Motorcycle Memoirs Unlikely Companionship Unforgettable:

Motorcycle Memoirs Geneva Pryce-Jones, 2015-12-09 Almost 10 years after being widowed a Canadian woman meets a macho guide who takes her around Latin America on the back of his motorcycle Every day on the road there is adventure and not just in the changing landscape Coming from very different backgrounds Javier and Geneva struggle to understand one another's philosophy with varying degrees of success Sex helps to bring them closer but as the long journey's final destination approaches a fairy tale ending seems elusive

Unusual Undertakings James Wilson, 2003-03-19 To find an example of a full and successful yet unconventional military career one need look no further than General Jim Wilson Always an outstanding sportsman Jim found himself in the Rifle Brigade after Oxford just before the Second World War His memoir concentrates on six of his major military endeavors North Africa as a platoon commander followed by the long struggle up through Italy both with the Rifle Brigade After the war he was sent to India and became caught up in the momentous events of Partition and in a position to comment on all the key political and military personalities His career prospered and he was one of the first commanders of a major peacekeeping operation in Cyprus again closely involved with leaders such as Archbishop Makarios

Drive Me Out of My Mind Chad Faries, 2013-10-18 Drive Me Out of My Mind is a coming of age story of wildness and wandering set primarily in the Upper Peninsula of Michigan its abandoned iron mines desperate small towns and heart breaking bars It's the memoir of a boy raised by lawless and itinerant women and how he was cultured and corrupted by their hard living hard drinking and hard loving ways Given this lot in life Faries tells how one boy was hurt into becoming a poet at the ripe age of two to imagine another world other than the daily madness in front of him a world where violent stalkers hovered over the hospital beds of women as they gave birth where father figures also copulated with Gramma where a worn Barbie doll was a main source of comfort and where home meant 24 anonymous hovels in 10 years

Walk in Their Dust Barry L. Lane, 2012-06 While our plan had more holes in it than a sieve the bottom line for Niels and I ended up being this Following the original pioneer routes across America by wagon would be difficult given the number of highways cities and private properties that now occupy the once open range the trails traversed Finally given the winter and late spring weather in Minnesota we decided to start in the south and work our way north along the original trails traveling the opposite direction most pioneers would have taken The year was 1973 but as his undergraduate career came to a close Barry Lane's mind was stuck more than one hundred years in the past Following a canoe expedition from the Arctic Circle to the Gulf of Mexico Barry's thirst for adventure and an understanding of the paths of our ancestors reached a crescendo With the help of his friend Niels Henriksen he decided to embark on a cross country expedition from Mexico to Minnesota using the technology and trails of the American pioneers Walk in Their Dust charts the compelling story of Barry and Niels Henriksen during their hike from Mexico to Minnesota Along the way they would encounter the same challenges of the American wagon trains including dust storms intense thirst blizzard conditions flash floods and risk from both predators and man Yet along

the way with the help of their animal escorts and the individuals along the trail they learned to face their own life journey with courage faith and a good dose of humor *The 4Th of May* Paul Galy,2013-07-23 On his deathbed Gabi releases Paul from a blood oath they made as children to never tell their terrible secrets about growing up in post WW2 communist Hungary Pauls grief for Gabi becomes a grief for his childhood his family tree and the struggles of his community Pauls memories emerge with a striking richness of detail and emotion They are the memories of a child conceived in the aftermath of a racial war growing up in the midst of a class war tearing apart Hungarian society ultimately needing to flee with his family to Australia a foreign land at the other side of the world It is a personal oral history a family history and a community history submerged in trauma But it is much more than a saga about loss and grief Its about moving from survival to something new sweet and substantial through the prism of Pauls childhood innocence Paul Galys coming of age journey is as intoxicating as it is shocking It is a personable gripping and astonishing true life story Paul captivates the reader recruiting them to aspire transcend and soar along with him to new and unanticipated emotional heights **The Geraldo Show** Geraldo Rivera,2018-04-03 During my half a century in public life my image and reputation have had more ups and downs than the Cyclone roller coaster at Coney Island I have been called savior and sinner fool and wise man crusader and exploiter hothead and dope I am routinely scorned admired beloved and belittled which one is usually based on when the viewer tuned in Were you around for my early days as a crusading local newsman Did you waste an evening with me inside Al Capone s empty vault Were you watching when the bombs dropped in Afghanistan or Iraq or did you tune in to the raucous talk show when my nose was broken in the best television studio brawl ever caught on tape Since the attacks of September 11 2001 and my employment by the conservative rabble rousers of Fox News and more recently with the coming of the Age of Trump my professional life has been even more difficult to define How could a sincerely progressive native born Jew Rican New Yorker like me ever work for an outfit better suited to the vibes of Orange County California the Dixie Appalachia or the Mountain West How could I not condemn and obstruct a wrecking ball like Donald Trump Over five decades I have met most of the era s good and bad guys from Ronald Reagan to Charles Manson Fidel Castro to Yasser Arafat Muhammad Ali to John Lennon and Elvis Presley to Michael Jackson Two figure heavily in this book both longtime friends Roger Ailes the disgraced yet undeniably brilliant creator of Fox News and Donald Trump once a flamboyant playboy billionaire businessman and now 45th President of the United States At the vigorous twilight of a long and largely improvised life lived in plain sight I have little left to prove Faced with a series of random chances for better and worse what I made of my life is what I made of those chances Time has enlightened and humbled me Sincerely Geraldo Rivera **New York Magazine** ,1971-01-11 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy
