Most Expensive Item On Pawn Stars:

America the Great Edward Hawkins Sisson,2014-06-22 America the Great is the result of five years research and writing that began in late 2009 in response to the contemporary American tea party movement and criticisms that the movement's participants did not know the history and theory of the original 1773 Boston Tea Party from which the modern movement takes its name The extensive library of original books newspapers magazines etc now available primarily via google books to anyone over the Internet means that researchers have available to them the university libraries of the world The availability of accurate original documents made it possible to expand the original scope of research into other historical events and into other countries primarily Great Britain and enabled the work to develop into a more general examination of theories of human dignity and of the differing conception of government that arises depending on the conception of human dignity that is characteristic of the people that is creating that government

Junk Alison Stewart,2016-04-01 Junk has become ubiquitous in America today Who doesn't have a basement attic closet or storage unit filled with stuff too good to throw away Or more accurately stuff you think is too good to throw away When journalist and author Alison Stewart was confronted with emptying her late parents overloaded basement a job that dragged on for months it got her thinking How did it come to this Why do smart successful people hold on to old Christmas bows chipped knick knacks VHS tapes and books they would likely never reread She discovered she was not alone Junk details Stewart's three year investigation into America's stuff lots and lots and lots of stuff Stewart rides along with junk removal teams from around the country such as Trash Daddy Annie Haul and Junk Vets She goes backstage to a taping of Antiques Roadshow and learns what makes for compelling junk based television with the executive producer of Pawn Stars And she even investigates the growing problem of space junk 23 000 pieces of manmade debris orbiting the planet at 17 500 mph threatening both satellites and human space exploration But it's not all dire There are creative solutions to America's overburdened consumer culture Stewart visits with Deron Beal founder of FreeCycle an online community of people who would rather give away than throw away their no longer needed possessions She spends a day at a Repair Caf where volunteer tinkerers bring new life to broken appliances toys and just about anything Stewart also explores communities of tiny houses without attics and basements in which to stash the owners trash Junk is a delightful journey through 250 mile long yard sales and packrat dens both human and rodent that for most readers will look surprisingly familiar
