Mountain Guide Training School:

The U.S. Marine Corps Mountain Warfare Training Center, 1951-2001 Orlo K. Steele, Michael I. Moffett, 2011

From the Foreword The following account represents a significant look at a half century of U S Marine Corps effort in the Sierra Nevada mountain range of California This has been and is still the location of the Corps cold weather and mountain training facility Over time the needs and demands for Marines and units prepared to operate under these conditions waxed and waned with the real world requirements of deployed forces This was reflected in the realities of conflicts in the Korean Peninsula the Cold War s northern and southern flanks and in the current Global War in Terrorism fight in Afghanistan and elsewhere While the future is often uncertain this firm look at the past is useful to show how previous challenges have prompted creative and innovative responses This is as much a story of evolution as an institution p iii

Mountaineering Tourism Ghazali Musa, James Higham, Anna Thompson- Carr, 2015-06-05 In May 1993 the British Mountaineering Council met to discuss the future of high altitude tourism Of concern to attendees were reports of queues on Everest and reference was made to mountaineer Peter Boardman calling Everest an amphitheater of the ego Issues raised included environmental and social responsibility and regulations to minimize impacts In the years that have followed there has been a surge of interest in climbing Everest with one day in 2012 seeing 234 climbers reach the summit Participation in mountaineering tourism has surely escalated beyond the imagination of those who attended the meeting 20 years ago This book provides a critical and comprehensive analysis of all pertinent aspects and issues related to the development and the management of the growth area of mountaineering tourism By doing so it explores the meaning of adventure and special reference to mountain based adventure the delivering of adventure experience and adventure learning and education It further introduces examples of settings alpine environments where a general management framework could be applied as a baseline approach in mountaineering tourism development Along with this general management framework the book draws evidence from case studies derived from various mountaineering tourism development contexts worldwide to highlight the diversity and uniqueness of management approaches policies and practices Written by leading academics from a range of disciplinary backgrounds this insightful book will provide students researchers and academics with a better understanding of the unique aspects of tourism management and development of this growing form of adventure tourism across the world

Mountain Guides Soar Logan Bell, AI, 2025-02-27 Mountain Guides Soar explores the intricate relationship between Sherpa communities in Nepal and the burgeoning Himalayan tourism industry This social science study examines how these indigenous communities navigate cultural preservation economic opportunity and environmental sustainability amid globalization s rapid changes The book highlights the agency of Sherpas showcasing their resilience and adaptability rather than portraying them as passive recipients of economic forces The book reveals intriguing facts such as how Sherpa culture has evolved from traditional subsistence farming to a reliance on the trekking economy and how this transformation has

impacted family structures and religious practices It further delves into the challenges of environmental sustainability in the face of increased tourism The book presents a thorough analysis using ethnographic fieldwork interviews and economic data to support its arguments Beginning with the historical and cultural context of the Sherpa people the book progresses through an examination of the economic social and environmental impacts of tourism It concludes by considering policy implications and offering recommendations for safeguarding Sherpa communities well being and preserving their cultural heritage This approach provides a holistic understanding of the complex issues at stake making it valuable for both academic and general audiences interested in adventure tourism and Sherpa communities *The Story of White Hall Centre* Pete
