Pastor Chris The Power Of The Tongues:

The Power of Tongues, 2005 *The Prosperity Gospel in Africa* Marius Nel, 2020-06-15 Africans prevailing interest in the prosperity gospel is not only connected to the influence of American prosperity teachers reaching a worldwide audience through their imaginative use of the media but is also related to the African worldview and African traditional religion and its lasting influence on contemporary Africans and the way they think about prosperity as well as their interest in prosperity in post colonial Africa The research from a classical Pentecostal perspective about the impact of the prosperity message on Africa is necessary timely and relevant because of its influence in the African Pentecostal movement and its potential to harm the faith of believers leading to the potential disillusionment of Christian believers who put their trust and money in formulas and recipes that seemingly only work for others especially the prosperity leaders who lead by example with incredulous riches and wealth

The Chaos of the Prosperity Gospel John Ntui-Abung, 2017-02-17 Over the years John Ntui has written so many articles on Christian apologetics and defense from false teachers On his journey he became increasingly aware that Christianity is being

ravaged by the prosperity gospels so John decided as a theologian and pastor to confront the heresy of his age where Christianity is being reduced by a group of sophists to a mere meal ticket. He then decided to write in order to correct the influence of a defective Christianity in the minds of those who truly desire to know God. Join Pastor John on a ride to uncover the tricks of these false prophets who are ravaging the Gospel for their own gain and taking the lead of spreading the gospel from Africa to the ends of the earth. Americans in their quest for a flamboyant lifestyle invented the prosperity gospels and Nigerians consumed by their lust are spreading it to the ends of the earth.
