Small Motorcycle Service Manual ,1974 **BikerCraft** Bryan Warburton, 2020-12-16 The definitive motorcycle riding manual This book will teach you everything from the basics right up to Advanced level whether you're a new learner a rider returning to motorcycling or just somebody who wants to improve their skills Too many bikers are either killed or seriously

injured through stupidity their own or another person's so this book is aimed to help set that straight by explaining the Police rider's System in a way that's easy to understand. The book starts with the fundamentals of each particular aspect of riding and then gently increases the explanations up to an Advanced Level of riding. The aim of this book is to teach any rider how to make the roads safer for themselves to use by looking at every aspect of motorcycling and gives guidance, tips and advice on how best to manage everyday situations more safely. The life that this book might save could well be your own. Whilst there are many books/videos teaching you how to pass your motorcycle test, there's nothing that describes the life-saving skills that are contained within BikerCraft. Unfortunately, the current motorcycle test doesn't really impart all of the skills needed by a novice rider either. Skills that are proven to work by the most respected motorcycle riders in the world, the British Police, and BikerCraft describes how the everyday rider can utilise those same skills to vastly improve their own abilities, ride safer and increase their confidence. Learning to master a motorcycle is nothing like driving a car. BikerCraft has been independently verified by an Advanced Police Examiner with over 34 years' worth of experience. BikerCraft is the culmination of 40 years' riding experience, including 6 years as a motorcycle instructor. I completed a Police Advanced Motorcycle Training Scheme at the age of 17 and gained my full motorcycle licence shortly after my 17th birthday. A year later I qualified as an Instructor for Star Rider working in Wythenshawe, Manchester. After working for them for 3 years, I became a Motorcycle Instructor for BSM Manchester for 3 years. During my time at BSM, I completed annual Police Advanced Assessments. During the past 40 years, I've ridden somewhere around 200,000 motorcycle miles across the UK and have toured across through France, Spain, Italy, Switzerland, Germany, Austria, Holland and Belgium frequently. Touring camping was usually done 2 up with a fortnight's worth of kit loaded on the bike and I can tell you that BikerCraft works everywhere.
