

The background of the book cover is a rich, dark still life composition. It features a variety of historical artifacts: several coins and medallions are scattered across the surface, including one prominent medallion with a classical face. A sword hilt with a dark, textured grip and a metal guard is visible on the right side. A leather strap with metal buckles and a small metal clasp is draped across the top left. The overall lighting is dramatic, highlighting the textures of the metal, leather, and fabric.
