-insurgency operations and as a contribution to the debates on the problems of war termination in the context of strategic thought.

Zero-Sum Victory Christopher D. Kolenda, 2021-10-26 2021 Foreword INDIES Gold Winner for War in both cases. US officials believe their strategies are working even as the situation deteriorates. Third, once the United States decides to withdraw, bargaining asymmetries and disconnects in strategy

undermine the prospects for a successful transition or negotiated outcome Relying on historic examples and personal experience Kolenda draws thought provoking and actionable conclusions about the utility of American military power in the contemporary world insights that serve as a starting point for future scholarship as well as for important national security reforms

War Termination as a Civil-Military Bargain Shawn T. Cochran, 2016-01-26 War termination reflects a civil military bargain and affects relevant decisions made by political leaders For the leader embroiled in protracted war this risk dictates whether he or she will commit more resources to the fight or else cut the state's losses and get out

War on the Ballot Andrew Payne, 2023-07-18 Winner 2024 Richard E Neustadt Book Prize American Politics Group Political Studies Association The president of the United States is at once holder of the highest elected office and commander in chief of the armed forces How do upcoming elections influence presidents behavior during wartime How do presidents balance perceptions of the national interest with personal political interests War on the Ballot examines how electoral politics shaped presidential decisions on military and diplomatic strategy during the wars in Korea Vietnam and Iraq Drawing on a wealth of declassified documents and interviews with senior officials and military officers Andrew Payne reveals the surprisingly large role played by political considerations during conflicts He demonstrates how the exigencies of the electoral cycle drove leaders to miss opportunities to limit the human and financial costs of each war gain strategic advantage or sue for peace sometimes making critical decisions with striking disregard for the consequences on the ground Payne emphasizes the importance of electoral pressures throughout the full course of a conflict not just around the initial decision to intervene He shows how electoral constraints operate across different phases of the political calendar going beyond the period immediately preceding a presidential election Offering a systematic analysis of the relationship between electoral politics and wartime decision making this book raises crucial questions about democratic accountability in foreign policy

Right Way to Lose a War Dominic Tierney, 2025-05-01 Why has America stopped winning wars For nearly a century up until the end of World War II in 1945 America enjoyed a Golden Age of decisive military triumphs And then suddenly we stopped winning wars The decades since have been a Dark Age of failures and stalemates in Korea Vietnam Iraq and Afghanistan exposing our inability to change course after battlefield setbacks In this provocative book award winning scholar Dominic Tierney reveals how the United States has struggled to adapt to the new era of intractable guerrilla conflicts As a result most major American wars have turned into military fiascos And when battlefield disaster strikes Washington is unable to disengage from the quagmire with grave consequences for thousands of U S troops and our allies But there is a better way Drawing on interviews with dozens of top generals and policymakers Tierney shows how we can use three key steps surge talk and leave to stem the tide of losses and withdraw from unsuccessful campaigns without compromising our core values and interests Weaving together compelling stories of military catastrophe and heroism this is an unprecedented timely and essential guidebook for our new era of unwinnable conflicts The Right Way to Lose a War illuminates not only how Washington can

handle the toughest crisis of all battlefield failure but also how America can once again return to the path of victory **Lost in the Cold War** John T. Downey, Thomas Christensen, Jack Downey, 2022-08-30 In 1952 John T Jack Downey a twenty three year old CIA officer from Connecticut was shot down over Manchuria during the Korean War The pilots died in the crash but Downey and his partner Richard Dick Fecteau were captured by the Chinese For the next twenty years they were harshly interrogated put through show trials held in solitary confinement placed in reeducation camps and toured around China as political pawns Other prisoners of war came and went but Downey and Fecteau s release hinged on the United States acknowledging their status as CIA assets Not until Nixon s visit to China did Sino American relations thaw enough to secure Fecteau s release in 1971 and Downey s in 1973 Lost in the Cold War is the never before told story of Downey s decades as a prisoner of war and the efforts to bring him home Downey s lively and gripping memoir written in secret late in life interweaves horrors and deprivation with humor and the absurdities of captivity He recounts his prison experiences fearful interrogations pantomime communications with his guards a 3 000 page overstuffed confession designed to confuse his captors and posing for show photographs for propaganda purposes Through the eyes of his captors and during his tours around China Downey watched the Great Leap Forward the Cultural Revolution and the drastic transformations of the Mao era In interspersed chapters Thomas J Christensen an expert on Sino American relations explores the international politics of the Cold War and tells the story of how Downey and Fecteau s families the CIA the U S State Department and successive presidential administrations worked to secure their release **Peace at What Price?** Sarah E. Croco, 2015-03-26 Why do some leaders stay in wars they are unlikely to win Why do other leaders give in to their adversaries demands when continued fighting is still possible Peace at What Price strives to answer these questions by offering a new theoretical concept leader culpability Culpable leaders those who can be credibly linked to the decision to involve the state in the war face a significantly higher likelihood of domestic punishment if they fail to win a war than non culpable leaders who do the same Consequently culpable leaders will prosecute wars very differently from their non culpable counterparts Utilizing a large N analysis and case illustrations the book s findings challenge the conventional wisdom regarding the relationship between war outcomes and leader removal and demonstrate the necessity of looking at individual leader attributes instead of collapsing leaders by regime type The book also offers new insights on democracies at war and speaks to the American experience in the wars in Iraq and Afghanistan Ending the U.S. War in Iraq Richard R. Jr. Brennan, Charles P. Ries, Larry Hanauer, Ben Connable, Terrence K. Kelly, 2013-11-05 Ending the U S war in Iraq required redeploying 100 000 military and civilian personnel handing off responsibility for 431 activities to the Iraqi government U S embassy USCENTCOM or other U S government entities and moving or transferring ownership of over a million pieces of property in accordance with U S and Iraqi laws national policy and DoD requirements This book examines the planning and execution of this transition The Korean Peace Process and Civil Society Dong Jin Kim, 2018-09-21 This is a must read book for anyone searching for insight

into the peace process of the divided Korean peninsula As a peace researcher and activist the author highlights the role of civil society in making peacebuilding possible and sustainable on the Korean peninsula This volume opens a new horizon to the study of peace and conflict Koo Kab Woo Professor University of North Korean Studies This book makes an enormous contribution to our understanding of the dynamics of peace and conflict on the Korean peninsula and expands our understanding of the requirements of sustainable peacebuilding The emphasis on the role of civil society as part of an inclusive approach to strategic peacebuilding is especially helpful Iain Atack Assistant Professor in International Peace Studies Trinity College Dublin This expertly crafted book makes an original contribution to understanding peacebuilding theory and the critical role of civil society in strategic peacebuilding It offers valuable lessons and hope for peaceful transformation of the Korean conflict as well as the negotiation of a sustainable peace in other protracted conflict settings Wendy Lambourne Senior Lecturer Department of Peace and Conflict Studies University of Sydney The Post Cold War era witnessed a dramatic rise in breakthroughs for peace processes including the Korean peninsula between parties mired in protracted conflict However many such processes broke down within a short period of time This book explores the possibilities for comprehensive and sustainable peacebuilding strategy in the Korean peace process beyond reaching an agreement by reviewing diverse peacebuilding activities from government and civil society *The Ashgate Research Companion to the Korean War* Donald W. Boose, 2016-03-23 This essential companion provides a comprehensive study of the literature on the causes course and consequences of the Korean War 1950-1953 Aimed primarily at readers with a special interest in military history and contemporary conflict studies the authors summarize and analyze the key research issues in what for years was known as the Forgotten War The book comprises three main thematic parts each with chapters ranging across a variety of crucial topics covering the background conduct clashes and outcome of the Korean War The first part sets the historical stage with chapters focusing on the main participants The second part provides details on the tactics equipment and logistics of the belligerents Part III covers the course of the war with each chapter addressing a key stage of the fighting in chronological order The enormous increase in writings on the Korean War during the last thirty years following the release of key primary source documents has revived and energized the interest of scholars This essential reference work not only provides an overview of recent research but also assesses what impact this has had on understanding the war **Planning for Protraction** Iskander Rehman, 2023-11-09 As Sino US relations have deteriorated concerns have grown in Washington over its ability to defeat China in a major conflict A conflict between such peer competitors would likely become a protracted war of attrition drawing on all dimensions of national power but this reality has yet to receive a sufficient degree of analytical attention In this Adelphi book Iskander Rehman provides a historically informed and empirically grounded study of protracted great power war its core drivers and characteristics and an examination of the elements that have most often determined a competitor's long term strategic performance Final victory in

a protracted conflict this book argues rests on a combination of three core factors a state's military effectiveness and adaptability its socio economic power and resiliency and the soundness of its alliance management and grand strategy A detailed analysis of the contemporary Sino US rivalry assesses how both parties might fare in the event of a protracted war while highlighting some of its key differentiating aspects most notably its nuclear and cyber dimensions

Words of War
Eric Min, 2025-02-15 In *Words of War* Eric Min pulls back the curtain on when why and how belligerents negotiate while fighting Of all interstate conflicts across the last two centuries two thirds have ended through negotiated agreement Wartime diplomacy is thus commonly seen as a costless and mechanical process solely designed to end fighting But as Min argues that wartime negotiations are not just peacemaking tools They are in fact a highly strategic activity that can also help states manage fight and potentially win wars To demonstrate that wartime talk does more than simply end hostilities Min distinguishes between two kinds of negotiations sincere and insincere Whereas sincere negotiations are good faith honest attempts to reach peace insincere negotiations exploit diplomacy for some other purpose such as currying gaining political support or remobilizing forces Two factors determine whether and how belligerents will negotiate the amount of pressure that outside parties can place on belligerents them to engage in diplomacy and information obtained from fighting on the battlefield Combining statistical and computational text analyses with qualitative case studies ranging from the War of the Roman Republic to the Korean War Min shows that negotiations are more likely to occur with strong external pressures A combination of such pressures and indeterminate battlefield activity however will most likely lead to insincere negotiations that may stoke fighting rather than end it By revealing that diplomacy can sometimes be counterproductive to peace *Words of War* compels us to rethink the assumption that it cannot hurt to promote diplomacy during war

The Insiders' Game
Elizabeth N. Saunders, 2024-03-26 How elites shape the use of force in American foreign policy One of the most widely held views of democratic leaders is that they are cautious about using military force because voters can hold them accountable ultimately making democracies more peaceful How then are leaders able to wage war in the face of popular opposition or end conflicts when the public still supports them *The Insiders Game* sheds light on this enduring puzzle arguing that the primary constraints on decisions about war and peace come from elites not the public Elizabeth Saunders focuses on three groups of elites presidential advisers legislators and military officials to show how the dynamics of this insiders game are key to understanding the use of force in American foreign policy She explores how elite preferences differ from those of ordinary voters and how leaders must bargain with elites to secure their support for war Saunders provides insights into why leaders start and prolong conflicts the public does not want but also demonstrates how elites can force leaders to change course and end wars Tracing presidential decisions about the use of force from the Cold War through the wars in Iraq and Afghanistan Saunders reveals how the elite politics of war are a central feature of democracy *The Insiders Game* shifts the focus of democratic accountability from the voting booth to the halls of power

The Costs of Conversation Oriana Skylar Mastro

Consulting LLC,2019-03-15 After a war breaks out what factors influence the warring parties decisions about whether to talk to their enemy and when may their position on wartime diplomacy change How do we get from only fighting to also talking In *The Costs of Conversation* Oriana Skylar Mastro argues that states are primarily concerned with the strategic costs of conversation and these costs need to be low before combatants are willing to engage in direct talks with their enemy Specifically Mastro writes leaders look to two factors when determining the probable strategic costs of demonstrating a willingness to talk the likelihood the enemy will interpret openness to diplomacy as a sign of weakness and how the enemy may change its strategy in response to such an interpretation Only if a state thinks it has demonstrated adequate strength and resiliency to avoid the inference of weakness and believes that its enemy has limited capacity to escalate or intensify the war will it be open to talking with the enemy Through four primary case studies North Vietnamese diplomatic decisions during the Vietnam War those of China in the Korean War and Sino Indian War and Indian diplomatic decision making in the latter conflict *The Costs of Conversation* demonstrates that the costly conversations thesis best explains the timing and nature of countries approach to wartime talks and therefore when peace talks begin As a result Mastro s findings have significant theoretical and practical implications for war duration and termination as well as for military strategy diplomacy and mediation

A Companion to Dwight D. Eisenhower Chester J. Pach,2017-04-07 *A Companion to Dwight D Eisenhower* brings new depth to the historiography of this significant and complex figure providing a comprehensive and up to date depiction of both the man and era Thoughtfully incorporates new and significant literature on Dwight D Eisenhower Thoroughly examines both the Eisenhower era and the man himself broadening the historical scope by which Eisenhower is understood and interpreted Presents a complete picture of Eisenhower s many roles in historical context the individual general president politician and citizen This Companion is the ideal starting point for anyone researching America during the Eisenhower years and an invaluable guide for graduate students and advanced undergraduates in history political science and policy studies Meticulously edited by a leading authority on the Eisenhower presidency with chapters by international experts on political international social and cultural history

How Wars End Gideon Rose,2011-12-20 Argues that the failure of the United States to create successful peace settlements when ending the major wars of the twentieth century has only led to subsequent conflicts and new wars which attempt to resolve the issues of the previous war

What Do We Know about Civil Wars? T. David Mason,Sara McLaughlin Mitchell,2023-02-13 Since World War II civil wars have replaced interstate wars as the most frequent and deadly form of armed conflict globally How do we account for when and where civil wars are likely to occur when and how they are likely to end and whether or not they will recur In this timely book leading scholars accessibly guide students through cutting edge research on the onset duration outcomes and recurrence of civil wars as well as the ongoing consequences of conflicts in war torn countries such as Syria Sudan and Rwanda In mapping out the current state of our knowledge about civil conflicts the authors also identify what we do not know about civil wars With a

consistent approach across chapters and through a wide variety of cases the contributors collectively help readers understand some of the most pressing questions in conflict and security studies and illustrates how scholars answer them This authoritative text offers both an accessible and current overview of the state of the field and an agenda for future research The second features An entirely new chapter on pro government militias and rebels as criminal groups Chapter 16 Analysis of new trends in civil war data collection that have enabled us to understand geographic and temporal patterns of armed conflict New directions in transitional justice institutions in post conflict environments the resource curse the role of women and the relationship between the environment and civil conflict New material on mediation of conflict and peace agreement implementation and peacekeeping Examples drawn from the Russia Ukraine conflict

Logics of War Alex Weisiger, 2013-03-19 Most wars between countries end quickly and at relatively low cost The few in which high intensity fighting continues for years bring about a disproportionate amount of death and suffering What separates these few unusually long and intense wars from the many conflicts that are far less destructive In *Logics of War* Alex Weisiger tests three explanations for a nation's decision to go to war and continue fighting regardless of the costs He combines sharp statistical analysis of interstate wars over the past two centuries with nine narrative case studies He examines both well known conflicts like World War II and the Persian Gulf War as well as unfamiliar ones such as the 1864-1870 Paraguayan War or the War of the Triple Alliance which proportionally caused more deaths than any other war in modern history When leaders go to war expecting easy victory events usually correct their misperceptions quickly and with fairly low casualties thereby setting the stage for a negotiated agreement A second explanation involves motives born of domestic politics as war becomes more intense however leaders are increasingly constrained in their ability to continue the fighting Particularly destructive wars instead arise from mistrust of an opponent's intentions Countries that launch preventive wars to forestall expected decline tend to have particularly ambitious war aims that they hold to even when fighting goes poorly Moreover in some cases their opponents interpret the preventive attack as evidence of a dispositional commitment to aggression resulting in the rejection of any form of negotiation and a demand for unconditional surrender Weisiger's treatment of a topic of central concern to scholars of major wars will also be read with great interest by military historians political psychologists and sociologists

Unveiling the Magic of Words: A Report on "**Paths To Peace Domestic Coalition Shifts War Termination And The Korean War**"

In a global defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their capability to kindle emotions, provoke contemplation, and ignite transformative change is really awe-inspiring. Enter the realm of "**Paths To Peace Domestic Coalition Shifts War Termination And The Korean War**," a mesmerizing literary masterpiece penned with a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve into the book's central themes, examine its distinctive writing style, and assess its profound affect on the souls of its readers.

Paths To Peace Domestic Coalition Shifts War Termination And The Korean War Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Paths To Peace Domestic Coalition Shifts War Termination And The Korean War PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting,

traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Paths To Peace Domestic Coalition Shifts War Termination And The Korean War PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Paths To Peace Domestic Coalition Shifts War Termination And The Korean War free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Paths To Peace Domestic Coalition Shifts War Termination And The Korean War Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Paths To Peace Domestic Coalition

Shifts War Termination And The Korean War is one of the best book in our library for free trial. We provide copy of Paths To Peace Domestic Coalition Shifts War Termination And The Korean War in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Paths To Peace Domestic Coalition Shifts War Termination And The Korean War. Where to download Paths To Peace Domestic Coalition Shifts War Termination And The Korean War online for free? Are you looking for Paths To Peace Domestic Coalition Shifts War Termination And The Korean War PDF? This is definitely going to save you time and cash in something you should think about.
