Culture, Music Education, and the Chinese Dream in Mainland China Wai-Chung Ho, 2018-01-04 This book focuses on the rapidly changing sociology of music as manifested in Chinese society and Chinese education It examines how social changes and cultural politics affect how music is currently being used in connection with the Chinese dream While there is a growing trend toward incorporating the Chinese dream into school education and higher education there has been no scholarly discussion to date The combination of cultural politics transformed authority relations and officially approved songs can provide us with an understanding of the official content on the Chinese dream that is conveyed in today s Chinese society and how these factors have influenced the renewal of values based education and practices in school music education in China

Re-envisioning Chinese Education Guoping Zhao, Zongyi Deng, 2015-10-30 Maintaining education as a pedagogical space for human formation this book is distinctive in looking at the crisis rather than the success of Chinese education The editors and contributors mostly overseas and mainland Chinese scholars argue that modern Chinese education has been built upon a superficial and instrumental embrace of Western modernity and a fragmented appropriation of Chinese cultural heritage They call for a rethinking and re envisioning of Chinese education grounded in and enriched by various cultural traditions and cross cultural dialogues Drawing on Chinese history and culture Western and Chinese philosophies curriculum and pedagogical theories the collected volume analyzes 1 why education as person making has failed to take root in contemporary China 2 how the purpose of education has changed during the process of China s modernization and 3 what a rediscovery of the meaning of person making implies for rethinking and re envisioning Chinese education in the current age of globalization and social change Re envisioning Chinese Education The meaning of person making in a new age discusses among other issues China s Historical Encounter with the West and Modern Chinese Education Rediscover Lasting Values Confucian Cultural Learning Models in the Twenty first Century Rethinking and Re envisioning Chinese Didactics Implications from the German Didaktik Tradition The New Basic Education and the Development of Human Subjectivity A Chinese Experience This book will be relevant for scholars researchers and policy makers everywhere who seek a more balanced more sophisticated and philosophically better grounded understanding of Chinese education
