## **Pastoral Care In The Church:**

Pastoral Care in the Church C. W. Brister, 1964      **A History of Pastoral Care** G. R. Evans, 2000-05-01 A history of pastoral care is a history of the Christian church in action But if any sense is to be made of the centuries of Christian work and effort not only the practicalities of making the message of the Gospel a reality on earth but also the ideas which have shaped the attempt century by century must be examined This is the history of 2000 years of thought and practice in Christian pastoral ministry Until comparatively late in that story the bulk of the formative thinking took place in the Middle East and in Europe and this forms the background for recent developments in understanding human nature and the ways in which that understanding has influenced our thinking in pastoral care Subjects covered range from the Biblical foundations to the sects and new religious movements from the Fathers the monks the Friars the Templars to the changes at the end of the twentieth century      *The Caring Church* Howard W. Stone, Howard Stone has given a very useful gift to parish ministers and their congregations in this very concise clearly written practical lucidly illustrated book His contribution grows out of the accumulation of practical experience as well as scholarship David K Switzer Journal of Pastoral Care      Empowered to Care Reorganized Church of Jesus Christ of Latter Day Saints. Pastoral Care Office, 1980      **Pastoral Care in the Small Membership Church** James L. Killen JR., 2005-05-01 An introduction to pastoral care for pastors of small membership churches If you spend your whole life serving small membership churches and doing it well yours will have been a life well spent Small membership churches have a real advantage when it comes to incorporating people into a fellowship where they are known and where their needs are met These churches and their pastors have an opportunity for excellence in this area and should make the most of it Good pastoral care can be the key to effectiveness in all of the other ministries of the church From getting acquainted with your congregation weddings and funerals picking up on subtle cues in a conversation to not so subtle conflicts Killen shares insights from years of ministry in a small membership church setting James L Killen Jr is a retired elder of the Texas Conference contributor to Circuit Rider and author of Who Do You Say That I Am A Personal Reader      **Pastoral Care and Counseling** Helsel, Philip Browning, 2019 Addresses the critique that pastoral care is indistinguishable from secular psychotherapy by placing a person s relationship to God at the center of pastoral care      **A Primer in Pastoral Care** Jeanne Stevenson-Moessner, Based on her twenty years of teaching and on her own experience in pastoral care Jeanne Stevenson Moessner has written a basic pastoral care text to assist in the emotional and spiritual preparation of pastoral caregivers Stevenson Moessner expands on her key notion of pastoral care as seen through the interconnection and interplay of love of God love of neighbor and love of self Her brief book is meant to engender confidence and caring in the initiate and to assuage the fear and anxiety that naturally occur when one accompanies people in life changing pain and travail Through skilled use of the parables of the Good Samaritan and the Good Shepherd along with stories from her own experience Stevenson Moessner imparts genuine wisdom and meaningful support to those who

courageously dare to offer caregiving ministry in whatever situation or through whatever method or paradigm Her work unfolds in six chapters 1 Introduction The One Room Schoolhouse 2 Pointers and Precepts The Grammar of Care 3 The Prism of Pastoral Care Scripture Refracted 4 Paradigms in Pastoral Care The Community as Classroom 5 The Open Classroom Places of Care 6 Conclusion An Alphabet of Grace

**The Care Revolution** John W. Bosman, 2018-07 There is a missing link in our ministry efforts Somewhere along the line we have erroneously made pastoral care the sole responsibility of the pastor We assumed the clergy are the ones that do ministry while the laity watches ministry being done We need a new paradigm For the most part we provide crisis care instead of pastoral care in our churches The ensued problem is that when the crisis is over so is the care This makes people feel unattached insecure and neglected which often results in them falling through the cracks or slipping through the proverbial back door The Care Revolution provides the answer It presents a proven efficient and workable system that enables believers to care for one another making sure everyone experiences a sense of belonging and acceptance When church members are trained and developed to connect and care for each other it meets a crucial need that is entirely biblical and should be part of the ongoing ministry of every congregation Pastoral Care is a Collaborative Effort The Pastor cannot do it alone Effective pastoral care just happens when pastors and members collaborate in their ministry efforts It is only when a congregation is cared for and nurtured that it becomes healthy and consequently has the ability to evangelize more effectively A hurting and or dysfunctional church simply cannot do it Evangelism and pastoral care are not contrary to each other the one depends on the other Dr John Bosman has been a pastor for most of his adult life Immediately before entering into his present international ministry he served as the lead pastor of Glad Tidings Church in Lake Charles Louisiana for 15 years Under his leadership the church grew from fewer than five hundred to a thriving congregation that now occupies a 3 000 seat state of the art worship center John has served in both regional and national leadership roles within his denomination He was a member of the Board of Regents of a stateside university as well as a Bible College in Russia He is also the founder of both the JWB Institute for Leadership and Laity Development and Hamilton Christian Academy John and his wife Anne who is also an ordained minister live in Frisco Texas Together they minister nationally and internationally They have three children and five grandsons

**The Practice of Pastoral Care** Carrie

Doehring, 2014-12-05 The Practice of Pastoral Care has become a popular seminary textbook for courses in pastoral care and a manual for clinical pastoral education. In it, Doehring encourages counselors to view their ministry through a trifocal lens that incorporates premodern, modern, and postmodern approaches to religious and psychological knowledge. Doehring describes the basic ingredients of a caregiving relationship, shows how to use the caregiver's life experience as a source of authority, and demonstrates how to develop the skill of listening and establishing the actual relationship. This new edition elaborates on and expands the author's previous work, adding an intercultural perspective that gives more attention to religious pluralism in the pastoral care setting. It offers a road map for using a step-by-step narrative relational embodied approach to spiritual care that respects the unique ways people live out their values and beliefs, especially in coping with stress, loss, and violence. Readers will be able to confidently and professionally offer pastoral care and counseling to members of their congregations or other places of ministry.
