### RECOMMENDED PRACTICE 1724

#### GENERAL CONDITIONS OF CARRIAGE (PASSENGER AND BAGGAGE)

PSC(MV79)1724

##### Article 1—Definitions

“AGREED STOPPING PLACES” means those places, except the place of departure and the place of destination, set forth in the ticket or shown in Carrier’s timetables as scheduled stopping places on the passenger’s route.

“AUTHORISED AGENT” means a passenger sales agent who has been appointed by Carrier to represent the Carrier in the sale of air passenger transportation over the services of the Carrier and, when authorised, over the services of other air carriers.

“BAGGAGE” means such articles, effects and other personal property of a passenger as are necessary or appropriate for wear, use, comfort or convenience in connection with the trip. Unless otherwise specified, it includes both checked and unchecked baggage of the passenger.

“BAGGAGE CHECK” means those portions of the ticket which relate to the carriage of the passenger’s checked baggage.

“BAGGAGE IDENTIFICATION TAG” means a document issued by Carrier solely for identification of checked baggage.

“CARRIER” includes the air carrier issuing the ticket and all air carriers that carry or undertake to carry the passenger and/or his baggage thereunder.

“CARRIER’S REGULATIONS” means rules, other than these Conditions, published by Carrier and in effect on date of ticket issue, governing carriage of passengers and/or baggage and shall include any applicable tariffs in force.

“CHECKED BAGGAGE” means baggage of which Carrier takes sole custody and for which Carrier has issued a baggage check.

“CONJUNCTION TICKET” means a ticket issued to a passenger in conjunction with another ticket which together constitute a single contract of carriage.

“CONVENTION” means whichever of the following instruments is applicable to the contract of carriage:

International Airline Alliances : EC Competition Law/US Antitrust Law and International Air Transport Angela Cheng-Jui Lu, 2003-01-01

This new study takes a keen look at the problems facing the international community due to conflicts arising from applications of varying competition laws by different competition authorities to international airline alliances As a result of privatisation deregulation liberalisation and globalisation international air carriers form alliances with one another in order to cope with growing competition in the international air transport market This book clearly provides an introduction to the background to and origin of airline alliances different models of alliances and the related anti competitive practices resulting from existing international airline alliances The potential anti competitive practices resulting from these cross border alliances trigger a great deal of concern from various competition authorities Thus this study goes on to provide a detailed analysis regarding the relevant EC competition law and US antitrust law and their applications to alliance activities The comparison of different applications of EC competition law and US antitrust law to international airline alliances

provides leading research results first hand In the conclusion the essential elements regarding establishing a level playing field in the international air transport market are identified and the author provides possible solutions for the harmonisation of different applications of competition law to international airline alliances *Journal of the Senate of the United States of America* United States.
