**Rachel Sandford**

## **Mother Claps Molly House The Gay Subculture In England 1700 183:**

**Women's Reading in Britain, 1750-1835** Jacqueline Pearson,1999-05-27 The first broad overview and detailed analysis of female reading audiences in this period

Mother Clap's Molly House Rictor Norton,1992 This pioneering historical study is the first comprehensive chronicle of the English gay community at its 18th century roots sporting for the first time a distinctive subculture with its molly houses sodomites walks maiden names and gay slang Rictor Norton's research into trial records and contemporary documents establishes a vital cornerstone for the reconstruction of gay history Challenging in its demonstration that the molly subculture was primarily a working class community of blacksmiths milkmen publicans and shopkeepers Mother Clap's Molly House also records the exuberant lives of personalities such as Charles Hitchin the thief taker the dramatists Samuel Foote and Isaac Bickerstaff William Beckford of Fonthill and Rev John Church prosecuted for his blessing of gay marriages All these are set against a backdrop of persecution blackmail and the pillory And yes Mother Clap's actually was the name of a prominent molly house

Sex, Money and Personal Character in Eighteenth-Century British Politics Marilyn Morris,2015-01-28 How and why did the Anglo American world become so obsessed with the private lives and public character of its political leaders Marilyn Morris finds answers in eighteenth century Britain when a long tradition of court intrigue and gossip spread into a much broader and more public political arena with the growth of political parties extra parliamentary political activities and a partisan print culture The public's preoccupation with the personal character of the ruling elite paralleled a growing interest in the interior lives of individuals in histories novels and the theater Newspaper reports of the royal family intensified in intimacy and its members became moral exemplars most often paradoxically when they misbehaved Ad hominem attacks on political leaders became commonplace politicians of all affiliations continued to assess one another's characters based on their success and daring with women and money And newly popular human interest journalism promoted the illusion that the personal characters of public figures could be read by appearances

The Origins of the English Marriage Plot Lisa O'Connell,2019-07-11 Examines how and why marriage plots became the English novel's most popular form in the eighteenth century This book will be of interest to students and researchers of eighteenth and early nineteenth century English literature and culture as well as feminist literary history

*Written in the Flesh* Edward Shorter,Hannah Chair in the History of Medicine and Professor of Psychiatry Edward Shorter,2005-01-01 Presents a history of sexual desire a provocative chronicle of the changing nature of what people yearn to do sexually This work demonstrates that desire is hardwired into the brain expressing itself in remarkably similar ways in men and women adolescent and adult and in gays lesbians and straights alike

*Vicious and Immoral* John Gilbert McCurdy,2024-06-04 The fascinating story of a British army chaplain's buggery trial in 1774 reveals surprising truths about early America On the eve of the American Revolution the British army considered the case of a chaplain Robert Newburgh who had been accused of having sex with a man Newburgh's enemies cited his

flamboyant appearance defiance of military authority and seduction of soldiers as proof of his low character Consumed by fears that the British Empire would soon be torn asunder his opponents claimed that these supposed crimes against nature translated to crimes against the king In Vicious and Immoral historian John McCurdy tells this compelling story of male intimacy and provides an unparalleled glimpse inside eighteenth century perceptions of queerness By demanding to have his case heard Newburgh invoked Enlightenment ideals of equality arguing passionately that his style of dress and manner should not affect his place in the army or society His accusers equated queer behavior with rebellion and his defenders would go on to join the American cause Newburgh's trial offers some clues to understanding a peculiarity of the late eighteenth and early nineteenth century while gay acts were prohibited by law in much of the British empire the newly formed United States was comparatively uninterested in legislating against same sex intimacy McCurdy imagines what life was like for a gay man in early America and captures the voices of those who loved and hated Newburgh revealing how sexuality and revolution informed one another Vicious and Immoral is the first book to place homosexuality in conversation with the American Revolution and it dares us to rethink the place of LGBTQ people in the founding of the nation **Sexuality and Society**

Gargi Bhattacharyya, 2005-07-08 In this broad ranging introduction to the study of sexuality Gargi Bhattacharyya guides students through the key theoretical debates and shows how this applies to sexuality as it is experienced in contemporary society **The Oxford Handbook of Dance and Ethnicity** Anthony Shay, Barbara Sellers-Young, 2016-04-20 Dance intersects with ethnicity in a powerful variety of ways and at a broad set of venues Dance practices and attitudes about ethnicity have sometimes been the source of outright discord as when African Americans were and sometimes still are told that their bodies are not right for ballet when Anglo Americans painted their faces black to perform in minstrel shows when 19th century Christian missionaries banned the performance of particular native dance traditions throughout much of Polynesia and when the Spanish conquistadors and church officials banned sacred Aztec dance rituals More recently dance performances became a locus of ethnic disunity in the former Yugoslavia as the Serbs of Bosnia attended dance concerts but only applauded for the Serbian dances presaging the violent disintegration of that failed state The Oxford Handbook of Dance and Ethnicity brings together scholars from across the globe in an investigation of what it means to define oneself in an ethnic category and how this category is performed and represented by dance as an ethnicity Newly commissioned for the volume the chapters of the book place a reflective lens on dance and its context to examine the role of dance as performed embodiment of the historical moments and associated lived identities In bringing modern dance and ballet into the conversation alongside forms more often considered ethnic the chapters ask the reader to contemplate previous categories of folk ethnic classical and modern From this standpoint the book considers how dance maintains challenges resists or in some cases evolves new forms of identity based on prior categories Ultimately the goal of the book is to acknowledge the depth of research that has been undertaken and to promote continued research and conceptualization of dance and its role in the

creation of ethnicity Dance and ethnicity is an increasingly active area of scholarly inquiry in dance studies and ethnomusicology alike and the need is great for serious scholarship to shape the contours of these debates The Oxford Handbook of Dance and Ethnicity provides an authoritative and up to date survey of original research from leading experts which will set the tone for future scholarly conversation *Ageing and Sexualities* Rosie Harding,Elizabeth Peel,2017-05-15 This book showcases developments in theory research and practice regarding sexuality and ageing considering the differences as well as similarities between and among ageing heterosexual and LGBT older people Identifying the questions central to future social scientific research on ageing and sexuality it focuses on the important emerging dimensions of sexuality and ageing embodiment the diversification of the ageing context and the intersections of care and sexuality With attention to the different forms of sexualities particularly at their intersection with gender this volume explores the importance of spatial and relational contexts whether individual residential or virtual with authors offering studies of online dating sexuality in the context of residential care and the relationship between sexuality legal frameworks and social policy Interdisciplinary in scope and offering the latest research from scholars in the UK Australasia and Africa *Ageing and Sexualities* constitutes an integrated approach to the conceptual and practical challenges of understanding the interplay of ageing and sexuality in contemporary society As such it will appeal to scholars from a variety of disciplinary backgrounds including sociology cultural studies socio legal studies social gerontology psychology medicine and health care **The Affectionate Shepherd** Richard Barnfield,2001 Despite various influential writers and critics high praise of the poetry of Richard Barnfield 1574 1620 26 his work has long been marginalized in English literary history because of its pervasive homoeroticism Current interest in literary representations of gender and sexuality in dissent from dominant ideologies and in the early modern possibilities of same sexual subjectivities accounts for the renewed interest in Barnfield s poetry This new collection of essays seeks to provide a forum for his evaluation and reinterpretation in accord with his topicality for literary studies today *The Hidden Consumer* Christopher Breward,1999 This book covers various aspects of the social history of politics on both sides of the Iron Curtain in the period 1945 to 1956 The contributors come from a range of countries Austria Germany Hungary Slovakia and the United Kingdom and comprise a mixture of established historians and younger scholars engaged in pioneering research The individual chapters are organised into four sections dealing with workers ethnic and linguistic minorities youth and women In order to enhance the comparative character of the volume the four chapters contained in each section consider the position of these social groups in respectively West Germany East Germany Austria and either Czechoslovakia or Hungary Major themes include the absence of popular revolutions in the aftermath of World War Two the re imposition of social control by post war elites the attempt to restore pre war gender relations and the failure of Communist parties to win popular support The chosen time frame saw most of the decisive developments which set the pattern for the remaining Cold War period and is therefore of key importance for any student of this topic *Georgian*

*London* Lucy Inglis, 2013-09-05 In Georgian London Into the Streets Lucy Inglis takes readers on a tour of London's most formative age the age of love sex intellect art great ambition and fantastic ruin Travel back to the Georgian years a time that changed expectations of what life could be Peek into the gilded drawing rooms of the aristocracy walk down the quiet avenues of the new middle class and crouch in the damp doorways of the poor But watch your wallet tourists make perfect prey for the thriving community of hawkers prostitutes and scavengers Visit the madhouses of Hackney the workshops of Soho and the mean streets of Cheapside Have a coffee in the city check the stock exchange and pop into St Paul's to see progress on the new dome This book is about the Georgians who called London their home from dukes and artists to rent boys and hot air balloonists meeting dog nappers and life models along the way It investigates the legacies they left us in architecture and art science and society and shows the making of the capital millions know and love today Read and be amazed by a city you thought you knew Jonathan Foyle World Monuments Fund Jam packed with unusual insights and facts A great read from a talented new historian Independent Pacy superbly researched The real sparkle lies in its relentless cavalcade of insightful anecdotes There's much to treasure here Londonist Inglis has a good ear for the outlandish the farcical the bizarre and the macabre A wonderful popular history of Hanoverian London London Historians

**Men and Masculinities** Eric Anderson, Rory Magrath, 2019-04-08 Eric Anderson is Professor of Sport Masculinities and Sexualities at the University of Winchester He is an interdisciplinary scholar who studies men's changing masculinities and sexualities Professor Anderson is the architect of Inclusive Masculinity Theory and has published nineteen books and over seventy research articles Rory Magrath is Senior Lecturer in the School of Sport Health and Social Sciences at Southampton Solent University His research focuses on decreasing homophobia and the changing nature of contemporary masculinities with a specific focus on professional football He is the author of Inclusive Masculinities in Contemporary Football Men in the Beautiful Game 2016 and coauthor of Out in Sport The Experiences of Openly Gay and Lesbian Athletes in Competitive Sport 2016

**Pope, Print, and Meaning** J. McLaverty, 2001 Pope's fascination with print with annotations illustrations parallel texts title pages revisions shapes this reading of his work The book offers fresh insights into Pope's self presentation and his relation to his readers he emerges as a figure marginalized socially politically and sexually who gambles with his private life in confronting his opponents

*Carnival in Alabama* Isabel Machado, 2023-01-27 Mobile is simultaneously a typical and unique city in the postwar United States It was a quintessential boomtown during World War II That prosperity was followed by a period of rapid urban decline and subsequent attempts at revitalizing or gentrifying its downtown area As in many other US cities urban renewal integration and other socioeconomic developments led to white flight marginalized the African American population and set the stage for the development of LGBTQ community building and subculture Yet these usually segregated segments of society in Mobile converged once a year to create a common identity that of a Carnival City Carnival in Alabama looks not only at the people who participated in Mardi Gras organizations divided by race gender and or sexual

orientation but also investigates the experience of marked bodies outside of these organizations or people involved in Carnival through their labor or as audiences or publics of the spectacle It also expands the definition of Mobile s Carnival tradition beyond the official pageantry by including street maskers and laborers and neighborhood cookouts Using archival sources and oral history interviews to investigate and analyze the roles assigned inaccessible to or claimed and appropriated by straight identified African American men and women and people who defied gender and sexuality normativity in the festivities regardless of their racial identity this book illuminates power dynamics through culture and ritual By looking at Carnival as an invented tradition and as a semiotic system associated with discourses of power it joins a transnational conversation about the phenomenon Gay Life and Culture Robert Aldrich,2006 Originally published London Thames Hudson Ltd 2006 Bibliographie Internationale D'anthropologie Sociale Et Culturelle 1992 British Library of Political and Economic Science,1993 The IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge of the social sciences

**Bibliographie Internationale D'anthropologie Sociale Et Culturelle ,1955** *Gaydar Culture* Sharif Mowlabocus,2016-04-22 Popular culture has recognized urban gay men s use of the Web over the last ten years with gay Internet dating and Net cruising featuring as narrative devices in hit television shows Yet to date the relationship between urban gay male culture and digital media technologies has received only limited critical attention Gaydar Culture explores the integration of specific techno cultural practices within contemporary gay male sub culture Taking British gay culture as its primary interest the book locates its critical discussion within the wider global context of a proliferating model of Western metropolitan gay male culture Making use of a series of case studies in the development of a theoretical framework through which past present and future practices of digital immersion can be understood and critiqued this book constitutes a timely intervention into the fields of digital media studies cultural studies and the study of gender and sexuality Mother Clap's Molly House Lyttelton Theatre,2001
