A Theology of Church and Ministry Franklin M. Segler, 1960 The pages of this book capture the sustaining and unique ministry of Franklin Segler to the teaching and practice of the pastoral ministry He brings forth from his treasure things both new and old to give perspective and depth to the work of the Christian pastor and the church The content is addressed primarily to students pastors and other church vocation leaders and also teachers in the field of theological education interested in training students for the ministry It is believed that the layman too may find it helpful in understanding his own role in the church in relation to that of the minister **Journal of the South Carolina Baptist Historical Society** ,

J. Conyers, 1999 We live in a World no longer under heaven At least in most people s minds and imaginations that vision of reality has become little more than a caricature conjuring up the saints and angels of baroque frescoes And in the church only a hint remains of the power it once exercised in the hearts of believers So begins A J Conyers in this provocative book and suggests that the eclipse of heaven has resulted in a shallower view of life and death in a loss of cultural and individual purpose and in moral disarray This is a powerful persuasive plea to stop blocking heaven from our sight and so to regain hope meaning and richer lives in this world and the one to come *Here at Thy Table*, Lord Alton H.
