Short Story Index ,1960 **Short Story Index: 1955-1958** ,1960 *The Tales of Tchekhov: The duel, and other stories* Anton Pavlovich Chekhov,1922 The Steppe and Other Stories Anton Pavlovich Chekhov,1998 The first of Chekhov s works to be published in a serious literary journal *The Steppe* with its masterly account of a spectacular thunderstorm signifies his maturation as a writer of short stories While the majority of his tales focus on the privileged classes this selection shows that Chekhov never forgot his origins as the son of a failed provincial grocer and characters as varied as the brutal soldier in Gusev the downtrodden old constable in *On Official Business* and the bemused peasants in *New Villa* testify to the power and flexibility of his art

Russian Traditional Culture Marjorie Mandelstam Balzer,1992 This is an annotated collection of recent studies of Russian folk religion village organization and family life including the rituals associated with childbirth and paying special attention to women s roles and to the specificity of Siberia in Russian culture Peasants under Siege Gail Kligman,Katherine Verdery,2011-07-25 In 1949 Romania s fledgling communist regime unleashed a radical and brutal campaign to collectivize agriculture in this largely agrarian country following the Soviet model *Peasants under Siege* provides the first comprehensive look at the far reaching social engineering process that ensued Gail Kligman and Katherine Verdery examine how collectivization assaulted the very foundations of rural life transforming village communities that were

organized around kinship and status hierarchies into segments of large bureaucratic organizations forged by the language of class warfare yet saturated with vindictive personal struggles Collectivization not only overturned property relations the authors argue but was crucial in creating the Party state that emerged its mechanisms of rule and the new persons that were its subjects The book explores how ill prepared cadres themselves unconvinced of collectivization s promises implemented technologies and pedagogies imported from the Soviet Union through actions that contributed to the excessive use of force which Party leaders were often unable to control In addition the authors show how local responses to the Party s initiatives compelled the regime to modify its plans and negotiate outcomes Drawing on archival documents oral histories and ethnographic data *Peasants under Siege* sheds new light on collectivization in the Soviet era and on the complex tensions underlying and constraining political authority **Standard Catalog** H.W. Wilson Company,1923 *Chinese Discourses on the Peasant, 1900-1949* Xiaorong Han,2012-02-01 Xiaorong Han explores how Chinese intellectuals envisioned the peasantry and its role in changing society during the first half of the twentieth century Politically motivated intellectuals both Communist and non Communist believed that rural peasants and their villages would be at the heart of change during this long period of national crisis Nevertheless intellectuals saw themselves as the true shapers of change who would transform and use the peasantry Han uses intellectuals writings to provide a comprehensive look at their views of the peasantry He shows how intellectuals with varying politics created images of the peasant a supposed contemporary image and an ideal image of the peasant transformed for political ends how intellectuals theorized on the nature of Chinese rural life and how intellectuals conceived their own relationships with peasants **World Folktales** , *Seven Short Novels* Anton Pavlovich Chekhov,1971 Including *The Duel* *Ward No 6* *A Woman s Kingdom* *Three Years My Life* *Peasants* and *In the Ravine* as well as a biographical introduction and a chronology *The Duel and Other Stories* АНТОН ЧЕХОВ,2021-03-16
