Patrimonial Capitalism And Empire Political Power And Social Theory:

Patrimonial Capitalism and Empire Mounira Maya Charrad, Julia P. Adams, 2015-04-01 This volume focuses on the interconnected formations of patrimonialism colonialism empire and capitalism The articles show that patrimonial practices which often form the backbone of empire are present throughout history including in global capitalist modernity *The Imperial Creation of Ethnicity* Liping Wang, 2022-03-28 How did inter ethnic solidarity become attenuated in the era of the Chinese imperial transformation 1900 1930 Based on Inner Mongolian cases this book examines the transformations effective in the policy domains of land affairs military organization and law which were initiated to strengthen state centralization yet resulted in the sharpening of ethnic boundaries Using unpublished archival sources this book benefits from three key strengths It addresses the question of Mongol Han relationship in the early Republican period 1911 1930 it illuminates the details of imperial administration and its changes along with the shift of the regime and it explores the theoretical potentials of the near frontier approach and positions the Chinese imperial transition within a comparative perspective

Gender and Generations Vasilikie (Vicky) Demos, Marcia Texler Segal, 2021-03-15 This volume focuses on the ways in which gender interacts with generation Developed as the contributors lived through the Covid 19 pandemic the chapters offer a timely examination of gender related changes that have occurred against the backdrop of changing socio dynamics such as increasing and decreasing fertility and the aging of populations *Rethinking the Colonial State* Søren Rud, Søren Ivarsson, 2017-09-06 This volume addresses the analytical challenges of the colonial state from a variety of theoretical and thematic angles and across a range of empirical cases that stretch over a vast span historically and geographically to provide a new approach to analyzing the colonial state and its governmental practices *The Routledge Companion to Organizational Diversity Research Methods* Sine Nørholm Just, Annette Risberg, Florence Villesèche, 2020-10-13 Organizational diversity has become a topic of interest for practitioners and academics alike This book explores how diversity in organizations is and can be researched providing readers with insights into the potential research designs for studies in contemporary organizations This includes paying attention to methods but also to the role of the researcher and research bodies in the field their potential as activists as well as to the theoretical question of standpoints in researching organizational diversity Chapters also consider the diversity of research participants inclusive research and intersectionality All contributors are experts in diversity research and in their contributions they reflect upon the appropriate methods for the specific type of diversity research they conduct noting strengths and weaknesses and illustrating their arguments with practical examples from their work This handbook will be of great value to academics students researchers practitioners and professionals with an interest in broadening their understanding of how to research organizational diversity in contemporary organizations or seeking to develop their awareness of diversity when researching management and organization more generally

Postcolonial Sociologies Julian Go, 2016-08-26 How can postcolonial thought be most fruitfully translated and

incorporated into sociology This special volume brings together leading sociologists to offer some answers and examples The chapters offer new postcolonial readings of canonical thinkers like Karl Marx Max Weber Emile Durkheim and Robert Park

Power and the Presidency in Kenya Anaïs Angelo, 2020 The first study to use Jomo Kenyatta's political biography and presidency as a basis for examining the colonial and postcolonial history of Kenya Chartering Capitalism Emily Erikson, 2015-08-11 This volume covers the evolution of the chartered company contributions employ comparative methods archival research case studies statistical analyses computational models network analyses and new theoretical conceptualizations to map out the complex interactions that took place between state and commercial actors across the globe

Patriarchy Pavla Miller, 2017-06-14 Patriarchy particularly as embedded in the Old and New Testaments and Roman legal precepts has been a powerful organising concept with which social order has been understood maintained enforced contested adjudicated and dreamt about for over two millennia of western history This brief book surveys three influential episodes in this history seventeenth century debates about absolutism and democracy nineteenth century reconstructions of human prehistory and the broad mobilisations linked to twentieth century women's movements It then looks at the way feminist scholars have reconsidered and revised some earlier explanations built around patriarchy The book concludes with an overview of current uses of the concept of patriarchy from fundamentalist Christian activism over foreign policy analyses of oppressive regimes to scholarly debates about forms of effective governance By treating patriarchy as a powerful tool to think with rather than a factual description of social relations the text makes a useful contribution to current social and political thought *Historic Racial Exclusion and Subnational Socio-economic Outcomes in Colombia* Irina

España-Eljaiek, 2024-04-23 This book examines the geo racialized order of the Colombian state and its consequences for Afro descendant territories To do so it employs a historical institutional approach tracing racial exclusion and subnational socioeconomic outcomes in Colombia during the late nineteenth to mid twentieth centuries It uses a mixed methods and interdisciplinary qualitative and quantitative analytical approach to identify the quantitative effects of informal racial exclusion on subnational collective outcomes as well as to show more precisely how these effects were generated Through its exploration of Colombia's geo racialized project implicit exclusion of Afro descendant territories and spatialized nature of racial diversity this book contributes to literatures of Latin American political economy institutional theory racial politics and economic history *War in the Mountains* Neil Macmaster, 2020-10-15 The role of the peasantry during the Algerian War of Independence 1954 1962 has long been neglected by historians in part because they have been viewed as a primitive mass devoid of political consciousness *War in the Mountains* Peasant Society and Counterinsurgency in Algeria 1918 1958 challenges this conventional understanding by tracing the ability of the peasant community to sustain an autonomous political culture through family clan and village assemblies The long established system of indirect rule by which the colonial state controlled and policed the vast mountainous interior of Algeria began to break down after the 1920s War in the

Mountains explains how competing guerrilla forces and the French military sought to harness djem as as part of a hearts and minds strategy Djem as formed a pole of opposition to the patron client relations of the rural lites with clandestine urban rural networks emerging that prepared the way for armed resistance and a system of rebel governance Contrary to accepted historical analysis suggesting that rural society was massively uprooted and dislocated War in the Mountains demonstrates that the peasantry demonstrated a high level of social cohesion and resistance based on powerful family and kin networks

Between Us Marika Lindholm,Elizabeth Anne Wood,2024-06-05 The perfect introduction to what sociology is and does presented through powerful essays applying sociological concepts to personal experience The world is a tough place right now Climate change income inequality racist violence and the erosion of democracy have exposed the vulnerability of our individual and collective futures But as the sociologists gathered here by Marika Lindholm and Elizabeth Wood show no matter how helpless we might feel it s vital that we discover new paths toward healing and change The short accessible emotionally and intellectually powerful essays in Between Us offer a transformative new way to think about sociology and its ability to fuel personal and social change These forty five essays reflect a diverse range of experiences Whether taking an adult son with autism grocery shopping or fighting fires in Barcelona contending with sexism at the beach or facing racism at a fertility clinic celebrating one s immigrant heritage or acknowledging one s KKK ancestors this book shows students that sociology is deeply rooted in everyday life and can be used to help us process and understand it A perfect introduction to the discipline and why it matters Between Us will resonate with students from all backgrounds as they embark on their academic journey

International Origins of Social and Political Theory Tarak Barkawi,George Lawson,2017-04-12 This special issue is animated by the necessary entanglement of theory and history the cortical relationship between theory and practice and the transboundary relations that help to constitute systems of thought and practice

Elites, Nonelites, and Power Rebecca Jean Emigh,Dylan Riley,2024-11-28 Bringing together cutting edge multidisciplinary papers that weigh in on central issues of the world and social science the collection consider power elites and nonelites in a new inclusive way drawing in researchers who deal with topics central to elite theory but who might not be represented in more classic statements of it

Perverse Politics? Ann Shola Orloff,Raka Ray,Evren Savci,2016-04-13 The papers collected here offer anti imperialist feminist alternatives to second wave feminism s often reductive understandings of freedom emancipation oppression empowerment and democracy

Markets with Bureaucratic Characteristics Yingyao Wang,2024-05-21 Winner 2025 Sociology of Development Book Award Sociology of Development Section American Sociological Association China s breathtaking economic development has been driven by bureaucrats Even as the country transitioned away from socialist planning toward a market economy the economic bureaucracy retained a striking degree of influence and control over crafting and implementing policy Yet bureaucrats are often dismissed as faceless and inconsequential their role neglected in favor of party leaders top down rule or bottom up initiatives Markets with Bureaucratic Characteristics offers a new account

of economic policy making in China over the past four decades that reveals how bureaucrats have spurred large scale transformations from within Yingyao Wang demonstrates how competition among bureaucrats motivated by careerism has led to the emergence of new policy approaches Second tier economic bureaucrats instituted distinctive and often conflicting policy paradigms aimed at securing their standing and rewriting China s long term development plans for their own benefit Emerging from the middle levels of the bureaucracy these policy paradigms ultimately reorganized the Chinese economy and reshaped state market relations Drawing on fine grained biographical and interview data Wang traces how officials coalesced around shared career trajectories generational experiences and social networks to create new alliances and rivalries Shedding new light on the making and trajectory of China s ambitious economic reforms this book also provides keen sociological insight into the relations among bureaucracy states and markets Global Historical Sociology of Race and Racism Alexandre I.R. White,Katrina Quisumbing King,2021-09-30 In this volume of Political Power and Social Theory a special collection of papers reconsiders race and racism from global and historical perspectives Together these articles serve as an entry point for sharpening our sociological understandings of how racism operates in current times **Rethinking Class and Social Difference** Barry Eidlin,Michael A. McCarthy,2020-09-30 This volume draws together scholars rethinking social scientific and theoretical approaches to a wide range of forms of social difference and inequality These include race nationalism sexuality professional classes domestic employment digital communication and uneven economic development **Beyond Bantu Philosophy** Frans Dokman,Evaristi Magoti Cornelli,2022-07-29 Franciscan priest Placide Tempels s 1946 book Bantu Philosophy introduced a new discourse about African thought and beliefs questioning the universality of Western philosophy and establishing paradigms that continue to dominate discussion of the relationships between Africa and the West today More than 75 years after the publication of this influential text this volume brings together a wide range of contributors to examine the legacy and impact of Tempels s work for the study of African philosophy and religion Reflecting on whether Bantu Philosophy reinforces conflict or convergence between Africa and the West and its reception within Africa scholars from both African and Western institutions provide new perspectives on both Tempels s ideas and ongoing debates in African philosophy and religion **Religion, Humility, and Democracy in a Divided America** Ruth Braunstein,2019-08-05 Strong religious convictions motivate citizens to engage in American public life and are viewed as a source of closed mindedness and a driver of political polarization This book combines theoretical reflections on this tension empirical studies examine how a range of religious actors balance conviction with humility in their political work

Patrimonial Capitalism And Empire Political Power And Social Theory Introduction

In today's digital age, the availability of Patrimonial Capitalism And Empire Political Power And Social Theory books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Patrimonial Capitalism And Empire Political Power And Social Theory books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Patrimonial Capitalism And Empire Political Power And Social Theory books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Patrimonial Capitalism And Empire Political Power And Social Theory versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Patrimonial Capitalism And Empire Political Power And Social Theory books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Patrimonial Capitalism And Empire Political Power And Social Theory books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000

free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Patrimonial Capitalism And Empire Political Power And Social Theory books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Patrimonial Capitalism And Empire Political Power And Social Theory books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips.
