Fairies like me are born lucky but even our luck can run out. When I'm captured and imprisoned by a government agency only one person can free me. Seven. I haven't seen the sexy leprechaun billionaire since we were teenagers but he's the reason I left the fairy realm sixteen years ago. Born into a life of privilege his gilded existence is nothing like mine but returning to his world is my only way out. His price. Seven wants me in his life so much so that he ropes me into helping him solve a series of bizarre murders that threaten our kind's tentative relationship with humans. I promised myself I'd never get involved with him again but his dark charms prove hard to resist. The closer we get to solving the mystery we've uncovered the harder it becomes to keep my distance. The harder it becomes not to see that everything I believed about Seven was a lie and the dark secrets of our past are about to come back to haunt us. This twisted Cinderella story will sweep you away into a vivid fairytale world filled with suspense, betrayal, romance, and twists and turns that will keep you flipping pages until the last word. From award winning and USA Today bestselling author Genevieve Jack comes a world where fairies are real, luck is the new magic, and the unexpected awaits you on every page.
