**The portal to the PDF Association**

A good starting point for anyone with questions about PDF/A or PDF in general is the PDF Association's website. At [www.pdfa.org](http://www.pdfa.org), you can find information in English and German about current development, from all relevant industries and from suppliers worldwide. Comprehensive background information and example applications explain the technology behind PDF/A and its use in practice. You can view a video-on-demand series about PDF/A and other PDF standards. The website offers an overview of PDF- and PDF/A-related software products and services.

Users can contact the Association with specific questions. To do so, simply register on the website and describe your request on the discussion forum. Specialists and practitioners from around the world will provide informed answers and suggestions.

**PDF Association events**

The PDF Association attends international trade shows and other events on subjects such as document management, digital media and electronic archiving. For years the Association has also organized specialist seminars and technical conferences around the world. Companies and public authorities

**Membership**

Anyone aiming to work actively to develop and expand use of the PDF standard can become a member of the PDF Association. Whether as individual or company member, you will receive all the necessary information and support to ensure successful implementation of the standard. Most prominent portal resources offer especially favorable terms for presenting products and strategies at trade shows and other events. Members also have exclusive access to the Association's internet.
