

in the conducting of the service. The liturgical color white, symbolizing joy, is the desirable color to be worn and used in the service.

The pastor should be guided in conducting the funeral service by the heritage of the Christian faith — both Scripture and the history of the church — which emphasizes the *reality of death* and the *hope of new life*. The minister should take the lead in recapturing these fundamentals and in making use of the rich heritage of the past to create a service that is new and relevant.

An important element of the Christian heritage is the affirmation of belief in the *resurrection of the body*, in contrast to the Greek idea of the immortality of the soul. The funeral service, and especially the sermon, should hold up the biblical hope of life beyond the grave by the power of God.

Oscar Cullmann has sharply distinguished between immortality of the soul and resurrection of the dead, pointing out that immortality is only a negative assertion: The soul does not die.<sup>1</sup> But the biblical teaching of resurrection positively affirms that the whole person who *really died* is recalled to life by a new act of God's creation. Study of and reflection upon these two concepts in the light of the teaching of Scripture and their place in church history can enable the minister to plan and conduct the funeral service with greater meaning and effectiveness.

McIntosh, 2025-08-05 No matter what your education no amount of schooling can prepare a pastor for a so called typical day of ministry Pastors are teachers counselors evangelists and cheerleaders They are a shoulder to cry on and a listening ear They re CEOs and janitors Sometimes all in a 24 hour period And somewhere in the midst of all that there s a sermon to prepare Where is a busy pastor to turn for help when a new situation or problem arises The Ministry Answer Book for Pastors is your quick reference guide to almost everything you need to know to lead your church Organized in an easy to navigate Q A format this must have resource from trusted church consultant and author Gary L McIntosh is destined to be your well worn dog eared go to guide for when you run into an unforeseen or unfamiliar problem including decision making starting and leaving a ministry weddings funerals and hospital visitation outreach training budgeting working with a church board holding effective meetings recruiting and delegating staff development discipleship and much more **The Ministry of Helps** Rev. Lawrence C. Spencer, 2017-02-09 Have you ever had that sinking feeling that you were missing out on something very valuable in your ministry but just couldnt put your finger on it Well these resources for adventures in service to God for the church are valuable assets to those seeking a dynamic experience in Gods Kingdom work To invest yourself in Larry Spencers Ministry of Helps Manual and Workbook can enhance your ministry and greatly format your service with usable hands on tools that complete your tool chest Bring these practical things home and put them to work Great results have already been seen from individuals who respect Gods Word and value what it can bring to the Board room as well as to the church service You will not be sorry you invested in this training for you and your ministry team Rev Lloyd Tremain Paradise Community Church of the Nazarene A thorough practical and much needed Biblically sound treatment Wish it had been available 20 years ago when I could have use it to a great positive effect Dan Wilderman Retired Assemblies of God Pastor the order and practical instruction presented will benefit all organizational levels of any Christian Church today John Steffensen Radio Host Christ Today KKXX Radio Chico CA Hopefully this manual will lay the groundwork for pastors and churches to spread the burden and get others involved in the work of the ministry I once had a pastor that was often unprepared for a service because he was busy helping a parishioner with some needed chore or church maintenance or the myriad other duties needed to keep a church going The result was that the church stayed the same size Some leave others

enter But no growth was apparent despite the considerable preaching talents of the pastor God is apparently making sure he has only the amount of people that he can handle We learn that the ancient church had some of the same challenges we face today Acts 6 14 says Now in those days when the number of the disciples was multiplying there arose a complaint against the Hebrews by the Hellenists because their widows were neglected in the daily distribution Then the twelve summoned the multitude of the disciples and said It is not desirable that we should leave the word of God and serve tables Read this as doing manual labor Therefore brethren seek out from among you seven men of good reputation full of the Holy Spirit and wisdom whom we may appoint over this business the manual labor but we will give ourselves continually to prayer and to the ministry of the word It was even bringing strife to the local body What did they do And what was the result The first thing the apostles did was pick out people they knew to be wise and that had had received the baptism of the Holy Spirit and appointed them to do practical ministerial duties the manual labor This freed up the apostles so they could minister the Word of God Wow Gods way is so simple and our grandiose plans just waste time and get nothing done Pastors need to learn from the apostles and appoint over this business so the pastors has more time to do the spiritual work that promotes Gods church This manual gives a road map for accomplishing the goal of choosing and training people and tips for managing them
