Pastoral Ministry According To Paul A Biblical Vision:

Pastoral Ministry according to Paul James W. Thompson, 2006-02-01 What is the ultimate purpose of pastoral ministry What emphases and priorities should take precedence In the day to day emphasis on various pastoral roles and pragmatic concerns what can sometimes get lost is the theological foundation for understanding pastoral ministry James Thompson is a New Testament scholar with a concern for relating biblical studies to practical ministry Here he does a careful study of several of Paul s epistles in order to see what Paul s vision and purpose were for his own ministry He finds that Paul s aim was an ethical transformation of the communities not just individuals with which he worked so that they would live lives worthy of the gospel until Christ s return Using this as a framework Thompson offers suggestions for practical application to contemporary ministry

Pastoral Ministry According to Paul James W. Thompson, 2014-05-14 Thompson articulates Paul s pastoral vision for transformed communities drawing pastoral insights from Paul s writings The Church according to Paul James W. Thompson, 2014-09-09 Amid conflicting ideas about what the church should be and do in a post Christian climate the missing voice is that of Paul The New Testament s most prolific church planter Paul faced diverse challenges as he worked to form congregations Leading biblical scholar James Thompson examines Paul s ministry of planting and nurturing churches in the pre Christian world to offer guidance for the contemporary church The church today as then must define itself and its mission among people who have been shaped by other experiences of community Thompson shows that Paul offers an unprecedented vision of the community that is being conformed to the image of Christ He also addresses contemporary mis understandings of words like missional megachurch and formation

Pastor Paul (Theological Explorations for the Church Catholic) Scot McKnight, 2019-09-03 Being a pastor is a complicated calling Pastors are often pulled in multiple directions and must become all things to all people 1 Cor 9 22 What does the New Testament say or not say about the pastoral calling And what can we learn about it from the apostle Paul According to popular New Testament scholar Scot McKnight pastoring must begin first and foremost with spiritual formation which plays a vital role in the life and ministry of the pastor As leaders pastors both create and nurture culture in a church The biblical vision for that culture is Christoformity or Christlikeness Grounding pastoral ministry in the pastoral praxis of the apostle Paul McKnight shows that nurturing Christoformity was at the heart of the Pauline mission The pastor s central calling then is to mediate Christ in everything McKnight explores seven dimensions that illustrate this concept friendship siblings generosity storytelling witness subverting the world and wisdom as he calls pastors to be conformed to Christ and to nurture a culture of Christoformity in their churches

Paul as Pastor Brian S. Rosner, Andrew S. Malone, Trevor J. Burke, 2017-11-30 Paul as Pastor demonstrates the critical nature of Paul s pastoral care to his identity and activities Despite the fact that Paul never identifies himself as a pastor there is much within the Pauline letters that alludes to this as a possible aspect of Paul s vocation and commitments and this has been a topic of relative scholarly neglect The contributors to this volume consider the household

setting of Paul's pastoral practice the evidence of Acts and a survey of themes in each of the letters in the traditional Pauline corpus Additionally three chapters supply case studies of the Wirkungsgeschichte of Paul's pastoral practice in the pastoral offices of the Anglican Communion in the denomination's Ordinal and in the lives and thought of Augustine of Hippo and George Whitfield As such Paul as Pastor provides a stimulating resource on a neglected and critical dimension of Paul and his letters and an invaluable tool for those in pastoral ministry and those responsible for their training Ministry by the Book

Kimble, 2013-12-10 In an age of tolerance and moral laxity the implementation of church discipline is often looked upon with disdain fear or incredulousness However there is clear biblical precedent for the practice of discipline within a local church context While many are aware of several passages in Scripture that speak to this reality in this work Jeremy Kimble calls readers to observe clear biblical mandates historic precedent as well as theological and practical implications for the practice of church discipline Seeking to venture past the pragmatic discussions surrounding church discipline Kimble articulates for his readers a lucid theological presentation of this topic He argues that discipline serves as a warning of potential end time judgment As such discipline also serves as a means to the sinner's repentance and the perseverance of the saints within that local church This theological understanding of discipline calls pastors and congregations to faithfulness

There is a seriousness to church discipline that cannot be ignored and likewise discipline must also be viewed as a mercy knowing it is a means to repentance and enduring in one's faith

Renewing Tradition Mark W. Hamilton, Thomas H. Olbricht, Jeffrey Peterson, 2006-11-10 We offer this collection as a token of our affection and admiration of our friend and colleague James Weldon Thompson His studies of the letter to the Hebrews and of Paul in their intellectual contexts especially Middle Platonism have contributed significantly to the ongoing quest for placing the New Testament in its socio intellectual setting Although his publications in this area date back more than thirty years his best work is occurring now and we may anticipate path breaking contributions ahead His more recent work on preaching and pastoral care in Paul both situate the Apostle in his own world and just as importantly offer correctives of some contemporary ministerial practices and invitations for improvements Since 1993 Thompson has served as the editor of Restoration Quarterly a significant venue for research in biblical studies church history especially of the Stone Campbell Restoration Movement and contemporary theology His more popular works make available to a lay audience thoughtful well informed and spiritually rewarding interpretations of much of the New Testament His achievements however do not end at the printing press For more than thirty years he has taught ministers and others at the Institute for Christian Studies now Austin Graduate School of Theology and Abilene Christian University Students of the past and the present speak of him as a prepared stimulating and creative teacher unafraid of experimentation for a new generation of learners At both institutions he also served as an administrator first as President of ICS and then as Associate Dean of ACU's Graduate School of Theology His colleagues respect his ability to enlist them for work as needed and otherwise to get out of their way certainly a too rare set of skills in university administrators from the Preface

Leadership in the Context of the Cross Thang San Mung, 2017-11-24 This book is all about the study of Paul's leadership principles in the context of Corinthian epistles The primary focus is given to how Paul worked out his faith in Jesus Christ whom he knows as the one who was crucified to save and bless us in his daily life as a leader of a community The book is basically presented in three major chapters in the body Chapter one primarily discusses about how Paul views the cross of Jesus Christ or his sacrificial death on the cross and finds meaning in his life as a leader Chapter two then mentions how Paul sees himself as a leader and treats others whom he ministered to from the Cross perspective However chapter three tries to derive several principles by which Paul skillfully dealt with several burning issues of the then Christian community in the

Roman city of Corinth that leaders of all time might also learn the way of the cross in their leadership practices and tread the same path

Inhabiting the Cruciform God Michael J. Gorman, 2009-04-03 This richly synthetic reading of Paul offers a compelling argument that the heart of Paul's soteriology lies in theosis, the incorporation of God's people into the life and character of the God revealed in the cross. Michael Gorman deftly integrates the results of recent debates about Pauline theology into a powerful constructive account that overcomes unfruitful dichotomies and transcends recent controversies between the New Perspective on Paul and its traditionalist critics. Gorman's important book points the way forward for understanding the nonviolent world-transforming character of Paul's gospel.

Richard B. Hays, Duke Divinity School Provides an important corrective to segmentalized approaches to Paul. Michael Gorman lucidly connects justification to spiritual transformation. Faith, love, and action come together as theosis, the taking on of the character of Christ and so of God. Though constantly in conversation with other scholars, Gorman has a refreshingly original approach illuminating the lively theology of Paul. *Inhabiting the Cruciform God* clearly advances the field of Pauline studies.

Stephen Finlan, Fordham University In this pioneering work, Michael Gorman offers a fresh way to view Paul's understanding of justification and holiness. Cutting a new path through old territory, Gorman leads us to a vision of holiness and justification rooted in the transforming power of nonviolence and the cross. His work will provide pastors with new insights for preaching and scholars with new ways to address old questions.
