Welborn, 2018-11-16 Investigate the challenges and opportunities experienced by the early church This fourth installment of The First Urban Churches edited by James R Harrison and L L Welborn focuses on the urban context of Christian churches in first century Roman Philippi The international team of New Testament and classical scholars contributing to the volume present essays that use inscriptions papyri archaeological remains coins and iconography to examine the rivalries imperial context and ecclesial setting of the Philippian church Features Analysis of the material and epigraphic evidence relating to first and second century CE Roman Philippi Examination of important passages from Philippians within their ancient urban context Investigation of the social

composition and membership of the Philippian church from the archaeological and documentary evidence The First Urban Churches 7 James R. Harrison, L. L. Welborn, 2022-11-11 The First Urban Churches 7 includes essays focused on the development of early Christianity from the mid first century through the sixth century CE in the ancient Macedonian city of Thessalonica An international group of contributors traces the emergence of Thessalonica's house churches through a close study of the archaeological remains inscriptions coins iconography and Paul's two letters to the Thessalonians After a detailed introduction to the city including the first comprehensive epigraphic profile of Thessalonica from the Hellenistic age to the Roman Empire topics discussed include the Roman emperor's divine honors coins and inscriptions as sources of imperial propaganda Thessalonian family bonds Paul's apostolic self image the role of music at Thessalonica and in early Christianity and Paul's response to the Thessalonian Jewish community Contributors include D Clint Burnett Alan H Cadwallader Rosemary Canavan James R Harrison Julien M Ogereau Isaac T Soon Angela Standhartinger Michael P Theophilus and Joel R White **Christianity in the Greco-Roman World** Moyer V. Hubbard, 2010-01-01 Background becomes foreground in Moyer Hubbard's creative introduction to the social and historical setting for the letters of the Apostle Paul to churches in Asia Minor and Europe Hubbard begins each major section with a brief narrative featuring a fictional character in one of the great cities of that era Then he elaborates on various aspects of the cultural setting related to each particular vignette discussing the implications of those venues for understanding Paul's letters and applying their message to our lives today Addressing a wide array of cultural and traditional issues Hubbard discusses religion and superstition education philosophy and oratory urban society households and family life in the Greco Roman world This work is based on the premise that the better one understands the historical and social context in which the New Testament and Paul's letters was written the better one will understand the writings of the New Testament themselves Passages become clearer metaphors deciphered and images sharpened Teachers students and laypeople alike will appreciate Hubbard's unique illuminating and well researched approach to the world of the early church Everything in Common? Fiona Jane Robertson Gregson, 2017-11-07 Possessions and how believers handle them are key topics in the NT In this book Fiona Gregson examines the practice and theology of sharing possessions in community in the NT by examining six diverse NT examples of sharing Each example is considered in its historical and cultural context before being compared to one or more non Christian examples to identify similarities and differences Gregson identifies common characteristics across the NT examples and consistent distinctives in how the early church shared possessions compared to the surrounding cultures Gregson's findings demonstrate that Christians subverted Roman patronage expectations Christian groups were more diverse in their membership and exhibited more flexible less structured examples of sharing Christians placed greater emphasis on the free choice of individuals to contribute to sharing and Christians more frequently participated in eating together and had a greater focus on relational bonds than was common in Graeco Roman society culture **1 and 2**

Thessalonians Zondervan, 2016-05-24 Concentrate on the biblical author's message as it unfolds Designed to assist the pastor and Bible teacher in conveying the significance of God's Word the Zondervan Exegetical Commentary on the New Testament series treats the literary context and structure of every passage of the New Testament book in the original Greek With a unique layout designed to help you comprehend the form and flow of each passage the ZECNT unpacks The key message The author's original translation An exegetical outline Verse by verse commentary Theology in application While primarily designed for those with a basic knowledge of biblical Greek all who strive to understand and teach the New Testament will benefit from the depth format and scholarship of these volumes **Empire, Economics, and the New Testament** Peter Oakes, 2020-11-12 Peter Oakes has long been recognized for his illuminating use of Greco Roman material culture and social scientific criticism to interpret the New Testament This volume brings together his best work and introduces a substantial new essay that challenges current scholarly approaches to paradoxical teachings of the New Testament Of special interest to Oakes throughout this book is the concrete impact of economic realities and Roman imperialism on first century Christian communities meeting in house churches To address this Oakes considers an array of textual and archaeological resources from first century non elite life including extensive archaeological evidence available from Pompeii Readers will find here a deep trove of wisdom for understanding the New Testament in the context of the Greco Roman world
