through a conditioning phase, which is defined as the process of the subject learning the location of the reward (Sutton et al. 1998).

This book is really a great starting point for anyone looking to learn more about how to incorporate more "green" into their life. It is a common feeling that one needs a lot of money to live more sustainably, but this book shows that is not true. The Pappas had the perfect solution for their situation: he was married and his money income (living from his job) was all that got them across America for several years. Thanks to his earnings, which kept above zero, the Pappas had no problem in obtaining visas to travel for his climbing study in Tibet. But just before he left, his pregnant wife, Jennifer, had a severe miscarriage and several months, without the couple meeting in "Tibet" (see photo).
