This book offers entertaining stories, engaging studies, and powerful strategies all to help you face your fear of death and light the fire in your gut to live your most meaningful life. How Kate went from living in fear of death to make it her close friend and best source of clarity. How to hack your fear of death for your benefit using the psychology of mortality awareness. The life prioritization exercise that will help you zero in on how you want to live and give you the motivation to start today. Inspiring, motivating, and honest. **BRAD MONTAGUE** Creator of Kid President. An intelligent, funny, and motivating book. I recommend it to my patients and use it for my own growth. **JESSICA COOPER** Psy D Trauma Psychologist *The 10-20-30 Life Wellness Plan* Douglas C. Pearson, 2011-01-26. The 10-20-30 Life Wellness Plan provides a simple common sense approach to life wellness developed from 12 years of experience and extensive research. It is a holistic approach yet targeted at three basic elements to improve your health. The program is easy to follow but demands a personal commitment in looking at behavior patterns in nutrition and exercise so your life changes. The book focuses on existing health issues related to improper nutrition and lack of exercise, how nutrition and exercise can positively impact your wellness, motivation to energize your abilities, recommended exercise workouts, assessments of your current fitness, setting goals for a personal wellness plan, and information on each area of The 10-20-30 Wellness Plan. **Motivational Meditation** Marvin A. Ehrlich, 2003. The times in which we live warrant a renewed search for inner peace. As always, we seek out those tools that will assist us in clearing away the emotional clutter in our lives that which hinders us from living the best life we can live. Motivational Meditation is a method for centering your mind and body, allowing you to discover the person you were meant to be, create your own inner peace, and live your best life. Author Marvin Ehrlich, aka the Bronx Buddha, recounts how his life experiences from his beginnings in New York City to his career in the financial industry led him to the practice of Motivational Meditation and describes his personal journey in search of peace. Motivational Meditation a Bronx Buddha's Guide for Living Your Best Life is a life-affirming, upbeat look at the human condition. It strives to show the reader how the best is already inside of them and how they can achieve peace within their own life. When done correctly and consistently, Motivational Meditation will help you affect change within yourself, filter out the noise, to manage stress, find inner peace, communicate effectively, and allow you to live your best life by being the person you were meant to be. Most importantly, the goal of the book is to help you strip away the stressful, unimportant things in life, leaving only the most important things: loving and being loved. Health Recklessly Abandoned Vincent Bellonzi, 2013-06-01. Health Recklessly Abandoned is designed to bring people up to date on research that is showing just how much impact we have on our own quality of life. Diseases that were once believed to be fate or genetically programmed are being shown to be more of a reflection of how we go about living. The human body does not make mistakes.

it is only adapting to whatever lifestyle we subject it to The power of genetic expression is driven by our nutritional intake our physical activity and what we are exposed to in the environment How to Create the Life You Really Want Ade Asefeso MCIPS MBA,2011-06-04 To create the life you really want you have to learn to find and do things that you are passionate about And you can be passionate enough motivated enough in life if you knew that there was a definite achievable goal that you could work towards You might be at that stage in life where you are living a routine life going through the motions of everyday life without any sense of purpose or passion for what you are doing Deep down you have a sense of frustration a yearning to do something more go someplace else but fear and uncertainty pull you down Fear not take it step by step and slowly you will find yourself more motivated more fired up and you will start living your life with more passion Take Charge of Life Live Your Ideal Marianne Maynard,2005-11 Our life on earth is a short grand adventure with many challenges and lessons for personal and spiritual growth With knowledge and intuitive insight we can have a rewarding harmonious journey However it takes a clear understanding of your ideal focus intent and thought to manifest your goals and dreams The how to do this is spelled out in simple concise steps that enables you to live your ideal and express your magnificence
