Mother Shock Andrea J. Buchanan, 2009-03-13 According to Andrea Buchanan Mother shock is the state in which many new parents exist during those first confusing chaotic and often comical years of parenting It is the clash between expectation and result theory and reality It is the twilight zone of 24 hour a day living where life is no longer neatly divided into day and night the triple impact of hormonal imbalance sleep deprivation and physical exhaustion It is the stress of trying to acclimate quickly to the immediacy of mothering a new conception of oneself one's role in the family and in the world a fearful new level of responsibility and a new delegation of domestic duties In this much needed and delightfully funny collection of essays Buchanan shares the insight she gains as she moves through the stages of mother shock From Fear of the Double Stroller and Confessions of a Bottle Feeder to I'm an Idiot and Everything I Needed to Know I Learned in Playgroup Buchanan details the unimaginably difficult and unbelievably rewarding process of becoming a mother Mother Shock Andrea Buchanan, 2003-03-20 In 30 amusing and insightful pieces new mom Buchanan offers a refreshingly down to earth look at the birth of a mother **The Mommy Chronicles** Sara Ellington, Stephanie Triplet, 2005-02-01 When girlfriends Stephanie Triplet and Sara Ellington realized that they were both pregnant and their babies were due just weeks apart they began e-mailing each other constantly Throughout their individual journeys both women discovered many aspects of pregnancy childbirth and especially motherhood that no one ever seemed to talk about Stephanie and Sara had both read every book on these subjects they could find so why weren't they prepared for the roller coaster ride they were about to embark on Why hadn't anyone ever given them the real truth about being a Mommy before The Mommy Chronicles is a warm candid and sometimes irreverent view into the lives and emotions of these two new mothers In intimate and often hilarious detail the authors share their own diverse and universal experiences as they progress from being pregnant to being parents Listen in on their conversations as they laugh cry rage and celebrate Labor and delivery postpartum depression career choices daycare dilemmas husbands who don't get it it's all here presented in an entertaining easy to read format
