The Monster Within Cecile R. Bauer, 2010-07-25 SOMEBODY HELP ME BEFORE I HURT MY CHILD Almost every mother has experienced an overwhelming uncontrollable anger while trying to meet the demands of parenting This is a story of a young mother who lost control of her monster within It is a narrative of child abuse from the viewpoint of the forgotten victim the screaming out of control parent Lu a teenaged mother adored her children and tried to be kind gentle and loving to them But she struggled daily with a rage borne of frustration Periodically this rage manifested itself in an explosive fury so intense that she gave it a name Mona the Monster in her attempt to rationalize the consequences of her cruel actions Although Lu thought of Mona as an actual demon possessing her her angry behavior was really a result of many factors including her

youth inexperience at effective mothering skills and frustration at falling short of her ideals As Lu gained maturity and with the help of God family and good neighbors she learned how to master this monstrous rage within But it took a near tragedy before Mona was banished forever finally leaving only Lu in control and able to cope with the demands of motherhood And with God s help parents can break the cycle of child abuse or better yet keep it from ever happening This book tells the sad bad beginning of Mona Lu and the Bauer family but this story has a happy ending Readers may also be interested in **CHERISH EVERY MOMENT** Seaboard Press 2009 which tells the rest of this happily ever after story of terror and salvation Cecile R Bauer is a mother of ten grandmother to seventeen and great grandmother to a dozen or more beloved children Now known as Grandma Giggles she has come a long way from the screaming monster depicted in this book A writer from the age of eleven Bauer has published seven books and numerous articles and stories in magazines and newspapers from coast to coast She is experienced at public speaking on radio television and to large and small organizational meetings If I can help spread the good news about how to prevent child abuse I am willing to tell my sad story in order to help others caught in the tangle of negative emotions responsible for child abuse
