**Joan Miró** Jacques Dupin,Joan Miró,2009 Considered one of the great artist of the 20th century Joan Miro has bequeathed us a definitive body of work whose influence has continued to grow over the years Miro did not paint dreams but instead through his works provided the spectator with certain elements so that he would be the one that dreamed He never worked under the influence of hypnosis drugs or alcohol Nevertheless his artistic personality and the way he represented on canvas what inspiration dictated to him led Andr Breton to exclaim Miro is the most surrealist of us all A creative force in the plastic field who felt an equal passion for the word for the most daring poetic plays a lover of objects and the bare truth of materials Miro always revealed himself as an oneiric artist a seeeker after the constellations that inspired some of his finest works Jacques Dupin the main authority in Miro work details all those items in his amazing essay The Birth of Signs 72 illustrations    Little story of Joan Miró Fina Duran i Riu,2009-07-28 This little story explains in an entertaining as well as thorough way the life and artistic career of the Catalan painter Joan Miró This book is available in the following languages English Spanish Catalan French German Italian Japanese and Russian    Miró's Spain Joan Miró,2011

Joan Miró and critic Yvon Taillandier sat down for an in depth discussion on Miró's life and work Their conversation one of the most illuminating and insightful looks into Miró's philosophy and creative process was first published in a limited edition of seventy five copies in 1964 Though long out of print this bilingual treasure in the words of Maria Popova remains the most direct and comprehensive record of Miró's ideas on art This beautiful new edition presents an updated English translation of Miró's invaluable text in an elegant and striking package In addition to Taillandier's original foreword a new preface by preeminent Miró scholar Robert Lubar provides wider context and insight An appendix includes the original French text in its entirety Joan Miró Work Like a Gardener brings to life the words and work of one of the most beloved and influential artists of the twentieth century    Joan Miró, crossing the limits María de Corral,Joan Miró,2004    Joan Miró, His Graphic Art Joan Miró i Ametller,1958

**Fundació Joan Miró** Jordi J. Clavero,2010 The most important aspect of the Joan Miró Foundation's collections is without doubt its valuable stock of works consisting in over 14 000 items Most of this collection

was donated to the Foundation by Joan Miró himself. Other pieces have come from the collections owned by Pilar Juncosa the artist's wife and Joan Prats his close friend and the driving force behind the idea of setting up the Foundation. The Foundation has a large collection of paintings from all the different periods of Miró's life. The works exhibited show the development of his art from his training in Barcelona and first contacts with the avant-gardes in the early twentieth century, the time spent in Paris and his links with the Surrealists. Miró's art in the last years of his life was mainly expressed in large-format paintings and denotes a deeper interest in pure colour and in gesture but without abandoning his lyricism and compositional rigour. It is precisely this period that is most widely represented here since he donated to the Foundation the works that were in his studio when it was set up. This guidebook is the main tool to achieve to the highlights of the Foundation's collections.

Marvelously illustrated with 285 radiant color plates and 1276 in black and white this intensive analysis of Miró's creative process explains how he would first isolate some elements from the teeming outside world then incorporate a graphic sign into it thus setting in motion a transfigurative process in which objects, signs and symbols underwent a constant metamorphosis. In placing Miró's preliminary drawings alongside the pictures to which they gave rise Spanish poet and art critic Gimferrer illuminates the inner alchemy by which Miró discovered his major motifs and set them loose in a free floating pictorial universe      **Miro** Claire-Hélène Blanquet, 1994
