The Burning Time Virginia Rounding, 2024-05-01 This gruesomely entertaining book examines the Tudor zeal for burning people in the name of religion it both purifies and leaves little or no trace The Times of London Book of the Week Smithfield settled on the fringes of Roman London was once a place of revelry Jesters and crowds flocked for the medieval St Bartholomew s Day celebrations tournaments were plentiful and it became the location of London s most famous meat market Yet in Tudor England Smithfield had another more sinister use the public execution of heretics The Burning Time is a vivid insight into an era in which what was orthodoxy one year might be dangerous heresy the next The first martyrs were Catholics who cleaved to Rome in defiance of Henry VIII s break with the papacy But with the accession of Henry s daughter Mary soon to be nicknamed Bloody Mary the charge of heresy was leveled against devout Protestants who chose to burn rather than recant At the center of Virginia Rounding s vivid account of this extraordinary period are two very different characters The first is Richard Rich Thomas Cromwell s prot g who almost uniquely remained in a position of great power influence and wealth under three Tudor monarchs and who helped send many devout men and women to their deaths The second is John Deane Rector of St Bartholomew s who was able somehow to navigate the treacherous waters of changing dogma and help others to survive The Burning Time is their story but it is also the story of the hundreds of men and women who were put to the fire for their faith [30 Events That Shaped the Church](#) Alton Gansky, 2015-01-20 The church of today did not appear on the earth fully formed but developed over the centuries through historical events that while they may seem distant have a direct effect on our everyday lives Following Jesus s command to spread the gospel to the ends of the earth the apostles and their spiritual descendants have grown the church through times of peace and times of war through persecution and pilgrimage The church that began as a rag tag group of Middle Eastern fishermen tax collectors and zealots became the multi ethnic multifaceted church of today Now thirty of those course altering events are brought to life by consummate storyteller Alton Gansky Spanning twenty centuries of history this lively book will entertain and educate readers who love history and who want to know why the church is the way it is today *Preaching from the Cross* Frank J. Matera, 2025-02-11 Much has been written about the life ministry and theology of the apostle Paul But what about Paul specifically as a preacher How did he understand his commission from the risen Lord Jesus to preach the gospel and how did he put it into practice Further what lessons can contemporary preachers learn from Paul about the theology and practice of preaching to help them be more faithful messengers of God s Word As a leading Pauline scholar and practicing pastor Frank Matera has considered these questions and he offers this short accessible book to pastors and students as wise and helpful guidance Matera explores a Pauline theology of preaching focusing on three main questions Why did Paul preach What did he preach And how

did he preach He also explores Paul s preaching as the ministry of the new covenant He identifies and explores seven themes of Paul s preaching which in turn offer key practical insights for preaching in a Pauline way Readers are encouraged to preach from the cross making the crucified Christ their focus and their model demonstrating what they preach by their own cruciform lives

Choosing to Preach Kenton C. Anderson,2009-05-26 Today traditional forms of preaching are being scrutinized and challenged The biblical sermon is not immune to the pressure to evolve or even fall by the wayside leaving pastors and seminary students confused over how best to communicate to today s listeners In this forward looking textbook Kenton Anderson delivers a strong call to current and future ministers to indeed choose to preach biblical sermons despite the obstacles to doing so While preaching itself is non negotiable the exact form it takes can be much more flexible allowing people to hear from God as they hear his Word preached Rather than presenting one model or process for preparing a sermon Anderson explains several available options As you discern your message from the Bible will you begin with the text deductive or with the listener inductive Will you focus on the idea cognitive or the image affective The choices you make lead to five possible sermon structures DECLARATIVE make an argument PRAGMATIC solve a mystery NARRATIVE tell a story VISIONARY paint a picture INTEGRATIVE sing a song Each model is described in detail and related to well known contemporary preachers including John MacArthur Rick Warren Eugene Lowry and Rob Bell This book equips you with a variety of tools for your preaching tool kit A CD ROM with additional helpful resources is included as well as discussion questions and practical exercises

A Theology of Luke and Acts Darrell L. Bock, 2015-04-28 This groundbreaking work by Darrell Bock thoroughly explores the theology of Luke's gospel and the book of Acts. In his writing, Luke records the story of God working through Jesus to usher in a new era of promise and Spirit enablement so that the people of God can be God's people even in the midst of a hostile world. It is a message the church still needs today. Bock both covers major Lukan themes and sets forth the distinctive contribution of Luke-Acts to the New Testament and the canon of Scripture, providing readers with an in-depth and holistic grasp of Lukan theology in the larger context of the Bible. I Howard Marshall: A remarkable achievement that should become the first port of call for students in this central area of New Testament Theology. Craig S. Keener: Bock's excellent exploration of Luke's theological approach and themes meets an important need in Lukan theology.

The Key Ideas Bible Handbook Ron Rhodes, 2016-09-01 Unleash the Power of God's Truth in Your Daily Life. From Genesis to Revelation, the Bible is full of life-changing truth. But to fully experience the power of God's Word, you need to go beyond merely knowing the facts and learn how to let them transform you. In this new resource, noted author and biblical scholar Ron Rhodes takes you through each book of the Bible, breaking down complex concepts into practical applications and offering helpful insights for each. For example, key applications found in 1 John include: Our fellowship with God hinges on walking in the light as He is in the light. When we fall into sin and fall out of fellowship with God, confession to God is the remedy that restores our fellowship. When we sin, Jesus is our defense attorney, and He never loses a case in God's court. Our fellowship with God is thereby protected. Word studies, quotes from famous Christians, cross references, and more are included in every profound chapter to help you dig deeper into each transformational concept. As you put God's key principles into practice, you'll experience more than ever all the benefits the Bible has to offer.

The Most Significant People, Places, and Events in the Bible Christopher D. Hudson, 2015-03-03 As the inspired Word of God, the Bible is beautifully complex and rich; this can sometimes make it a difficult book to read, understand, and retain. Using lists, maps, charts, and other visual aids, *The Most Significant People, Places, and Events in the Bible* brings to visual clarity the overarching story of Scripture. Author Christopher D. Hudson, a visual learner himself, constructed this Quickview Guide to make the Bible accessible and memorable for students, laypeople, and anyone curious to know more about God's Word. In an accessible, informative way, it presents at a glance snapshots that visually communicate key stories and insights through four main sections: QuickView Summaries provides outlines of Bible books and sections; QuickGlance Bible Characters reveals the highs and lows of central Bible figures' lives; QuickScan Bible Places describes key geographical locations and buildings in the Bible; QuickLook Bible Events traces the main happenings in the Bible's vast and interconnected history. Much of human understanding occurs visually. When it comes to quickly grasping and retaining information, the human brain functions best with a combination of both words and pictures. *The Most Significant People, Places, and Events in the Bible* is your gateway to a better understanding and

appreciation of the greatest book in history *What Does the Bible Really Teach about Homosexuality?* Kevin DeYoung, 2015-04-16 In just a few short years massive shifts in public opinion have radically reshaped society's views on homosexuality Feeling the pressure to forsake long held beliefs about sex and marriage some argue that Christians have historically misunderstood the Bible's teaching on this issue But does this approach do justice to what the Bible really teaches about homosexuality In this timely book award winning author Kevin DeYoung challenges each of us the skeptic the seeker the certain and the confused to take a humble look at God's Word Examining key biblical passages in both the Old and New Testaments and the Bible's overarching teaching regarding sexuality DeYoung responds to popular objections raised by Christians and non Christians alike offering readers an indispensable resource for thinking through one of the most pressing issues of our day
