Arcana, 1979 **You're Wearing That?** Deborah Tannen, 2006-12-26 Deborah Tannen s 1 New York Times bestseller You Just Don t Understand revolutionized communication between women and men Now in her most provocative and engaging book to date she takes on what is potentially the most fraught and passionate connection of women s lives the mother daughter relationship It was Tannen who first showed us that men and women speak different languages Mothers and daughters speak the same language but still often misunderstand each other as they struggle to find the right balance between closeness and independence Both mothers and daughters want to be seen for who they are but tend to see the other as falling short of who she should be Each overestimates the other s power and underestimates her own Why do daughters complain that their mothers always criticize while mothers feel hurt that their daughters shut them out Why do mothers and daughters critique each other on the Big Three hair clothes and weight while longing for approval and understanding And why do they scrutinize each other for reflections of themselves Deborah Tannen answers these and many other questions as she explains why a remark that would be harmless coming from anyone else can cause an explosion when it comes from your mother or your daughter She examines every aspect of this complex dynamic from the dark side that can shadow a woman

**The Common Thread** Martha Manning, 2002-03-26 There is no relationship more fulfilling infuriating emotional and problematic than that of a mother and daughter Psychology has traditionally regarded as inevitable and in fact necessary a female child s eventual separation from her mother as adulthood ensues Now renowned psychologist and author Martha Manning offers mothers and daughters of all ages a revolutionary new way of understanding each other and their relationships and challenges the accepted thinking that this powerful bond must ultimately be severed In a work of intelligence wit heart and scholarship Manning examines this important link and concludes that it is a precious attachment that is never outgrown that while the differing ever changing needs conflicts and obligations of two distinct women may create a chasm between them bridging the gap will serve to strengthen a lifelong commitment love and identity while fostering essential independence The key is empathy Through empathy the ability to perceive the other s actions as an aspect of individual behavior even a troubled relationship can become gratifying and beautiful Exploring the developmental stages of the mother daughter union from infancy through old age Manning provides potent tools to help us build stronger ties enabling us to celebrate rather than eschew the twists and turns joys secrets and surprises inherent in this most glorious of life connections She also focuses new attention on the parts played by cultural historical psychological and biological influences areas often ignored in previous works on the subject
